VALUABLE MEDICINE FOR COUGHS AND CONSUMPTION.
THIS ESSENCE, in its original name, is a
valuable medicine, and is now offered, with the
addition of some articles from the vegetable kingdom,
the virtues of which have been fully attested and
highly appreciated which render this composition
a valuable remedy for the most prevalent disorders
of the breast and lungs, leading to consumption—
Common colds and coughs, which are so com-
monly neglected, will readily yield to its influ-
ence, removing those troublesome irritations, which
act as a constant stimulus to a coughing. It cures
