GOVERNOR OF NEBRASKA.—The Washington correspondent of the Baltimore Republican says that the Hon. Francis Butt, of South Carolina, now third Auditor of the Treasury, will be appointed Governor of Nebraska, in place of Gen. Butler, declined.

During Com. Perry's late visit to Japan, himself and suite were entertained at a feast by the natives. Cooked worms, fried snakes, and a variety of indigestible compounds were served up of which they were obliged to partake through etiquette.

A HORTICULTURAL CURIOSITY.—Dr. L. Warriner, has now in his garden at Warren, Massachusetts, an apple tree, upon one limb of which is growing an apple five inches in circumference, and a bunch of the same limb's just in full blossom.

EAR AND EYE.
DEAFNESS,
Partial or Total Entirely Removed!

THE subscriber, a practical aurist, has had for the last seven years the treatment of the Deaf and Dumb confided to his charge by the Government of the Netherlands.

During the above period he has successfully treated many hundreds of cases in the Institution of Medicine and Surgery of the Hague, and in the Institution for the Deaf and Dumb at Rotterdam, Amsterdam, Utrecht, Groningen, Harlem, and St. Petersburgh, in the latter of which he was himself appointed Aurist. The most eminent success has attended the application of his method of treatment, and he can produce testimonials of the highest and most unexceptionable character, from many of the most distinguished Artists in Europe, with the same unabated success. The most eminent surgeons and physicians of Philadelphia, to whom he has been introduced, have borne testimony to the efficacy of his method of treatment. The application does not pain, nor in any way incommode, nor can any connection from duty ensue from it. The cost per month will be moderate, and will be refunded if a perfect cure is not effected. Many of the most distinguished Artists in Europe, and the U. S., Thomas Nast, Brainard Kent, Nast & Kimball, the Hon. Isaac Hill, late Governor of New Hampshire, and many others, will testify to the efficacy of the treatment. Many of the most distinguished public characters in the United States, Europe, and Asia, have been relieved of their deafness, and perfectly able to hear a whisper, and even conversation in a common tone, after having been entirely deaf for many years.
