

BY AUTHORITY.

THIRTEENTH CONGRESS, 3d Session.
RESOLUTION requesting the president of the United States to recommend a day of public Humiliation, Fasting and Prayer, it being a duty peculiarly incumbent, in a time of public calamity and war, humbly and devoutly to acknowledge our dependence on Almighty God, and to implore his aid and protection—
 That the President of the United States be and he is hereby requested to recommend a day of public Humiliation, Fasting and Prayer, to be observed by the people of the U. States with religious solemnity, and the offering of fervent supplications to Almighty God for the safety and welfare of these States, his blessing on their arms and a speedy restoration of peace.

RESOLVED by the Senate and House of Representatives of the United States of America, in Congress assembled, That a joint committee of both houses wait on the president of the United States, and request that he recommend a day of public Humiliation, Prayer and Fasting, to be observed by the people of the U. States with religious solemnity, and the offering of fervent supplications to Almighty God for the safety and welfare of these States, his blessing on their arms and a speedy restoration of peace.

LANGDON CHEVES,
Speaker of the House of Representatives.
E. GERRY,
Vice President of the United States, and President of the Senate.

By the President of the United States A PROCLAMATION.

The two houses of the National Legislature having, by a joint resolution, expressed their desire, that in the present time of public calamity and war, a day may be recommended to be observed by the people of the U. States as a day of public humiliation & fasting and of prayer to Almighty God, for the safety and welfare of these States, his blessing on their arms, and a speedy restoration of peace—I have deemed it proper, by this proclamation, to recommend that Thursday the 12th of January next, be set apart as a day in which all may have an opportunity of voluntarily offering, at the same time, in their respective religious assemblies, their humble adorations to the Great Sovereign of the Universe, of confessing their sins and transgressions, and of strengthening their vows of repentance and amendment. They will be invited by the same proclamation, to call to mind the distinguished favors conferred on the American people, in the general health which has been enjoyed; in the abundant fruits of the season, in the progress of the arts, in the advancement of their comfort, their prosperity and security; and in the victories which have so powerfully contributed to the defense and protection of our country; a devout thankfulness for all which ought to be mingled with their supplications to the beneficent Parent of the human race, that their efforts, against Hiss, to support and animate them in the discharge of their respective duties; to continue to them the precious advantages flowing from political institutions so auspicious to their safety against dangers abroad, to their tranquility at home, and to their liberties civil and religious; and that he would, in a special manner, preserve the nation, in its public councils, and authorized authorities, giving wisdom to its rulers, and success to its arms, in maintaining its rights, and in overcoming all hostile designs and attempts against it, and for the safety of the enemy with dispositions favorable to a just and reasonable peace its blessings may be speedily and happily restored.

Given under my hand, at the City of Washington, the 16th day of November, 1814 and of the independence of the U. States the thirty eighth.

Town Lots for Sale, TROY.

IN pursuance of an order of the Circuit Court of Perry county, Indiana territory, I shall expose to sale on Tuesday the 4th of April, 1815, the lots in the town of Troy. TROY, the seat of justice for the county of Perry, is situated on the Ohio, about half a mile above the mouth of Anderson river. There are in it a number of excellent springs adequate to the supplying any number of inhabitants, and there are a number of excellent mill seats on Anderson, some of which are within a short distance of the town—the land is sufficiently high not to be subject to inundation, and there is an extensive view of the river.—The adjacent lands are generally of a good quality and the country is settling very fast. The sale to commence on the lot first offered for sale—one eighth part of the purchase money to be paid down, and the residue in three equal annual payments.—Due attendance will be given by.

FRANCIS POSEY,
Agent for Perry county.

TAKEN up by Peter Jones on the 28th of December last, and delivered to me a certain negro woman named **GRAE**, formerly owned by William Hardy, and by him taken from Gibson county to Shawnee Town—the owner is desired to come forward, prove his property and receive her.
