Vegetable Nervous Cordial, or, Nature's
Grand Restorative,**

Price One Dollar & Fifty Cents.

Is confidently recommended as the most
efficacious medicine for the speedy relief &
cure of all nervous complaints, attended
with inward weakness, depression of the
spirits, head ache, tremor, faintness, hysteric
fits, debility, femoral weakness, gleet, and
various complaints resulting from secret
impropriety of youth and dissipated habits,
residence in warm climates, the immoderate
use of tea, the unskillful or excessive use of
mercury, so often destructive of the human
frame, diseases peculiar to females at a cer-
tain period of life, Fluor Alba, barrenness,
&c. &c.

Under the denomination of nervous dis-
orders, are included several diseases of the
most dangerous kind, and are so various that
a volume would hardly suffice to complete
a description of them. It provides, with
its salutary influence, the whole nervous sys-
tem, soothing the heart with inexpressible
anguish, and exciting the most dreadful sug-
gestions of horror and despair. To this
demon have thousands fallen a sacrifice, in
the dreadful transports of its rage.

The most common symptoms of its com-
mencement, are, weakness, flatulence, pal-
pitations, watchfulness, drowsiness after
eating, timidity, flashes of heat and cold,
numbness, cramp, giddiness, pains in the
head, back, and limbs, hiccup, difficulty of
respiration & digestion, anxiety, dry cough,
&c. &c.

The Vegetable Nervous Cordial is also
a great Antiscorbutic Medicine, and is of
infinite service for purifying the blood, and
curing those foul disorders of the skin which
commonly appear in the form of Scurvy,
Spotted Red Blotches, Carbuncles, Ulcers,
&c. &c. A dose of the Anti Bilious Pills,
taken occasionally with this medicine,
proves of additional service in the last men-
tioned cases.

a certain preventative and cure for the fever
and ague, &c. &c.

prevalent throughout the southern states,
and so afflicting to families residing in all
low countries, redundant with marshes,
lakes, stagnated pools, rivers, &c. &c. these
celebrated and universally esteemed Bitters,
have surpassed every remedy ever adminis-
tered, for the relief and cure of that most
obnoxious oppressor of the human frame,
numberless instances of their efficacy have
been testified, after the barks, and various
other extolled prescriptions have failed, they
proved successful, to the admiration of those
who experienced and witnessed their happy
effects.

Dr. Robertson's

Infallible Worm Destroying Lozenges.

A Medicine highly necessary to be kept
in all families—Price 50 cents.

Symptoms.—The common symptoms of
Worms are, paleness of the countenance,
at other times flushing of the face, itching
of the nose, and about the seat; starting
and grinding of the teeth in sleep, swelling
of the upper lip, the appetite sometimes bad
at other times voracious—looseness, disa-
greeable breath, a hard swelled belly, great
thirst, the urine frothy, and sometimes of a
whitish color, griping or choleric pains, an
involuntary discharge of saliva, especially
when asleep; frequent pains in the side
with a dry cough, and unequal pulse; pal-
pitations of the heart, swoonings, cold
sweats, palsy, epileptic fits, &c. &c.

Though numberless medicines are ex-
tolled for expelling and killing worms, none
are equal in efficacy to Dr. Robertson's
Worm Destroying Lozenges, they are mild
in their operation, and may be given to the
youngest infant with safety.

gue and Fever, Cholera, Pains, Flatulencies,

Rheumatism and Gout.

They are particularly serviceable in Fe-
male Disorders, & especially in the removal
of those obstructions which are the great
source of their complaints at certain peri-
ods, they possess the eminent advantage over
most other purgatives, that while they
operate gently, they produce neither colic-
tiveness, debility, nor too great excitement,
whenever there is a predisposition to a dis-
ease, arising from marsh effluvia, a too cop-
ious use of ardent spirits, or a vitiated state
of the bile, they are sure to relieve.

NOTICE.

THE undersigned, two of three com-
missioners appointed by the act of con-
gress passed on the 31st of March, 1814,
entitled "an act providing for the indemni-
fication of certain claimants of public lands
in the Mississippi territory," hereby, accord-
ing to the injunctions of the said act, give
notice to all whom it may concern.

That the commissioners appointed by the
said act will meet on the first Monday in
January next, at the city of Washington,
as by the said act is directed for the purpose
then, or as soon thereafter as may be prac-
ticable, of adjudging and determining upon
the sufficiency of all such releases, assign-
ments and powers as may be executed and
deposited in the office of the secretary of
state, in conformity with the directions of
the said act; and also then and there, or as
soon thereafter as may be practicable, for
the purpose of adjudging and finally deter-
mining upon all controversies arising from
released claims which may be found to con-
flict with, and be adverse to each other;
and also adjudging and determining upon
all such claims under a certain act, or pre-
tended act, of the State of Georgia, entitled
"an act supplementary to an act entitled
"an act for appropriating a part of the un-
located territory of this State (Georgia) for
the payment of the late state troops and
other purposes therein mentioned, declaring
the right of this State to the unappropriated
territory thereof, for the protection and sup-
port of the frontiers of this State, and for
other purposes," passed January the 7th,
1795, as may be found to have accrued to
the U. States by operation of law; and,
generally, for the purpose of doing and per-
forming all matters and things enjoined up-
on the said commissioners by the act of the
31st of March, 1814, aforesaid.

ADDITIONAL NOTICE.

THE undersigned commissioners appoint-
ed by the act of congress of the 31st of
March, 1814, relative to the Yazoo Claims,
are of opinion, that it rests with the claim-
ants to prepare, by themselves or their coun-
sel, the releases, assignments and powers
mentioned in the 1st section of the act.—
Desirous, nevertheless, to give every facility
to the execution of the act consistent with
what is taken to be its right construction,
they recommend,—That claimants living
at a distance, who may find it necessary to
prefer their claims through an agent or at-
torney, should invest such agent or attorney
with authority to add to or alter the instru-
ments aforesaid; or vary in any wise their
form and manner, so that they may conform
to such directions and decisions as the com-
missioners may give when organized as a
board, and proceeding to execute their
functions under the act. By this course
such changes, substitutions or amendments,
as are susceptible of being made upon the
spot, can take place without further incon-
venience to the claimants.
