

Dictator may well be termed the Champion of Christendom. The terms which he has obtained for the vindication of his country's honor, are 'indemnity for the past, and security for the future; but he did not pause here. He demanded from those barbarians, (who exist only as the monuments of European disgrace) as a member of the Christian family, a release from slavery, 'of all Christian prisoners,' and obtained it. This is a glory which never encircled the brows of a Roman pontiff; nor blazed from an imperial diadem. *Bos. Gaz.*

WAR DEPARTMENT.

To facilitate the business of obtaining Warrants for Military Bounty Land, under the acts of the 24th December, 1811, of the 11th January, 1812, and of the 10th December, 1814, all persons interested are invited to attend to the following

INFORMATION.

1st. Every person whose services entitle him to a Land Warrant, and who personally applies for it, will be held to produce at the war department his original Discharge, which ought to express the date of Enlistment, the term for which the person was enlisted, that he has faithfully served the United States during that term, and that he is honorably Discharged. The philosophy of Discharges for disability necessarily differs from ordinary Discharges; but in those the term 'honorably discharged' is deemed tantamount to the certificate of faithful service required by law.

2d. In cases where the original Claimant shall not personally apply for his Land Warrant, his original discharge must be transmitted to the war department, accompanied by a power of attorney, duly executed, of the following form—viz.

Know all men by these presents

That I, *late* in *captain* company, in the *regiment of* who was enlisted the *day of* one thousand eight hundred and *to* *for* and honorably discharged from the army of the United States on the *day of* one thousand eight hundred and *as* will more fully appear by my original discharge herunto annexed, have, and by these presents do, nominate, constitute and appoint *my true and lawful attorney*, for me and in my name, and in my behalf, to procure and receive from such officer, person or persons as shall be legally authorized to grant the same, a Warrant for the quantity of land to which I am entitled for the services rendered by me as *in* the army of the United States, during the late war, pursuant to the law of the United States in such case made and provided. And I do further hereby empower the said *to* do and to perform all such acts and things, and to give such a receipt or receipts, or execute such instrument or instruments in writing as *shall* be required, in as full and ample a manner as I could myself do were I personally present. And I do further empower him to constitute and appoint an attorney or attorneys under him for the said purposes, and also at pleasure to revoke the same. And do further hereby ratify and confirm whatever my said attorney or his substitutes shall lawfully do in the premises.

In testimony whereof I have hereunto set my hand and seal, at *his* day of *one thousand eight hundred and* Signed sealed and delivered *in presence of*

State of *ss.* and County of *ss.* I, *being* duly sworn, doth depose and say, that he is the same person named in and who executed the above power of attorney, and that the same is his own free and voluntary act, for the purposes mentioned therein.

and *being* duly sworn do depose and say, that they and each of them are personally acquainted with the above named *and* will know him to be the person described in the above power of attorney.

Sworn to and subscribed this *day of* 181 *before me* State of *ss.* and County of *ss.*

I certify that the above named *and* are credible witnesses. Dated at *the* day of *181*

I, *clerk of the county of* State of *do* hereby certify that *before* whom the above affidavits appear to have been made, is a *acting* under the authority of this State, and that the above is his signature.

In testimony whereof I have hereunto set my hand, and affixed the (Seal) Seal of the said county &c. this *day of* &c.

N. B. In those instances where the pow-

er of attorney in question is executed before a Notary Public, and of course attested by his official seal and signature, the above certificate of a county Clerk on each instrument will be dispensed with, but in such case it will be required that one separate official certificate from the Municipal or State authority shall attest the quality and signature of such Notary, which signal Certificate shall be admitted as the sanction of all such Notarial acts that accompany it.

N. B. All subscriptions of such a power must be made before a Notary Public, in legal form.

3d. In cases where the original claimant is dead, and an heir applies in his right, he or she will be held to ascertain by legal proof, that the person in whose right the application shall be made, did enlist in such or such a company or corps, on such a day, and for such a term; and that he was slain by the enemy, or did otherwise die while in the service of the United States, at such a time and place.

Next, the actual claimant will be held to adduce legal certificates from competent authority to ascertain that he or she, thus claiming a Land Warrant, is a legitimate Heir at law, and of lawful age; in which case, although other heirs may exist, yet the warrant will be issued in the name of the heir so proving, adding thereto the words—and the other heirs at law of—&c.

A Land Warrant will not be issued to an executor nor to an administrator. The government of the United States has not authorized any person to act as an agent for the purpose of transacting any part of the business relative to the obtaining Military Land Warrants; which will, as usual, be issued gratis at the war department; nor does it recognize any pretended Land Office for such purposes; nor any other Agency of that nature, in any State of the American Union.

tain period of life, Fluor Albus, barrenness, &c. &c.

Under the denomination of nervous disorders, are included several diseases of the most dangerous kind, and are so various that a volume would hardly suffice to complete a description of them. It proceeds, with its baleful influence, the whole nervous system, writhing the heart with incessant anguish, and exciting the most dreadful suggestions of horror and despair. To this demon have thousands fallen a sacrifice, in the dreadful transports of its rage.

The most common symptoms of its commencement, are, weakness, dizziness, palpitations, watchfulness, drowsiness after eating, timidity, flashes of heat and cold, numbness, cramp, giddiness, pains in the head, back, and limbs, hiccup, difficulty of respiration & digestion, anxiety, dry cough, &c. &c.

SYMPTOMS.—The common symptoms of Worms are, paleness of the countenance, at other times flushing of the face, itching of the nose, and about the seat; flaring and grinding of the teeth in sleep, swelling of the upper lip, the appetite sometimes bad at other times voracious—looseness, disagreeable breath, a hard swelled belly, great thirst, the urine frothy, and sometimes of a whitish color, griping or choleric pains, an involuntary discharge of saliva, especially when asleep; frequent pains in the side, with a dry cough, and unequal pulse; palpitations of the heart, swoonings, cold sweats, puffy, epileptic fits, &c. &c.

Though numberless medicines are extolled for expelling and killing worms, none are equal in efficacy to Dr. Robertson's Worm Destroying Lozenges, they are mild in their operation, and may be given to the youngest infant with safety.

They are particularly serviceable in Female Disorders, & especially in the removal of those obstructions which are the great source of their complaints at certain periods, they possess the eminent advantage over most other purgatives, that while they operate gently, they produce neither colicness, debility, nor too great excitement, whenever there is a predisposition to a disease, arising from morbid effluvia, a too copious use of ardent spirits, or a vitiated state of the bile, they are sure to relieve.

NOTICE.

THERE will be sold in the town of ORLEANS (I. T.)

The unequal improvement, and superior advantage that this place holds over the neighboring towns of the surrounding country are well known to every one that it precludes the necessity of a geographical description of the place.—Due attention will be given at 10 o'clock on the day of sale by the proprietor.
