Dr. Robertson's

Vegetable Nervous Cordial, or, Nature's Grand Restorative,

Price One Dollar & Fifty Cents.

Is confidently recommended as the most efficacious medicine for the speedy relief & cure of all nervous complaints, attended with inward weakness, depression of the spirits, head ache, tremor, faintness, hysterical fits, debility, seminal weakness, gleet, and various complaints resulting from secret impropriety of youth and dissipated habits, residence in warm climates, the immoderate use of tea, the unskillful or excessive use of mercury, so often destructive of the human frame, diseases peculiar to females at a certain period of life, Fluor Albus, barrenness, &c. &c.

Under the denomination of nervous disorders, are included several diseases of the most dangerous kind, and are so various that a volume would hardly suffice to complete a description of them. It pervades, with its baleful influence, the whole nervous system, writhing the heart with inexpressible anguish, and exciting the most dreadful sensations of horror and despair. To this demon have thousands fallen a sacrifice, in the direful transports of its rage.

The most common symptoms of its commencement, are, weakness, flatulence, palpitations, watchfulness, drowsiness after eating, timidity, flashes of heat and cold, numbness, cramp, giddiness, pains in the head, back, and loins, hickup, difficulty of respiration & digestion, anxiety, dry cough, &c. &c.

The Vegetable Nervous Cordial is also a great Antiscorbutic Medicine, and is of infinite service for purifying the blood, and curing those foul disorders of the skin which commonly appear in the form of Scurvy, Surfeit, Red Blotches, Carbuncles, Ulcers, &c. &c. A dose of the Anti Bilious Pills, taken occasionally with this medicine, proves of additional service in the last mentioned cases.

Dr. Robertson's

Celebrated Gout and Rheumatic Drops, Price Two Dollars.

a certain preventative and cure for the fever and ague, &c. &c.

For the Fever and Ague, a malady so prevalent throughout the southern states, and so afflicting to families residing in all low countries, redundant with marshes, lakes, stagnated pools, rivers, &c. &c. these celebrated and universally esteemed Bitters, have surpassed every remedy ever administered, for the relief and cure of that most obstinate oppressor of the human frame, numberless instances of their efficacy have been testified, after the barks, and various other extolled prescriptions have failed, they proved successful, to the admiration of those who experienced and witnessed their happy effect.

Dr. Robertson's

Infallible Worm Destroying Lozenges.

A Medicine highly necessary to be kept in all families—Price 50 cents.

SYMPTOMS.—The common symptoms of Worms are, paleness of the countenance, at other times flushing of the face, itching of the nose, and about the seat; starting and grinding of the teeth in sleep, swelling of the upper lip, the appetite sometimes bad at other times voracious—looseness, disagreeable breath, a hard swelled belly, great thirst, the urine frothy, and sometimes of a whitish color, griping or colic pains; an involuntary discharge of saliva, especially when asleep; frequent pains in the side, with a dry cough, and unequal pulse; palpitations of the heart, swoonings, cold sweats, palpy, epileptic fits, &c. &c.

Though numberless medicines are extolled for expelling and killing worms, none are equal in efficacy to Dr. Robertson's Worm Destroying Lozenges, they are mild in their operation, and may be given to the youngest infant with safety.

Dr. Dyott's

Anti-Bilious Pills.

For the prevention and cure of Bilious and Malignant Fevers—Price 25 cents—large boxes 50 cents.

These Pills, if timely administered, will remove the causes which commonly produce the Yellow Fever, Bilious Fevers, Ague and Fever, Cholic, Pains, Flatulencies, Indigestions, Coliciveness, Hypocondriac & Hysteria complaints, Strangury, Gravel, Rheumatism and Gout.

They are particularly serviceable in Female Disorders, & especially in the removal of those obstructions which are the great source of their complaints at certain periods, they possess the eminent advantage over most other purgatives, that while they operate gently, they produce neither coliciveness, debility, nor too great excitement, whenever there is a predisposition to a disease, arising from marsh effluvia; a too copious use of ardent spirits, or a vitiated state of the bile, they are sure to relieve.

Dr. Dyott's

Patent Itch Ointment.

WAR DEPARTMENT.

Section of Bounty Land.

WHEREAS, by documents exhibited at this office in support of applications for Land Warrants, it appears that many persons disregard or misconstrue the information hereto published, relative to the proceedings requisite in all Cases where the Original Claimant does not personally apply at this Department; it is therefore deemed expedient to elucidate the several points alluded to above by the following observations;

1. In regard to the Power of Attorney directed to be executed in the cases above mentioned, it is deemed of primary importance, that it be formally acknowledged before a Magistrate, & that this acknowledgement be subscribed by the person who thus delegates his authority to another, as well as confirmed by oath or affirmation, in presence of the said Magistrate, who then attests the execution of this formality.

2. Every Deposition or Affidavit ought to be subscribed by the Deponent, or Person making it, as well as confirmed by his oath or affirmation; and should be then attested in due form by the Magistrate before whom it is made. It is particularly required that those individuals who depose to the identity of another, should subscribe their deposition to render the identification valid.

3. A Substitution of a Power of Attorney may be made authentic in very few words, and may be inscribed on the original Power, if a sufficient space for the purpose be there found: if executed on separate paper, it is to be attached to the original instrument in the usual manner, and secured by the Notarial Seal. In applications for Land Warrants, the following simple form will be admitted, viz:

Know all men by these presents, that I, A. B. Attorney of C. E., by the annexed Power duly constituted and appointed, do, by virtue of the power of substitution with which I am thereby expressly invested, make, constitute and appoint E. F. of —— &c. my lawful Substitute and Attorney, for the purposes herein mentioned; and do hereby authorize him to do and perform all acts and things necessary in and about the premises, as largely and amply as I might or could do, if I were personally present.

In witness whereof I have hereunto set my hand seal at —— this —— day of A. D. ——

(Signed) A. B. [Seal.]

I, G. H. Notary Public, &c. do hereby declare and make known, that the above substitution was duly executed by the aforesaid A. B., before me. In Testimony whereof, I have hereunto affixed my Official Seal and Signature, al—this day of A. D. 181—

N. B. As there are many Sections of the U. States where a Notary Public does not commonly officiate, the aforesaid substitution shall be there legalized by the official attestation of the Clerk of the County Court.

4. In the information heretofore published relative to ascertaining a "legitimate heir at Law" who may apply for Military Bounty Land in Right of a deceased Soldier the expression, "Certificates from competent authority," has been thought by some not sufficiently elucidated: — to remove, therefore, all doubt on this point in future, be it known that this insertion of the term "competent authority" arose from representations of long standing at this office, confirmative of the fact that in different States component parts of the American Union, the legal mode of providing "Hereditum" for the purposes of inheriting Real Estate, is different from that practised in other States

it is obvious, therefore, that the meaning & intention of the Secretary of War in sanctioning the term "competent authority," is, that the Person so pretending to be a "legitimate Heir at Law," should be required first to exhibit his proof of it to that Tribunal, or Civil Officer, that is authorized by the Constitution and Laws of the State wherein he resides to take cognizance of the point in question, for local or other purposes. A duly authenticated certificate from that Tribunal, or Public Officer, has ever been and will continue to be deemed at this office conclusive Evidence in such a case. Thus an Official Certificate declarative of the fact that such an one is a "legitimate Heir at Law" of such an one, issued by a Court of Record, An Ordinary, a Judge of Probate—according to the laws and usages of the different States, have ever been deemed equally admissible at this office.

It should be observed, however, that in cases of posthumous Claims to the Military Bounty Land authorized by an Act of Congress of the 10th of December, 1814, it is essential that the Claimant should establish not only that he is "a legitimate Heir at Law," but also the particular degree of consanguinity he bore to the deceased Soldier in whose Right he claims.

5. Although the Rule will be adhered to, not issue a Land Warrant to an executor nor to an Administrator, yet in all cases where the "legitimate Heir at Law," are Minors, a Guardian constituted and appointed in conformity with the laws of the State where the said Minors reside, may obtain a Land Warrant in Trust for them, on his exhibiting at this Office Official Credentials proving his said quality.
