

CHARLESTON, (S. C.) April 5.

*From Jamaica.*

By the ship *Cyrus* arrived on Saturday evening in 15 days from Kingston, we have received files of Jamaica papers to the 19th ult.

We learn verbally by this arrival that information had just reached Kingston, and from a source which it was believed might be relied upon, that Petion was dead—this will probably give rise to new changes and convulsion in that devoted island.—The demand made some time since upon Petion for the Jamaica pilot boat which had been carried off to St. Domingo, together with her crew, had been refused, and a frigate was about sailing from Kingston, to enforce the demand.

KINGSTON, March 11.

We yesterday learnt by a private letter just received in this city, that gen. Morillo has been routed in attempting to pass from Sagamoro to Venezuela, by the army commanded by the chevalier Lervier, and escaped by the plains, at the entrance of the Spaniards into New Grenada.—The Division a l'Etranger, commanded by Bayer, in the service of the Spaniards, is gone over to the Independents, and abandoned their chief: this division was called the Loyalist corps of Ferdinand.

March 17.

Recent advices from Cumana state, that gen. Marino, with an independent force, had taken that town on the 16th ult. after a loss of between 4 and 500 men.—Before the attack Marino sent in a flag of truce to the royal garrison stating that if they would surrender they should be treated as prisoners of war, & allowed 4 hours for an answer. Gen. Prado said that the answer did not require 4 minutes' consideration, and that they would not surrender. The attack upon receiving this reply, immediately commenced; when after a severe contest the independents became victorious and gained possession of the town.—From 700 to 1000 European troops then retired into the fort, which was assaulted and the whole of them put to the sword. The Royal force in shipping consisting of 9 brigades schooners had put in to Laguaira.

Charleston, April 7.

The U. S. schr. *Hornet*, lieut. Claxton, arrived here on Saturday afternoon, in 45 days from Gibraltar, with despatches. She sailed from that port on the 19th Feb. Left there the U. States ship of the line *Independence*, Com. Chauncey, ship of war *Peacock*, brig *sharp*, and the *Alert* store ship. The remainder of our squadron was at Port Mahon. All was quiet in the Mediterranean. A Dutch squadron consisting of 2 ships of the line & 2 frigates, was lying at Gibraltar.

A late account says, gen. Bolivar is with 2500 men in Barcelona where he is blockaded by a Spanish squadron of 18 sail, and invested on the land side by a royalist force commanded by gen. Real, of 4 or 5000, and his army reduced to such an extremity as

to be compelled to eat *Cats Dogs Asses, &c.*

Gen. Real and his army were nearly in the same situation, on account of 4 or 500 cavalry under the Patriot gen. Zarasa, who were in his rear and cut off all his supplies from the plains.

*The Lower Creek Indians,*

Are represented as being very much disposed to hostilities with the people of Georgia, they having forcibly driven off 300 head of cattle, painted themselves with war paint, and acted in such manner as to create great alarm. It is said the inhabitants on the frontiers have been compelled to embody themselves in order to plant their Corn.

Oliver Wolcott, has been elected governor of Connecticut, by the aid of the democracy of that state, in opposition to John Cotton Smith, the present governor.

To the widows and heirs of the officers, seamen and marines of the late U. S. brig of war *Epervier*.

*AN ACT*

For the relief of the widows and orphans of the officers, seamen & marines who were lost in the U. States' brig *Epervier*.

BE it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the widows, if any such there be, and in case there be no widow, the child or children, if there be no child, then the parents or parent, and if there be no parent, then the brothers and sisters of the officers seamen and marines who were in the service of the U. States, and lost in the brig *Epervier*, shall be entitled to and receive out of any money in the treasury not otherwise appropriated, a sum equal to 6 months pay of their respective deceased relatives aforesaid, in addition to the pay due to the said deceased on the 14th day of July, 1815, to which day the arrears of pay due the deceased shall be allowed & paid by the accounting officers of the Navy Department.

[Passed 3d of March 1817.]

The amount of 6 months extra pay authorized by the above act of Congress will be paid to the legal claimants upon application to the Navy Department, Washington, when they shall severally transmit a certificate of marriage duly authenticated in behalf of a widow, a certificate of baptism and the parish record in behalf of orphan children, a certificate of relationship of brother or sisters duly attested by a magistrate of the county, proving incontestably the kindred and just claim under the said act.—As no intermediate agency is necessary in the case, claimants are requested to send their vouchers and papers direct to the Navy Department, and the money will be paid by checks upon the banks, in the neighborhood of their residence; without expense or deduction. Those who constitute attorneys will have to prove their identity, and affinity to the officer, seaman or marine, and no letters of administration will be required or admitted in favor of a claim. The payment being specifically applied to the relations aforesaid, none other need to apply, & the strictest scrutiny will be observed when the application is not direct from the person designated in the law.

By order of the Secretary of the Navy. BENJAMIN HOMANS.

Navy Department, 10th April 1817

N. B.—The same proofs and vouchers will be sufficient for the arrears of pay due on the 14th July 1815, which will be paid by the fourth auditor of the Treasury Department.
