

ADVERTISEMENTS.

SALE OF LOTS IN THE TOWN OF YORK

BY request of a number of persons wishing to purchase in said town, the proprietors will offer Lots for sale to the highest bidder, on the premises, the first day of August next, at ten o'clock, A. M.—The well known situation of this town, and the country adjoining, particularly the Union Prairie, renders it unnecessary to recapitulate its peculiar advantages. As this place is situated about in the centre of Crawford county, it justifies a belief that the permanent seat of justice will be fixed here.

Terms of sale.—The proprietors will take approved bonds from the purchasers to the amount of their respective bids, conditioned in three annual payments—and will give to the purchasers their bond for a deed to be executed and delivered on the receipt of the last payment.

ANDREW S. M'CARMIC

OFFERS his services to the citizens of Vincennes in the practice of Physic. He flatters himself from the result of experience and practice, and having had the advantage in practice with the most eminent physician (Dr. Anthony Hunn) in the last prevailing disease (Typhus fever) that he will render general satisfaction to those who may repose confidence in him. There is no disease that the human family may be incident to but he thinks he has a knowledge of the cause. The fever and ague, if he suffers a third chill to take place, will charge not a cent if his directions are attended to. He may be found at H. Laselles, where he will keep his shop, and will at all times attend when called on, with assiduity and punctuality.
