

the citizens of the Republic (including the Clergy) and corporations, of a quarter of a dollar on each poll, male and female; and the same sum of every fifty dollars of capital over fifty dollars. The process of collection was summary; and the contribution was not to interfere with the ordinary taxes.

A treaty of amity between the governments of Colombia and Buenos Ayres, had been ratified. The best understanding appeared to exist between the British Agents and the Government; and no complaint appeared to be made of the tardiness of the British government in formally acknowledging their Independence.

It had been proposed to abolish the perpetuity of the vows of females who take the veil, and to allow them to renew them every third or fourth year, or to rejoin society.—*Centinel*.

From Smyrna.—Capt Woodberry, arrived at Boston, left Smyrna on the 23d of May. It was reported that 5000 Turkish troops, who had been landed on a Grecian island, had been destroyed, except about 1500. It was also rumoured that the Turks had ordered an army of 50,000 men to the Morea.

ITEMS.

—on the night of 20th inst. at his residence in Caroline county, Va. col. John Taylor, a senator in congress, venerable for his years, and esteemed for his public and private worth.

Com. James Barron has been appointed to the command of the Philadelphia Naval station.

Com. Bainbridge and Capt. Jones, are appointed Naval Commissioners.—*Com*. Chauncey takes command of the New-York Naval station.

The *Hornet*, Capt. Kennedy, sailed from Hampton for Lagaira, on the 29th July.

The widow of Gen. Riego, died lately in London.

Valuable bequests. The testament of the late Julien Poydras, of Point Coupee, Lou. has been opened, and it contains the following liberal bequests.

For a college at Point Coupee, \$20,000.

For marriage portions to poor girls of said parish, \$30,000.

To each of his god-sons and daughters, \$500.

For marriage portions to poor girls of the parish of West Baton Rouge, \$30,000.

To the charity hospital of New-Orleans, his house on Levee, between St. Louis and Conti-streets, and his house in Bourbon street.

To the Poydras Female Asylum, all his houses in Poydras street and on the Batture.

To Miss Galatin, 10,000.

To his testamentary executors, who are Messrs Gui Richard and Beauduc, \$25,000.

The late *Ebenezer Knight Dexter* has left an estate, valued at sixty thousand dollars, in trust for the poor of the town of Providence, R. I.

Boston police. Mr. Quincy, the mayor of Boston, was fined in the sum of two dollars and costs, amounting to \$6.46, for galloping his horse through one of the streets of that city, notwithstanding he was engaged in public business. A man was also fined two dollars and costs for smoking a segar in the street!!!

The law! It is stated that there is a case in one of the courts of Vermont, that originated about an article of value of seventy-five cents which has been continued along until each party is responsible for about two thousand dollars.

THE TARIFF.—A public meeting was called at Milledgeville, (Geo.) to take place on the 3d of July, to concert measures for "a determined opposition to the policy of the Tariff Bill."

A person in South Carolina raised the past season eight hundred bushels of sweet potatoes on an acre! placing the vines singly in their beds, an inch apart. The same person had one potatoe two feet nine inches long, and another which weighed twelve and a half pounds.—*Phil. Gaz.*

Fire. The valuable Monocacy Mill, belonging to Walter D. Kemp, in Frederick County, Md. were destroyed by fire on Friday last. It is said that Mr. Kemp stood insured in Baltimore to the amount of \$10,000.

Egyptian Mummy.—The Mummy which it will be recollected was presented to the Boston Medical College by some merchants of Smyrna, is expected in the steam boat of to day, and will be exhibited a short time for the benefit of the Massachusetts General Hospital.

Greece and Mr. Webster.—It must be considered highly complimentary to Mr. Webster, as announced in the *London Courier*, that his speech in the Congress of the United States, on the Greek question, has been translated into the Greek language, printed, and a large number of copies transmitted to Greece, to be distributed among the people of that country.—*Nat. Int.*

WM. M. PURDY.
Carlisle, 26th Aug. 1824.—30-3 t

J. Shinn's Panacea.

THE subscriber having discovered the composition of SWAIM'S celebrated PANACEA, has now a supply on hand for sale, he has reduced the price from \$3 50 to \$2 50, or by the dozen \$24.

All charitable institutions in the United States, and the poor, will be supplied gratis.

If the citizens of the principal cities & towns will appoint an agent to order and distribute this medicine to the poor, it will be supplied.

This medicine is celebrated for the cure of the following diseases:—Scrofula or king's evil, ulcerated putrid soar throat, long standing rheumatick affections, cutaneous diseases, white swelling and diseases of the bones, and all cases generally of an ulcerous character, and chronick diseases, generally arising in debilitated constitutions, but more especially from syphilis, or affections arising therefrom; ulcers in the larynx, nodes, &c. And that dreadful disease occasioned by a long and excessive use of mercury, &c. It is also useful in diseases of the liver.

CERTIFICATES.

I have, within the last two years, had an opportunity of seeing several cases of very inveterate ulcers, which having resisted previously the regular modes of treatment, were healed by the use of Mr. Swaim's Panacea, and I do believe, from what I have seen, that it will prove an important remedy in scrofulous, venereal, and mercurial diseases.

N. CHAPMAN, M. D.
Professor of the Institutes and Practice of Physick in the University of Pennsylvania.

I have employed the panacea of Mr. Swaim in numerous instances, within the last three years, and have always found it extremely efficacious, especially in secondary syphilis, and mercurial disease. I have no hesitation in pronouncing it a medicine of inestimable value.

W. GIBSON, M. D.
Professor of Surgery in the University of Pennsylvania.

Philadelphia, Feb 7. 1824.

JOHN SHINN, CHEMIST.

N. B. For sale, at Smith and Pearsall's, N. E. corner of third and Market streets.
