### To the Printers of the U. States

OF late, the prices of all the materials used in making Printing Types, have been greatly reduced, and the facility of manufacturing greatly increased. The subscriber therefore has been induced to make a proportionable reduction in the prices, which from the first of April, have been as stated in the annexed list.—The character of the Type made at this Foundry is well known to the Trade, who are assured that in regard to the quality of metal, finish, and durability, no deviation has been made.

He has on hand a complete assortment, and can supply any quantity on a short notice; he will be happy to receive the orders of his customers, which will have immediate attention. Merchants who have orders from abroad, can have offices complete with presses, and every thing necessary for a Printing Establishment, put up in the most perfect manner.—Publishers are requested to give this advertisement a place in their papers a few times, to receive payment, \$2, in type, or in the settlement of their accounts.
