Home-coming Preparations

The Missouri Legislature passed a law which would make it unlawful for any person to drive any motor vehicle, except under the immediate control of the person who has such vehicle in his possession, and for any person who shall be found in the possession of any motor vehicle upon the public highways or roads of the state, shall be subject to imprisonment for a term not exceeding six months, or to a fine of not less than $50 nor more than $500, or both, upon conviction.

Newest Patent

The newest patent is a device for regulating the speed of a motor vehicle. It consists of a small lever which is attached to the steering wheel of the car, and a spring-loaded mechanism which automatically adjusts the speed of the vehicle to a predetermined limit. The device is especially useful for safe driving in congested traffic.

Bridegroom Is Given a Real Ride

At the House of Mr. and Mrs. Christian Harrington, the bridegroom was given a real ride. Mrs. Harrington was driving the car, and the bridegroom was seated in the passenger seat. The couple drove around the block several times, and the bridegroom was thrilled with the experience.

SHORTAGE OF MATERIAL

The shortage of material is causing some problems in the construction of the new hospital. The hospital board is working with the state government to try to obtain the necessary materials, but the shortage is still causing delays in the construction process.

SECRET OF SLEEP NOT YET SOLVED

All Scientists Know That It Ab- charges Brain.

Somehow or other, scientists have come to know that the brain is perpetually at work during sleep, but the exact function is still unknown. The brain is, of course, divided into various parts, and each of these has a different function. Scientists have been able to show that the brain is not completely inactive during sleep, but the exact function is still unknown.

Noisy ARCH ENEMY OF SLEEP

At one time, it was thought that noise was beneficial to sleep, but this idea has now been discarded. Noise is now considered to be an enemy of sleep, and efforts are being made to reduce noise wherever possible.

France v. England

France has been asking for a settlement of their conflict with England, but England has refused to negotiate. The French government has been urging a peaceful solution of the dispute, but England has so far refused to consider the idea.
