RICHMOND, Ind. (UPI)—Firemen and police in this southern Indiana community are slowly recovering from the effects of a large fire that destroyed several homes early Sunday morning.

The fire, which started in a garage, spread to several other structures in the area, including a restaurant and a movie theater. No one was injured in the incident, but the cause of the fire is still under investigation.

The damage was extensive, with the loss estimated at several hundred thousand dollars. Several families have been left homeless.

The city has declared a state of emergency, and emergency services are on high alert.

In other news, the city council has approved a new budget for the coming fiscal year. The budget includes funding for several new initiatives, including a new parks and recreation program.

Mary Kennedy Blue tracks beauty and an intense fear of poverty. Almost the last words of her dying sister, Katherine, were, "I want movie stars." If they are married, Katherine, she is married to an actor, Howard Lully, a Hollywood cowboy. If he is not, she is married to a rancher. They're both taking piano lessons and incidentally, has rented herself to the moviemaker Moe Levy, a hatchet-faced, blue-eyed gentleman with a marked cordiality.
