The Sunday Express will be the best paper ever published in Terre Haute.

A Woman's Opinions of the death of General Grant, by Mrs. Ida A. Harper.

Another article of the series of "Vignettes in the War Times."

The streets yesterday were much more lively than they have been for a long time.

The announcement that Mr. Gladstone has recovered his voice and will take the stump in the coming campaign probably struck terror into the hearts of his political opponents.

"Life in the grave like insects upon corn," is said to be one of the poetic fustions of Gath, George Alfred Townsend, upon the death of General Grant.

The last sad rites will today be performed over the remains of General Grant in New York city and the people will pay tribute to his memory throughout every city of the broad land.

A new broom sweeps clean. This holiday with the new administration which is succeeding admirably in ridding the offices of war-weary veterans and peering rank democratic partisans in their places.

The Grant memorial services in this city today will be impressive and the procession an imposing one.

Judge Holman is a civil service reformer of the first magnitude. While on a visit to the Sioux reservation with the congressional committee he refused to take a sleeper during a night's ride for the reason that it would be saddling too much expense upon Uncle Sam.

The letter from Cleveland to Secretary Manning standing in the language of

TALK ABOUT TOWN.

CREDIT WHERE IT BELONGS.—The arrest of Hummer, the notorious horse thief, and the consequent recovery of several valuable horses has, it seems, been placed where it does not belong.

The court in the Hill-Sharon divorce case directed the marshal to see that Miss Hill is kept disarmed until the suit is settled.

Indianapolis is considerably worked up over an effort of the grand jury to ascertain whether or not any member of the city council received money from a street railway corporation for his vote.

A special dispatch to the Express from Washington, published this morning, announces grave disclosures concerning Congressman Lowry, of the Ft. Wayne district.

There is a movement on foot to set apart the first Monday in September as a wage-worker's holiday.

DRILLING THE POLICE.—Sergeant Donnell is making the police force a thoroughly drilled body of men.

FEELING THANKFUL.—The merchants in the vicinity of Third and Main streets are earnest in their praises of Officers Miller, Goodpasture and Triewerker.

A GREAT SHOOT.—A two-day's shoot will be given at Base Ball park next week, the 11th and 12th.

THE KHEDIVE. How He Dresses—His Personal Appearance.—A Good Talker.

Can Hear It Grow. If you listen on a still night you can hear Iowa's corn crop growing.

Innocence of Childhood. Little Girl (ready for bed). Mamma, you tell me a ghost story?

The Only Exception. A Georgia judge said "that the maxim that innocents should be presumed until guilt was proved had one exception, and that was when an angry Irishman was accused of assault and battery."

She Loves to Sing. A poetess writes: "I love to sing when I am glad—song is the echo of my gladness; I love to sing when I am sad, for song makes sweet my very sadness."

Squirrels Stop an Engine. While repairing a locomotive on the Mount Washington railway, the other day, the engineer found the piston-rod would not work, and on examination he discovered that the cylinder, contained nearly two quarts of cherry stones.

Irishmen in Chili. Most of the leading families of Chili, says a correspondent of the Philadelphia Press, are descendants of Irish ancestry.

"Drawing Old Sherman On." Just twenty-one years ago, Tuesday, says the Atlanta Constitution, the first federal shell fell and exploded within the limits of Atlanta.

WIDE AND OTHERWISE.

Saluted him as he walks the streets, With loud acents, Bashed by the boys he meets.

In France, in the summer of 1705, no body ventured out of doors between noon and 4 p. m., and people cooked their dinners by laying the meat on plates in the sunshine.

Edmund Hoyle, the patron saint of old-fashioned whist players, was born over two hundred years ago.

Dr. Brown-Sequard has just received the biennial prize of 30,000 francs from the French Academy of Sciences.

Among the newboys of Rochester, N. Y., are Messrs. Little Bull, Cockey, Chimniganski, Bundle of Bags, Snitner-breches, Evening Soldier, B. B. Beans, Irish Mike, Lick the Devil, Blinkie, Lumber go fetch, Hammark, Strey, Snow shovel, Lo, Sheeny-on-the-block, and Moody-nawdy.

A very clever invention just brought out has been shown a New York manager. By simply turning the handle of a machine a sound is produced resembling the clapping of hands.

A Lake Keuka trout was sold at Penn Yan recently, the weight of which was fifteen pounds.

A Stratford (Conn.) woman, who is a member of the Society for the Prevention of Cruelty to Animals, accuses local Christians of the glorification of the glories of another world.

Actors returning from London report that in all the theaters remaining open the audiences were "thinly scattered to make up a show."

The German railroads have steadily decreased their profits since 1879. The Austrian roads, on the contrary, have slowly increased their net earnings from \$4.9 per cent in 1876 to 4.76 in 1883.

It has just been discovered at Lynchburg, Va., that the sewerage of a populous district of the city flows into the James river above the entrance to the canal.

The Americans upon the committee of the "Imperial and American Club," recently started in London, of which the Duke of Manchester is president.

Colonel Tolver, the Rowan county, Kentucky, desperado, who handed into the patrol wagon by the sheriff the other evening, turned to the crowd and remarked: "I didn't expect any such honor as this."

No shillings have been coined in the United States since the formation of the federal government. Prior to that date the various colonies issued shilling coins.

A French anthropologist has been comparing skulls of men distinguished for uprightness and wisdom with skulls of assassins (sixty-five samples) and of savages.

The total number of men in the Union army in the rebellion was 3,078,558. This included colored troops and those drafted for service.

The natives of Stonington, Conn., assert that it has not rained in the town on the 10th of August for 101 years.

POSTMASTER JONES UNCONCERNED. About Additional Charges.—Another Paper Forwarded to the President by Mr. Swift.

INDIANA'S GRAIN CROP.

Statisticians Peelle's Estimate of the Acreage, Showing a Remarkable Decrease. Statisticians Peelle has received reports from seventy counties in Indiana, giving the acreage of the grain crops for 1885.

These figures indicate a decrease of 169,634 acres in the acreage of wheat; 512 in the acreage of barley and 3,982 of oats. The corn crop, however, is increased 91,023 acres, and oats 17,311 acres.

A Deep-Settled Affliction. Governor Gaston, says the Boston Record, had occasion to send a dunning note to a client whose account was long past due.

The governor, who is a very soft-spoken man, was so touched by the man's evident affliction that he hadn't the heart to ask him for the money, and he sent him away.

Sir Moses Montefiore as a Mason. The Corner Stone. Masonry loses in him the foremost brother and most ancient advance of the craft.

A maiden dimpled, dainty, fair, With hazel eyes and crumpled hair, She promptly answered, "This is kiss, provided that the kissers won't neglect teeth-cleaning SOZODONT."

Accidents will occur even in the best regulated families, and SPALDING'S GLUE should be kept handy.

Stanley says that African sunlight, with all its great heat, appeared to him as a superior moonlight, judging from its effect on scenery.

One Bottle Instead of a Dozen. "And it took only one bottle to do it," said a gentleman, speaking of Parker's Hair Balsam.

A Canadian order of Trappists subsist largely on soup made by pouring the water in which cabbage has been boiled over the pieces of bread.

THE ATLANTIC MONTHLY For 1885. Will be particularly noted its Serial Stories, namely: I. THE PRINCESS CASAMASSIMA.

THE PROPHET OF THE GREAT SMOKEY MOUNTAINS. BY CHARLES EGBERT CRADDOCK, Author of "In the Tennessee Mountains, etc."

THE KOLH-NOOR at Princess Beatrice's Wedding. London Times. Wagner's bridal march swelled from the organ, the four Chamberlains, walking backward, bowed before the queen.

A File of Gold. Fifteen years ago a stage coach coming out of Blackfoot, Idaho, was robbed of 500 pounds of gold dust.

Stonington's Anniversary. The natives of Stonington, Conn., assert that it has not rained in the town on the 10th of August for 101 years.
