

## PLAN WORK ON THE DEKE HOUSE

CONDEMNED FRATERNITY PROPERTY WILL BE REMODELED IF PRESENT PLANS OF MEMBERS ARE CARRIED OUT—PLUMBING SURE TO RECEIVE ATTENTION—PHI GAM HOUSE WILL BE PAINTED AND REPAIRED GENERALLY.

## WILL COST ABOUT \$1200

Plans which, if carried out, will mean the extensive remodeling of the Delta Kappa Epsilon fraternity house at the corner of College avenue and Seminary streets, recently condemned by Dr. Jerome King, city health officer, have been announced by local members of the fraternity. Hubert Webster, superintendent of the buildings and grounds of DePauw university and a member of the fraternity, has made an estimate of the cost of the desired improvements and has submitted it to the alumni house committee of the fraternity. The amount of money that Mr. Webster will have at his disposal for the work will be determined by the alumni and actual work will then be started on the improvement.

It is the intention of Mr. Webster to remove the tower of the house. This part of the building is in such a condition as to be dangerous to the occupants. A new porch that will extend from the front of the house to the middle of the south side is also being planned. The building will likely be painted and the interior redecorated. The cost of the new hardwood floors in the downstairs hall has also been estimated. The refinishing of the main stairway is another improvement planned.

Whether these more material changes are made or not, it is certain that the plumbing of the house will be overhauled and made thoroughly sanitary. The poor condition of the water and drainage pipes was the principal cause of the house being condemned by the health authorities. The cost of the proposed improvements to the Deke house will be in the neighborhood of \$1200.

Local members of Phi Gamma Delta say that work will be started on the painting and general repairing of their chapter house at 1002 south College avenue by August 1. The cost of the improvements to the Phi Gam house will approximate \$200.

## MISS GEORGIA SEWARD IS BRIDE OF RAYMOND FISHER

The marriage of Miss Georgia F. Seward, the daughter of Mrs. Halleck Seward of this city and Raymond S. Fisher was solemnized at the home of Rev. B. D. Beck, pastor of the Locust Street Methodist Church Saturday evening at 8 o'clock in the presence of only a few relatives of the young couple. Rev. Beck officiated.

Both Miss Seward and Mr. Fisher are well-known and popular young people of this city. The latter has been employed at the Jones-Stevens Drug store for several years and has made many friends while employed there. The bride has been employed as book keeper for the Greencastle Telephone company for some time.

The wedding was a surprise to their many friends as no announcement was made of their marriage. They will make their home in south Greencastle.

## A TRAIN HITS HORSE; ANIMAL'S LEG IS BROKEN

A horse owned by Brudner McClellin of north Greencastle, strayed to the Monon tracks at the Jackson street crossing Sunday afternoon about 3 o'clock and was struck by a passing freight train. The animal's right foreleg was broken.

The horse had been hitched near the McGinnis home north of the Monon station when it broke loose. It ran to the tracks despite the efforts of the flagman at the Jackson street crossing to stop it. A freight train which was backing by the crossing hit the animal and knocked it from the track.

Mrs. Ben F. Hays returned to her home in Worthington Monday after spending several days with her parents, Mr. and Mrs. James McD. Hays, of this city.

## BENSON AT CHICAGO TO CONSIDER POSITION

Rev. John G. Benson, pastor of the First M. E. church, who received an invitation Friday evening from Dr. Edgar Blake, corresponding secretary of the Board of Sunday Schools of the M. E. church, to take the position of Superintendent of the Adult Bible Class Department, left last night for Chicago to confer with Dr. Blake and other members of the board.

Rev. Benson has not yet decided to take the position, regardless of the increase in salary, and intimated in his announcement at the church yesterday that if the members would assist him in carrying out his plans here he would rather remain in Brazil to complete his work. He was assured by many members of their active cooperation. Rev. Benson made an address at Ft. Wayne Wednesday evening and returned Thursday.—Brazil Daily News.

Rev. Benson is a DePauw graduate with the class of 1906 and has many friends in Greencastle.

## BAINBRIDGE WILL HAVE LIGHT SOON

TOWN BOARD HAS LET CONTRACT FOR BUILDING DISTRIBUTING STATION TO COST \$2,800—PLANT WILL BE COMPLETED BY SEPTEMBER 1—ROACHDALE COMPANY TO FURNISH POWER.

## THE BOND ISSUE IS SOLD

By September 1 Bainbridge will have electric lights and electric power. The power and light will be furnished Bainbridge by the Roachdale Light & Power Co. Work at building a \$2,800 distributing station in Bainbridge will be begun at once and it is hoped to have the plant completed and the service ready by early this fall.

A contract to furnish power to Bainbridge was made by the town board of that town and the Roachdale company several weeks ago. Under the contract, Bainbridge is to build its own distributing plant, which is the same as an interurban sub-station. In order to build this it was necessary to issue bonds to the amount of \$2,800. The bonds have been issued and sold.

On Monday the Bainbridge town board met and let a contract for the materials and supplies for the distributing plant and for the building of the plant. The Varney Electrical Co., of Indianapolis secured the contract for furnishing the materials and the Roachdale Light & Power Co., will do the work.

The Roachdale company now is building a new \$18,000 power plant. When the plant is completed an entire new set of equipment will be installed.

## PROF. BARNES TO BEGIN WORK AT INDIANA

Professor N. W. Barnes, head of the department of English Composition at DePauw, will leave Thursday for Bloomington to begin his work in the summer school of Indiana university. Prof. Barnes has been chosen by the officials of the state institution to have charge of two classes in English in the annual summer session. One course will be in advanced composition while the other will be in the teaching of English.

Prof. Barnes' work at Indiana will only require part of his time. He will be in Greencastle over week-ends until July 31. At that time he and Mrs. Barnes will leave for a trip through northern Michigan. Prof. Barnes has not announced his plans for the next school year but it is known that he will be away from DePauw on a year's leave of absence.

The work in the English department of DePauw next year will be under the direction of Professor Nicholson. Miss Margaret Keiper will return to continue her work with the freshman composition classes. Miss Ruby Scott, a DePauw graduate, will also have charge of some beginning classes. A successor to E. E. Troxell, instructor in English composition and public speaking has not been chosen but will be announced before long.

Elder and Mrs. C. R. Rollings, of Bellmore, were here Tuesday the guests of Elder and Mrs. Airhart.

## GETS \$350 ON BAD CHECK; IS ARRESTED

JOHN R. WEAVER, A FORMER DE PAUW STUDENT, ARRESTED LATE SATURDAY NIGHT, CHARGED WITH CASHING A FRAUDULENT CHECK AT THE CENTRAL NATIONAL BANK—HAD SPENT \$172 IN A WEEK—CASE SENT TO THE CIRCUIT COURT.

After having spent \$172 in a week, John W. Weaver, age 24, a former DePauw student and first baseman on the varsity team, was arrested late Saturday night on a warrant sworn out by R. L. O'Hair, president of the Central National Bank, charging him with cashing a worthless check for \$350. When arrested Weaver had \$177, which he turned over to Mr. O'Hair.

The check, which was made on the Butler Banking Co., of Hoodriver, Oregon, was cashed by Fred L. O'Hair, assistant cashier of the Central National Bank, on Saturday, June 13. Mr. Weaver took \$50 in cash and three certificates of deposit for \$100 each. He since has cashed all of the certificates of deposit.

Weaver was given a preliminary hearing before Mayor Cooper Monday morning at 10 o'clock and was bound over for trial in the Putnam Circuit Court. His bond was fixed at \$350. A short time after the young man was taken to jail he was released on a bond signed by Thomas T. Moore.

After leaving DePauw in 1911, Weaver, who is a nephew of James Riley Weaver, and who lived here with his uncle for many years, went to Hoodriver, Oregon, where he had a small fruit farm. For the past few months, however, he had been in Tacoma, Washington, engaged in the automobile business.

Weaver arrived in Greencastle from the west on Friday, June 12. The next day he went to the bank and got the check cashed. A few days later Weaver left town going to Indianapolis, where he had the first certificate cashed. When the bank sent the check to its clearing house, it attached a notice on the check notifying the Oregon bank to wire in case the check was not good.

## FORD SKIDS AND GOES INTO DITCH

## NEITHER ONE IS INJURED

When the Ford automobile in which Mr. and Mrs. Harvey Reeves, of Morton avenue, were returning from a week's business and pleasure trip through Vigo, Clay and Parke counties, skidded on some loose gravel near the overhead bridge west of town on Walnut St. pike, Mrs. Reeves, who was driving, lost control of the car and drove it into the side-ditch, overturning the machine and damaging it to the extent of about \$75. The accident occurred shortly before noon Wednesday. Neither of the occupants were injured and the car was righted in a short time and towed to a local garage where it is being repaired.

The damages to the car consist of a bent front axle, a broken rear wheel, a twisted fender and a broken head light. That the damages were not greater and that Mr. and Mrs. Reeves were not more seriously injured was due to the level ground at the place where the accident occurred.

Mr. and Mrs. Reeves had just been complimenting themselves over the success of their trip. Mr. Reeves had met with success in his insurance work at the places visited, the trip had been an enjoyable one from a social standpoint, and no accident had occurred to mar their pleasure.

Saturday morning the bank received a telegram from the Butler Banking Co., saying, "John W. Weaver check for \$350 refused. No account." Immediately the bank officials began efforts to locate Weaver. It was learned that he had returned to Greencastle and that he had driven to Eel River Falls, with Miss Katherine Moore, to spend the day.

When the young people arrived home at near 11 o'clock Saturday night, Marshal Cooper, with a warrant for the arrest of Weaver, was awaiting him at the Moore home. Weaver was taken to the mayor's office and his bond for appearance at the mayor's court on Monday morning was fixed at \$700. The young man made several ineffective attempts to secure someone to go his bond. Finally at near 2 o'clock Sunday morning, Mayor Cooper allowed the young man to go without bond, Thomas T. Moore, guaranteeing to bring him to court Monday morning.

When arrested Weaver told Marshal Cooper that he had sold some property in Hoodriver and that the man who had bought it had promised to deposit sufficient money to cover the check, but that the man evidently had failed to do so. He further said that he had not had an account in the bank for about a year.

Monday morning Weaver waived arraignment and entered a plea of not guilty. The mayor then heard sufficient evidence from the prosecuting witnesses to warrant sending the case to the Circuit Court. The amount of bond, however, was reduced from \$700 to \$350. After the young man was committed to jail, Mr. Moore signed a bond and Weaver was released. It is said that this is the second time the young man has been in similar trouble.

## MERCURY SOARS TO 104 1/2 DEGREES

HOTTEST DAY OF THE SEASON HAS A COOLING BREEZE AS A REDEEMING FEATURE—THERMOMETER REGISTERED 99 DEGREES AT NOON AND ADVANCED TO HIGH MARK AT 2 O'CLOCK.

## COOL WEATHER PROMISED

Although a cool breeze swept the city practically all day the temperature at 2 o'clock this afternoon reached 104 1/2 degrees, breaking all heat records established here this summer.

Only twice before this summer could the temperature be compared with that registered Wednesday. On June 11 100 1/4 degrees. The other high mark was 100. The Shipley thermometer from which the readings are taken is in the shade. The street temperature that afternoon probably was in the neighborhood of 107 or 108 degrees.

The temperature registered at different hours of the day were as follows:

8 a. m.	79 degrees
8 a. m.	85 degrees
10 a. m.	93 1/2 degrees
12 a. m.	89 degrees
1 p. m.	102 degrees
2 p. m.	104 1/2 degrees

## MEETS THE PRESIDENT.

WASHINGTON, D. C., June 23.—Representative Moss introduced three Indiana school teachers to the President. They were: Miss Leonora Alspaugh of Greencastle, Miss Veta Johnson and Miss Margaret Rawley of Brazil.

## SPEND DAY ON RIVER AT OLD FASHIONED PICNIC

Loaded down with large baskets filled with good things to eat and carrying small bundles which some intimated contained bathing suits, a party of more than twenty young ladies of this city left Tuesday morning on the 10:38 interurban for stop 34, near the river, where they spent the day enjoying an old-fashioned picnic. The young ladies had planned to spend the day in outdoor games and in bathing in the river. The party returned to Greencastle on a late evening car.

Those who made the trip are: Misses Anna Shields, Irene Selby, Lois VonBehren, Clara Sharp, Louise Abrams, Margaret Shouse, Julia Sullivan, Helen Sullivan, Helen Broadstreet, Mary Tucker, Bertha Tucker, Marjorie Campbell, Edith Hixon, Irma Grubb, Esther Jackson, Lelia Claire Lammers, Catherine Tillotson, Jeannette Holloway, Hazel Vermillion, Irene Hammond, Dorothy Lockwood, Jessie Gobin and Genevieve Moore.

## CHILD GETS HAND AGAINST MILL SAW

LITTLE SON OF MR. AND MRS. JAMES DILLINGER OF MADISON TOWNSHIP MEETS WITH SERIOUS ACCIDENT IN FATHER'S SAW MILL ON MONDAY MORNING.

## MAY LOSE RIGHT HAND

While shoveling saw dust from a pit under a large circle saw in his father's saw-mill, Kenneth, the 7-year-old son of Mr. and Mrs. James Dillinger, who live in Madison township, seven miles west of Greencastle, got his right hand against the saw and it was almost cut in two. All of the tendons of the hand and several of the bones were cut in two.

The accident occurred at about 11 o'clock Monday morning. The lad was attempting to assist his father in the mill when he met with the accident. Dr. W. R. Hutcheson immediately was called. When he reached the home he found the condition of the lad so serious that he called Dr. Sudranski. The physician worked several hours in dressing the hand. The tendons were spliced and the bones set, in an attempt to save the hand. Although everything possible was done it is feared by the physicians that the lad may have to have the hand amputated.

## ENTERTAINS WITH THREE COURSE BREAKFAST.

Mrs. Lucy Black delightfully entertained twenty-one ladies at 8 o'clock this morning at her home at the corner of College Avenue and Seminary with a three course breakfast in honor of her sister, Mrs. Helen Forsyth, of Paris, Ky., and her niece, Mrs. Albert Bourne, of Mt. Sterling, Ky., who are her guests for several days. The time before and after the breakfast was spent in social hour and those present pronounced the affair a most enjoyable one.

Decorations for the breakfast consisted of snap dragons, gladiolas, thistles, and other flowers of the season. The place cards were in the form of small folders. Upon each one of these was printed a conundrum and after guessing the answer, the guests were told to loosen a small ribbon of paper on the inside, underneath which was found the answer of the accompanying conundrum.

Those who were present, besides Mrs. Black and her two guests, were: Mrs. Charles Barnaby, Mrs. Harry Smith, Mrs. Charles Arnold, Mrs. C. T. Zaring, Mrs. Frank Gilmore, Mrs. W. L. Denman, Mrs. R. L. O'Hair, Mrs. Clara Lammers, Mrs. Frank Donner, Mrs. S. B. Town, Mrs. J. B. Nelson, Mrs. O. F. Overstreet, Mrs. G. R. Goss, Mrs. F. C. Tilden, Mrs. Frank Coss, Mrs. W. W. Tucker, Mrs. Frank Bittles, Mrs. Demetrius Tillotson, Mrs. John R. Miller, Miss Josephine Donnohue, and Mrs. J. L. Scripps, of Rushville, Ill.

J. C. Blackman, of Paris, Ill., has bought what is known as the John O'Brien farm in Washington township, and will move to the place, from Illinois, in September.

## WILL CONSIDER INJUNCTION SUIT

MEETING OF THOSE OPPOSED TO CONSTRUCTION OF NEW HIGH SCHOOL BUILDING IN GREENCASTLE WILL BE HELD IN COURT HOUSE SATURDAY EVENING AT 7:30 O'CLOCK—PLAN IS TO SECURE FINANCIAL BACKING.

## FIGHT IS NOT OVER YET

## NOTICE.

THE parties opposing the new high school building in its present form and heretofore agreeing to back the contemplated law suit will please meet in the assembly room of the court house at 7:30 o'clock Saturday evening to discuss the matter. We have until July the first in which to act. The building can be defeated beyond a doubt if the required backing is put up. JACKSON BOYD.

The above call for a meeting of those opposed to the construction of a new junior high school building in city was issued Wednesday morning by Jackson Boyd, the local attorney who has taken the lead in the fight against the Greencastle school board. Upon the success of the meeting in accomplishing its desired purpose, depends the future of the proposed injunction suit to prevent the school board from selling the bonds that it has advertised for the construction of the new building.

Those who favor the new improvement stated Tuesday that there was now little likelihood that the suit would be filed owing to the lack of funds to push it, but Mr. Boyd and his constituents deny that the plan has been given up. Nor will it be, they say, until the meeting Saturday evening fails to interest a sufficient amount of capital to finance the proposition. Until that time the fight promises to be rather quiet, but if the opposition is successful in the meeting Saturday evening, one of the hardest fought legal battles in the matter of civic affairs in Greencastle will probably be started.

## BALL PLAYER SLIDES HOME; LEFT LEG IS FRACTURED

In a slide for the plate in a baseball game at Jordan, a small town in Owen county, Bence Dagg, the son of Frank Dagg, of Manhattan, broke his left leg above the ankle Sunday afternoon.

Dagg was playing with the Manhattan team at Jordan when the accident occurred. He was taken to his home near Manhattan and Dr. W. R. Hutcheson attended him. He is well-known in this city, having attended the local high school and graduated in the class of 1911.

## CHARLEY REEL WILL BE THE POSTMASTER AT REELSVILLE

The announcement has been made in Washington that Charley Reel, of Reelsville, has been appointed postmaster at Reelsville. Mr. Reel, who now is serving as a member of the county board of equalization, was appraised by his appointment Tuesday morning by other members of board who had seen the announcement in a morning paper. There were several applications for the appointment, which was decided by a competitive examination, as required in offices of the class of that in Reelsville.

## ST. LOUIS TO GREENCASTLE ON MOTORCYCLE IN 7 1/2 HOURS

From Greencastle to St. Louis by train is 200 miles. By the National Road it is 235. It takes a train nearly six hours to make the trip, so Leslie Vandament, local motorcyclist, feels that he made pretty good time when he covered the distance from St. Louis to Greencastle in just seven and one-half hours. Owing to the fact that there had been no rain for some time, the dirt roads of Illinois were covered with over half a foot of dust, which made difficult riding at times. It may surprise some people to learn that it took only three gallons of gasoline to make the trip.

# HOW WOMEN AVOID OPERATIONS

By Taking Lydia E. Pinkham's Vegetable Compound.

Cleveland, Ohio—"My left side ached me so for several years that I expected to have to undergo an operation, but the first bottle I took of Lydia E. Pinkham's Vegetable Compound relieved me of the pains in my side and I continued its use until I became regular and free from pains. I had asked several doctors if there was anything I could do to help me and they said there was nothing that they knew of. I am thankful for such a good medicine and will always give it the highest praise."

Mrs. C. H. GRIFFITH, 7305 Madison Ave., Cleveland, Ohio.

Hanover, Pa.—"I suffered from female trouble and the pains were so bad at times that I could not sit down. The doctor advised a severe operation but my husband got me Lydia E. Pinkham's Vegetable Compound and I experienced great relief in a short time. Now I feel like a new person and can do a hard day's work and not mind it. What joy and happiness it is to be well once more. I am always ready and willing to speak a good word for the Compound."—Mrs. ADA WILT, 196 Stock St., Hanover, Pa.

If there are any complications you do not understand write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

## DIVORCE SUIT FILED IN PUTNAM CIRCUIT COURT

Alleging that his wife is guilty of cruel and inhuman treatment, and that she had often times threatened to strike him with kitchen utensils, Hiram Kellar filed a suit for divorce from his wife, Lydia Kellar, in the Putnam Circuit Court, Thursday afternoon.

Kellar also alleges that his wife is neglectful of her household duties. He claims that he is an invalid and is unable to do manual labor but his wife often times demanded that he go to work. He said that she, on several different occasions, became angry and broke the dishes and household furniture. He asks for an absolute divorce.

The couple have been separated twice. They were married in 1897 and were separated two or three years later. He said he was persuaded by his wife to return and reside with her. Mr. and Mrs. Kellar reside at Cloverdale. Allee, James & Allee are the attorneys for the plaintiff.

A cross-complaint was filed by Mrs. Kellar this morning, in which she asks for the divorce, \$1000 in alimony, her attorney's fees and that the court order Kellar to pay a large doctor bill which she owes. She alleges that her husband is guilty of cruel and inhuman treatment and that she has on two different occasions threatened to take her life and told her that it would give him joy to kill her. Jackson Boyd is the attorney for Mrs. Kellar.

## L. G. WRIGHT ATTENDS CONVENTION AT TERRE HAUTE

County Superintendent L. G. Wright was in Terre Haute Thursday where he attended today's session of the annual convention of the County Superintendents' Association of Indiana. The convention was opened last night in Normal Hall, and after an address of welcome by Dr. W. W. Parsons, president of the Indiana State Normal, and a response by President Lee L. Driver of the association, an informal reception was tendered the visitors. It was learned that most of the superintendents are furthering a move to make Indianapolis the convention city in the future. It is believed the movement will take tangible shape before the business meetings close. It is expected there will be a complete change of officers at the election Friday morning. Lee L. Driver, superintendent of Randolph County, probably will be succeeded by a Democrat as president of the association.

## Added Gifts for Gymnasium.

Pledges to the amount of \$6,000 have recently been received by officials who have charge of the campaign for funds to be used in the construction of a new \$100,000 gymnasium at DePauw university. Dr. C. U. Wade, endowment secretary, has announced a gift of \$5,000, while the DePauw Alumni Society of Chicago has pledged \$1,000 as a society. Besides this amount the society is soliciting its members for gifts of \$10 each as individuals.

# CUTS RATES ON WATER USED AT RICHMOND, IND

PUBLIC SERVICE COMMISSION DECIDES THAT DOMESTIC CONSUMERS SHALL PAY 20 CENTS A THOUSAND GALLONS AND NOT BE CHARGED \$10 FOR TAPPING MAINS—VALUATION OF PROPERTY FIXED AT \$750,000, WHEREAS ENGINEERS FOR COMPANY CONTENDED IT SHOULD BE MADE \$1,000,000.

## BAN ON FREE SUPPLY

Deciding the first water case since its organization, the Public Service Commission Thursday afternoon announced a readjustment of the schedule of rates to be paid by patrons of the Richmond Water Works at Richmond. The new schedule will become effective June 30.

The rate for 3,300 domestic consumers, using water by meter, is reduced from 25 to 20 cents for each 1,000 gallons consumed. Other meter rates are changed. The annual meter rental fee is reduced from \$3 to \$2, and a fee of \$10, heretofore charged for extending service pipes and tapping a main, is eliminated entirely. Hereafter the city will be required to pay for all water consumed because the utility act is opposed to discriminations being permitted. The company has been supplying the city annually with about 100,000,000 gallons of free water which has been used in school buildings, hose houses and public fountains. The commission made no change in flat rates for domestic consumers which now range from \$3 a year for one room to \$9 a year for an eleven-room house.

## General Questions Decided.

The decision is one of the most important made by the Public Service Commission, because it decided several questions which must be considered in passing on all petitions bearing on water rates. Petitions for a change in water rates at Vincennes and Greencastle already are pending.

The new rates at Richmond for service measured by meter are as follows:

For the first 3,000 gallons used each month, 20 cents for each 1,000 gallon consumed; for next 7,000 gallons, 15 cents for each 1,000 gallons; for next 80,000 gallons, 12½ cents; for next 910,000 gallons, 8 cents; for next 1,000,000 gallons, 7 cents; for next 2,500,000 gallons, 6 cents; for all in excess of 2,500,000 gallons used each month, 5½ cents.

The city of Richmond shall pay \$55 a year for each fire hydrant maintained. A similar rate shall be paid on three hydrants in Spring Grove; two hydrants at Reid Memorial Hospital, and one hydrant in Bealview, all located outside the corporate limits of Richmond. The annual rate for fire hydrants at Earlham College and at the Wernle Orphans' Home shall be \$30.—Indianapolis Star.

Richmond is a city of approximately 22,000 inhabitants. Members of the city administration and those who have followed the Greencastle case are of the opinion, that if the commission rules on the Greencastle case as it has in the Richmond case, allowing the company 6 per cent. interest on its investment after operating expenses and deprecations are paid, an increase in rates will be ordered here. The Richmond decision fixes the meter rate at 20 cents for each 1,000 gallons of water consumed. Greencastle now is paying 30 cents for each 1,000 gallons.

## Funeral of L. A. Dobbs.

The funeral of the late L. A. Dobbs, one of Putnam's county's best known young farmers, whose death occurred at his home in Mill Creek township, Wednesday afternoon, was held from the Stilesville Christian church at 10 o'clock Thursday morning. Burial was in the Stilesville cemetery. The funeral was largely attended. The services were in charge of Elder C. L. Airhart and Elder Masten.

County Clerk Hamrick Thursday received notice from the officials of the Indiana State Reformatory at Jeffersonville, of the final discharge of two Putnam county men who were sent there several years ago. Zack Marsh, a colored man, who was sentenced to the reformatory in 1908 when found guilty of grand larceny was paroled one year ago and has just received his final discharge. John Miller was sentenced to Jeffersonville in 1912 and received his discharge several days ago. He was found guilty of petit larceny and formerly resided near New Maysville.

# DECLARES TOWN AS BAD AS CITY

PROFESSOR R. B. VON KLEIN-SMID, IN ADDRESS BEFORE SUNDAY SCHOOL CONVENTION, SAYS SIN COMES FROM FAILURE TO MEET PLAY INSTINCT—SPEAKER ADVOCATES TEACHING SEX HYGIENE IN SUNDAY SCHOOL WHEN PARENTS NEGLECT TO INSTRUCT CHILDREN.

## IDLE CHURCHES CRITICISED

That there is as much sin in the square foot in the village as in the worst slums of the great cities was a declaration made by R. B. von Klein-Smid at closing meeting last Thursday afternoon of the secondary department of the Indiana State Sunday School Association held in Indianapolis. Mr. von Klein-Smid is secretary of the American Association of Clinical Criminology, associate superintendent and director, department of clinical research, at the Indiana Reformatory at Jeffersonville, and head of the department of Education and Psychology of DePauw university.

The cause of the sin the speaker laid to the same source in both village and city—the lack of sufficient opportunity for meeting the play instinct in the growing youth.

"We, who have been dealing with the religious development of the young people," he said, "have handed too many of the good things of life over to his satanic majesty. If there is anything in amusement that meets the instincts of the young people, let's claim it and use it. No doubt there is more than one German toe and one German heel in this audience that wants to join in your applause and likes to trip it, and I do say that if that is not a bad instinct we should take hold of it, purify it and give it out to the young people."

He asserted that the cry raised against school property lying idle 70 per cent. of the time is just, but he declared that the churches are even more open to criticism because their property stands idle 75 per cent. of the time. The church property, he asserted, should be in use seven days each week and as many hours in the day and night as it can serve the community. If the church people can not get the city authorities to provide parks, good motion pictures and band concerts where the whole family can revel in play, then it is the duty of the church to provide such amusement, he said. Through no other instinct is the character so molded as through the proper development of the play instinct, he maintained.

The Sunday school teacher, he declared, who is not on to his job every hour of the week, both day and night, should be out digging ditches and should allow some person with a broader soul to take his responsibility with the young people.

Curiosity, said the speaker, also is one of the natural instincts and must be met by the church if it does not come through the home. In touching on the subject of sex hygiene he said the father and mother are the only persons rightly fitted for such instruction, but that if there must be a substitute there is none better than the Sunday school teacher in whom the boy or girl has absolute faith. Some of the best men and women specialists in the country, he said, are giving their lives to such instruction, but there must be a certainty that from such instruction comes moral re-acton.

Madison Democrat Sold. MADISON, Ind., June 17.—Eldie Troxell, a Republican of Greencastle, and Herbert Moore, Democrat of New Albany, today bought the Madison Democrat, Progressive, and by agreement will continue its publication this campaign as a Progressive paper and then will make it independent.

# AUTOMOBILE AND BUGGY TURN OVER

MACHINE DRIVEN BY STRANGERS AND BUGGY DRIVEN BY CLAUDE ELROD, MEET ON GRADE JUST WEST OF STILESVILLE FRIDAY—HORSE SCARES WHEN MACHINE GOES INTO DITCH.

## NONE ARE BADLY INJURED

When the driver of an automobile became confused as he attempted to pass a buggy driven by Claude Elrod and drove his car over the bank of the long fill just west of Stilesville of the bank none of the occupants of either were badly injured. Mr. Elrod, with his wife, daughter and mother, were returning to the home in Mill Creek township from Stilesville, when they met the touring car, in which four were riding. The two met on the narrow fill and the driver of the automobile went too far to the side of the road and his machine went over with a crash. This scared the horse and the buggy, too, went over on the opposite side.

The machine was only slightly damaged, its occupants being able to get it back on the road and go on their way. The driver of the machine had his right arm badly bruised. None of the others, however, received anything more than slight bruises and cuts. The occupants of the machine were strangers and did not give their names to Mr. Elrod. No one was held responsible for the accident. Mr. Elrod's buggy was slightly damaged.

## An Able Tooter.

It is a demonstrated fact that at times, under certain circumstances, automobile horns go wrong—the old time tooters are about as unreliable as the new fangled electric screechers. One of Greencastle's automobilists realized this fact recently, when his horn connections "short circuited" and refused to make a noise just at the time he wanted it to make the most noise. He was moved to anger, but later reasoned out the fact that no one was to blame; the real trouble had been that he was lacking in initiative and forethought. When he got back to town he bought an able bodied tin dinner horn, which he now carries with him on his automobile trips, and it clears the road every time, when all other means fail. For full particulars see Dr. G. W. Bence.

## BLOOMINGTON PLANS TO SELL ITS WATER WORKS

BLOOMINGTON, Ind., June 19.—At the request of the city council, John P. O'Donnell, city attorney, is preparing an ordinance which will be presented at the meeting of the council next Tuesday night, to authorize the city to dispose of the municipal water works plant to a private corporation.

Mayor Harris said today that he did not believe the city could afford to take any more chances on a water famine.

## Divorce is Granted.

Katie Pearl Person was granted a divorce from her husband, Henry Persons, by Judge Hughes of the Putnam Circuit Court on Saturday morning. The wife asked for the custody of their son, \$200 in alimony and for \$100 a year for the support of the child. The cross-complaint filed by Attorney Jackson Boyd for the husband was withdrawn. Neither the mother or father was given the custody of the child. It will be kept by both parties as is ruled by the court.

The Madison township commencement exercises which will be held at the Pleasant Hill Church, five miles west of the city next Saturday evening completes the programs for the commencement exercises of the township schools of the county. Rev. A. M. Hootman, pastor of the Christian church of this city, will deliver the commencement address. Barton W. Shipley, of this city, who has been traveling in vaudeville for several years and who is a musician of some note, will furnish the music for the commencement program. Miss Marguerite Callander, a well-known elocutionist of this city, will be included on the program and will render a number of readings. A number of people from this city will attend the exercises.

# NEED FOR HELP EVEN IN SUMMER

GREENCASCADE'S ORGANIZATION FOR THE PROMOTION OF HELP AMONG THE NEEDY WILL NOT DISCONTINUE ITS WORK BECAUSE OF HOT WEATHER—L. H. DODD, GENERAL SECRETARY, BEING HANDICAPPED IN HIS WORK BECAUSE OF LACK OF FUNDS.

## MEETING AT CITY LIBRARY

That the work of the Greencastle Civic League will be continued with increased zeal even during the summer months, was a decision of the executive board of the league in a meeting held in city library Friday night at 7:30 o'clock. The meeting was held to review the work done by the league during the past several weeks and to lay plans for the future.

According to a report of the officers of the league, there is much need for the help of Greencastle citizens this summer. This is in spite of the fact that the hot weather will not make it necessary that the league supply needy families with fuel and winter clothing. Many heads of families are out of work, it is said, and this fact will make it necessary that the league come to the aid of the people who, in many cases, are suffering from a lack of food.

"I cannot believe that many Greencastle citizens of means realize that there is any suffering to speak of in Greencastle at the present time," said Mrs. John R. Miller, recording secretary of the league to a representative of The Herald this morning. "If they did," she continued, "I am satisfied that we would have more money than we could use. As it is, it keeps us busy making enough collections to continue the work of the league in any kind of an efficient manner."

One case was reported at the meeting Friday night that shows the need of the league for funds with which to continue its work. A few days ago a family passed through Greencastle that was in great financial straits. The father had been thrown out of work in a western city and he and the mother and several children were on their way East where he expected to be employed. The mother, who was sick, had not slept for two nights and the children were crying for food. When their condition was discovered, the civic league took charge of them. Transportation was secured from Trustee George Landes and the officers of the league secured provisions and a limited amount of money with which they could continue their journey. The family had evidently never received help before and they were extremely thankful. This case of need is duplicated almost every day, it is said, both among Greencastle people and those from other places.

The league, in its meeting Friday night, commended L. D. Dodd, general secretary, for his efficient work with the league. According to Mrs. Miller, Mr. Dodd is kept busy calling on families that are in need of help.

A report of Miss Wilhelmina Lank, treasurer, showed that the funds of the league had been greatly depleted during the winter months. Several dollars that have been subscribed towards the work of the league have not been collected and the officers are being handicapped because of this. Those who have subscribed will be urged to make a special effort to pay the money as soon as possible.

## Will Move Bakery.

The Pearson Bakery will move from the room on Walnut street, opposite the postoffice to the room formerly occupied by Robert Hanna on east Washington street next Saturday.

The room is being remodeled this week. New machinery will be installed in the new room. The room on Washington street is much larger than the one now occupied by Mr. Pearson, and much more material may be turned out. A new electrical mixing machine will be installed in the new room the first of August.

Thomas A. Bogle, DePauw's popular football coach, was a visitor here last week. Coach Bogle has just returned from a trip through the West where he went on business, and incidentally to get a line on some prospective college athletes. Bogle says that DePauw will have one of the largest football squads in the history of the school next fall and that if promising material counts for anything the college will be represented by an even stronger team than the one of last year. Coach Bogle will leave soon for his home in Arg Arbor, Mich., and will later go to Detroit where he will spend the summer.

# FIRE DAMAGES RESIDENCE OF C. C. LEACHMAN

A BLAZE BELIEVED TO HAVE BEEN STARTED FROM ELECTRIC LIGHT WIRES PARTIALLY DESTROYED THE RESIDENCE OF C. C. LEACHMAN THURS AFTERNOON—FIREMEN HAVE STUBBORN FIGHT WITH BLAZE—LOSS WILL AMOUNT TO SEVERAL HUNDRED DOLLARS.

## LAY MANY FEET OF HOSE

A blaze which is believed to have started from electric light wires partially destroyed the residence of Mr. and Mrs. C. C. Leachman on Franklin street early Thursday afternoon. Almost the entire roof was burned off the house and the interior was badly damaged. The loss will probably be five or six hundred dollars.

The fire was discovered by Mrs. Leachman about 12:45 o'clock when she smelled the smoke, while sitting in the front room of the house. She ran to the yard and found the rear of the house ablaze. A telephone call was sent to the fire department. The fire had gained a great headway when the firemen arrived at the scene.

The firemen were severely handicapped by the lack of hose. Two long lines were laid from the corner of Washington and Bloomington street and the corner of Locust and Franklin streets. Every foot of hose was stretched from the two plugs. A two-inch line of hose was attached to one large line. The small stream was played on the blaze through a large hole cut in the roof of the house and proved to be very effective in fighting the fire. The blaze was extinguished after a hard fight of an hour's duration.

A great crowd gathered at the scene of the fire shortly after the alarm was sounded. Neighbors and other men carried all the household goods from the burning building and practically all was saved without damage to any great extent. The loss was confined to the house only and will probably amount to several hundred dollars. Insurance to the amount of \$1600 was carried on the house with \$300 on the household goods.

A second alarm was sent in from the Leachman home shortly after the fire department had returned to the station. This blaze was extinguished, however, before the wagons could again reach the scene of the fire.

## GREENCASCADE GRAYS ARE DEFEATED BY CLOVERDALE

By bunching hits in the fourth inning of a game played at Cloverdale Friday afternoon, the team of that town gained a lead over the Greencastle Grays which was never overcome. The score was 12 to 7. The local players were unable to hit the offerings of Evans, the Cloverdale pitcher, with any regularity and were unable to overcome the lead gained by the south Putnam aggregation early in the contest.

The Cloverdale batters bunched hits off Moore, the local pitcher in the first three innings of the contest and piled up a total of 8 runs in those frames. Runyan, for Greencastle, in the fifth inning led off with a two-base hit over the right field fence. He stole third and scored on an infield hit. Again in the sixth the local batters were able to connect with three hits, and aided by two misplays by the Cloverdale players, scored 4 runs. Two runs scored in the seventh, ended the scoring for Greencastle.

Evans pitched a good game for Cloverdale and kept the hits off his delivery well scattered. He received poor support by the team-mates and the scoring of several runs was the result of their misplays. Moore, for the locals, received ragged support and coupled with his poor control spelled defeat for Greencastle.

The locals will probably play the Bainbridge team at that town July Fourth. The merchants of that town are planning for a big celebration for July Fourth. They have arranged for a horse show that day, a ball game in the afternoon and fireworks at night. The locals lined up as follows: Edwards and Anderson, catcher; Moore, pitcher; Burton, first base; W. Welch, second base, Hannaman; shortstop, C. Stegmiller, third base; Runyan, left field; Monnett, center field; Atwood and Giannham, right field.

Mr. and Mrs. W. O. Timmons and Mr. and Mrs. Carl Confer motored to the Shades of Death in the Timmons machine Sunday.

# End of the Season Sale

## Sale Begins Saturday, June 27th

The Merchandise offered in our "End of the Season" or Tag End" sale is regular merchandise—dependable merchandise—the sort you buy of us twelve months in the year—

**The reason for the very low prices--for the very decided reductions in price is-- It is the end of the season--**

And we must as good merchants do—**WE MUST CLEAN HOUSE**— And so— you who have been waiting, hoping to buy **Desirable Dress Goods**—**Ready-to-Wear Clothes for Women and Girls**—**Carpets, Rugs and other House Furnishings**—

**CAN BUY NOW AT A VERY MARKED SAVING OF MONEY—**  
**Sale Begins Saturday, June 27--**

### NOTICE

The low prices are not confined to any one department or to the comparatively few items listed in this ad—but all over the store—on every floor in every department are worthy bargains—desirable merchandise at reduced prices.

Thin Shirt Waists are Very Cheap— About 75 lingerie waists— of crepe, voile and lawn— trimmed in lace and embroidery. Low neck, round or square—short sleeves, open back, sizes up to 44— formerly \$1.00 and \$1.50. Tag end sale, price 50c.

DO YOU TAKE THE HERALD?

We want to thank our city firemen for their quick and efficient work in handling one of the most stubborn of

fires, thereby saving our home for us. Also we thank Robert Hanna, Virgil Grimes, William Bolton, Jack Bridges

and scores of friends for their assistance and sympathy. C. C. Leachman and Family.

CLAIMS VICTORY FOR TEMPERANCE

MRS. CULLA J. VAYHINGER, IN MASS MEETING ADDRESS SUNDAY AFTERNOON, SAYS THAT LIQUOR FORCES ARE LOSING GROUND IN THE UNITED STATES—BELIEVES THAT WOMEN'S SUFFRAGE WILL COME SOON AND THAT STATE AND NATIONAL PROHIBITION WILL FOLLOW.

A FORCEFUL SPEAKER

That a majority of the people of Indiana are in favor of women's suffrage and that a clause in favor of a movement will be introduced into the constitution of the state provided the proposed constitutional convention is called, was the belief expressed Sunday afternoon by Mrs. Culla J. Vayhinger, former president of the Woman's Christian Temperance Union in America, in her address before a mass meeting held Sunday at 2 o'clock in the Locust Street Church.

Sunday's meeting, which was only slightly well attended, was held under the auspices of the Flying Squadron of America. This organization, now the midst of a nation-wide fight for constitutional prohibition, is made up of the combined forces of 97 churches that have previously fought single-handed for the cause of temperance. It was organized last fall and is led by former governor J. Frank Hanly.

Mrs. Vayhinger proved herself a speaker of more than ordinary force of intelligence. Her address was a careful consideration of the liquor problem from the political standpoint rather than from the one of whether the traffic is right or wrong. She spoke in the interest of no political party, however, and this fact was met with the hearty approval of those who heard her.

Mrs. Vayhinger spoke at length on the prospects of victory for the temperance forces. She cited two large cases of the middle west as proof of her contention that the liquor forces are rapidly losing ground. In one of these, she said, brewery stock can be purchased at thirty cents on the dollar, while a group of brewery men the other were refused in their invitation to a number of Chicago capitalists to invest money in a new brewery. Under these conditions, she said, are the signs of the growing sentiment against the liquor business. West Virginia, Virginia and Colorado were named as states that are just now ready to close their saloons.

The Hobson resolution which favors the temperance forces and which is now before congress was also considered by Mrs. Vayhinger. In speaking of this resolution the speaker attempted to shame the church and temperance people of Indiana because it is reported that all but two of the members of congress from Indiana will vote against it. This, she said, is because the people of the state do not favor the resolution have not let their representatives know where they stand on the question. Mrs. Vayhinger refused to state who the two members are who will vote for the Hobson resolution.

The internal revenue system employed by the government in connection with the liquor traffic, was assailed by Mrs. Vayhinger as one that makes Uncle Sam a partner in the business.

W. C. Van Arsdal was the chairman of the meeting Sunday. In his opening remarks he asserted that the liquor forces were the greatest enemies of women's suffrage today and that the Pennsylvania railroad never did a greater thing to promote efficiency than it did when it demanded that all its employees be total abstainers. The address by Mrs. Vayhinger was preceded by a rousing song served under the direction of a representative of the Flying Squadron.

Hendricks Funeral Tuesday.

The funeral of James Hendricks, whose death occurred at the home of his mother in Putnamville Monday morning, was held at the Methodist church at that town Tuesday morning, at 10 o'clock. The interment was in the Putnamville cemetery.

Mr. Hendricks suffered an injury to his hand several days ago and an attack of lockjaw followed which resulted in his death. In an attempt to save his life one finger was amputated from the injured member but he was not benefited by the operation. Mr. Hendricks was one of the best grown farmers in the vicinity of Putnamville.

OPERATION FAILS TO SAVE HIS LIFE

DEATH OF CLYDE B. BROADSTREET, AGE 24, ONE OF GREENCASTLE'S MOST PROMISING YOUNG BUSINESS MEN OCCURS IN METHODIST HOSPITAL IN INDIANAPOLIS MONDAY NIGHT, FOLLOWING ILLNESS OF APPENDICITIS.

The death of Clyde B. Broadstreet, age 24, son of A. G. Broadstreet, of Cloverdale, manager of the A. G. Broadstreet & Son Implement Co., of this city, occurred Tuesday morning at 2 o'clock in the Methodist Hospital in Indianapolis, following an operation for appendicitis on Sunday night. The body was taken to Cloverdale for burial.

The death of Mr. Broadstreet comes as a great shock to his many friends in Putnam county. For many years he was associated with his father in the implement business in Cloverdale. About six months ago he came to Greencastle and established the Greencastle store of the A. G. Broadstreet & Son company.

In his few months as a resident of Greencastle he had established himself as a hustling young business man and his geniality and personality gained for him a large circle of business and social friends.

The illness of the young man was of short duration. He was first taken ill while at work in his store on Friday afternoon but did not go to his room until Friday evening. Saturday his condition was worse and after a consultation between Dr. C. T. Zaring and Dr. W. W. Tucker it was decided that an operation was the only

hope of saving the young man's life. His father was notified and, together with the young man's stepmother and sister, Miss Merle, came to Greencastle. Saturday evening the young man, accompanied by his parents and sister, and Dr. Zaring, was taken to the Methodist Hospital, in Indianapolis.

Dr. Thomas Noble, the surgeon called in the case, decided upon an immediate operation, which was performed at about 1 o'clock Sunday morning. Dr. Noble stated that the case was one of the most critical he had had to deal with in many months.

On Monday the condition of Mr. Broadstreet was reported to be satisfactory but toward evening he became worse and death followed early Tuesday morning.

The body was brought to this city this afternoon on the Big Four train arriving here at 2:01 o'clock and was transferred to the Monon station and taken to Cloverdale on the passenger train leaving here at 2:41 o'clock. The funeral was held at the Cloverdale cemetery Wednesday afternoon at 3:30 o'clock. The B. P. O. Elks, No. 1077, of this city, of which the deceased was a member, attended the funeral in a body. Mr. Broadstreet was also a member of the Mason lodge at Cloverdale.

MOTOR TRUCK FOR FIRE DEPARTMENT

CITY COUNCIL IS SERIOUSLY CONSIDERING THE PURCHASE OF NEW FIRE FIGHTING APPARATUS TO REPLACE FAITHFUL "OLD DOBBINS"—WOULD COST IN THE NEIGHBORHOOD OF \$3,000.

SPECIAL MEETING CALLED

That the two prancing bay fire teams and the rumbling of the city fire department will be superseded by a bright shining motor truck, bedecked with ladders and chemical apparatus, is probable. The purchase of a truck was one of the most important topics discussed at the regular meeting of the council Tuesday evening. All the councilmen expressed themselves as being in favor of the improvement but no action was taken in the matter.

A fire truck, the council believes, will do away with much expense in keeping up the fire department. A representative of the Howe Engine company, A. B. Gough, of Indianapolis, was present at the meeting and quoted a price on a motor fire truck. A large machine equipped with one large chemical tank, two smaller ones and two extension ladders, and a roof

ladder was priced at \$3,250. Without the large chemical apparatus the machine was priced at \$2750. The truck is a large one and will carry several hundred feet of hose and as many firemen as can be loaded on. The speed of the machine is 35 miles an hour.

The upkeep of a truck would be little. The machine is guaranteed for one year and any breaks will be repaired free of charge by the company selling the machine. Expense, other than the gasoline, would be very small. The councilmen figured that it costs about \$600 each year for feed for the fire horses. They believe the money saved by doing away with the fire horses would, in three years, pay for the motor apparatus. All councilmen expressed themselves in favor of the installation of the motor truck at the fire department. The matter probably will be settled at the next meeting of the council, which will be held July 14th.

County Attorney C. C. Gillen was present at the meeting and asked that the council give the county board of commissioners permission to build a short strip of roadway from the Monon railroad north to the corporation line, on the Greencastle-Crawfordsville road. A petition was recently presented to the board of commissioners for the improvement of the road. The board probably will let the contract for the construction of the road at the meeting the first Monday in July. Mr. Gillen assured the council that the improvement would be paid from the money received from the sale of the road bonds. The council refused to take any action in the matter until the board of commissioners had made

Purdue University Sends Out Warning To Farmers

Vaccinate your hogs and use every preventive measure possible in order to keep the disease from spreading. The vaccination of a hog by the single method consists in giving it anti-hog cholera serum. The immunity conferred by this method may not last longer than four weeks. The vaccination of a hog by the double method consists in giving it anti-hog cholera serum and cholera blood. The vaccination of a cholera hog that shows noticeable symptoms, or an abnormal body temperature consists in giving it anti-hog cholera serum. The following doses of serum are recommended in the simultaneous vaccination work. Pigs weighing from fifty to one hundred pounds receive one-half a cubic centimeter per pound of

body weight. Hogs weighing from one hundred to three hundred pounds receive from fifty to ninety cubic centimeters. Pigs weighing less than one hundred pounds receive one cubic centimeter and hogs weighing more than one hundred pounds, one and one-half to two cubic centimeters of hog cholera blood. The regions into which the serum and virulent blood are injected are the insides of the thigh, within the arms, and the sides of the neck. Two hypodermic syringes holding about twenty cubic centimeters and six cubic centimeters, and having short, heavy, seventeen to eighteen gauge, slip-on needles should be used. Use the small syringe for injecting the virulent blood. The hog cholera blood should be injected into a dif-

ferent region than the serum. The injection of the blood and serum well beneath the subcutaneous tissue or into the muscles of the thighs. In vaccinating small pigs, not more than five, and in large hogs, not more than twenty cubic centimeters should be injected at any one point. The body temperature of the hog should be taken. A body temperature of 104 degrees F. in a young hog and a body temperature of 103.5 degrees in F in mature hog indicate fever. If diseased hogs are treated with serum, they should receive from one and one-half to twice the simultaneous vaccination doses. Pregnant sows should be handled carefully as there is danger of injuring them, and the dose of serum increased. It is not advisable

to vaccinate pregnant sows later than the first month of pregnancy. Hogs that are to be vaccinated should not be given feed for about twelve hours before banding them. After the treatment or vaccination the hogs should be fed a light diet for a period of at least 10 days and the ration increased gradually in order to avoid complications. Take all possible precautions to prevent the infection of the wound in the muscles produced by the needle of the syringe. Following vaccination, give the hogs clean pens, or the run of blue grass pasture that has no wallows, dusty places, tall grass, or weeds and running streams in it. In handling the serum never let it become contaminated with dust and filth from the pen.

(Meet Us At The Chautauqua) Free Free Valuable Premiums To the person or persons sending in the best answer to the following questions: (1) Why should every home have a piano or player piano? (2) Why I have NOT bought a piano or player piano? (3) What would induce me to buy a piano or player piano? Manufacturers who control and are distributing this advertising appropriation, will give absolutely FREE, the choice of the following premiums: A beautiful decorated dinner plate, a near cut glass flower vase, or an aluminum cook spoon, also a Manufacturers' Credit Voucher, good only on any new piano or player piano in our store. All contestants who call at our store with a Manufacturers' Credit Voucher and apply same on the purchase price of a new piano or player piano, paying balance cash, we will give ABSOLUTELY FREE, choice of the genuine diamond ring, or ladies' or gents' gold watch. For many years piano manufacturers and dealers have tried to reduce the selling expense of pianos. This is the age of co-operation and the manufacturers correctly believe that the best way to market and introduce their product is to spend the advertising money in making special offers to the people rather than employing famous demonstrators at fabulous expense and making the people pay for such methods by asking a heavily inflated price for the piano. Mail or bring your answer to our store. You will be notified by mail and all premiums must be called for within ten days from closing of contest. Only one person in a family can enter. Contest closes Saturday, July 11, 1914. Mail or bring your answer to our store today. James L. Hamilton Piano COMPANY 17 SOUTH INDIANA STREET. GREENCASTLE, INDIANA. (Meet Us At The Chautauqua)

a definite decision in the matter and would assure the city council that no expense would be assessed of the city. The matter probably will be brought up at the next meeting of the council, which may be an extra session held next Saturday evening, when the sewer plans will be up for consideration. J. G. Martin, manager of the Greencastle Gas & Electric Light company of this city, made a report to the council of excavations that have been made in the city's street for the purpose of laying gas mains. Roy M. Abrams was granted a permit to rebuild a house on his lot on Illinois street, between Apple and Howard streets. A permit was granted Dr. A. E. Ayler to grade the alley in front of his barn, near the corner of College avenue and Washington street and to build an approach to a garage on the same lot. Policemen Maloney and Watson were given permission to purchase two flash light lamps for use in their work. The following claim ordinance was

Duncan, salary ... 27.50 Greencastle Water Co., rent. 2150.00 Mr. and Mrs. Ferd Lucas and son, James, and Mr. and Mrs. C. N. McWethy and daughter, Jeannette, spent

Sunday at the Shades of Death. They made the trip in the Lucas machine.

Card of Thanks. We extend our heartfelt thanks to all our neighbors and friends for their many kindnesses during the recent illness and death of our beloved husband and family. To the choir at Stilesville for their beautiful songs, and to the friends for the many floral offerings. Mrs. Ida Dobbs and Sons.

MANY ATTEND FUNERAL OF CLYDE BROADSTREET

The funeral of Clyde B. Broadstreet, a prominent young business man of this city, whose death occurred at the Methodist Hospital in Indianapolis Tuesday morning, was held at the Cloverdale cemetery Wednesday afternoon at 3:30. Services were conducted at the cemetery on account of the extreme heat.

Among those from this city who attended the funeral were: Dr. J. A. Throop, John Young, Peter Stoner, P. R. Christie, Talbot Christie, Hershah Watts, Otto Macum, Will Lockridge, Fred Cook, Ed Hamilton, John Keightley, Ross Peck, Dr. T. A. Sigler, Eugene Kellar, Ernest Stoner, E. E. Caldwell, W. A. Kreigh, Frank Wallace, A. J. Hamrick, W. A. Grogan and Kimber Gardner.

Must Be Paid by 30th.

Peter J. Krueyer, internal revenue collector for the Indianapolis district, has affirmed the declaration of William C. McAdoo, secretary of the treasury, that there is no use of one to attempt to dodge payment of the income tax. The final day for payment is June 30. A 50 per cent. penalty attaches to tax not paid by that date, and an additional tax of 5 per cent. a month will be levied for delinquency after that date.

Mr. and Mrs. Ernest Trout, who reside on south College avenue, are the parents of a daughter born Sunday.

## MACHINE CRASHES INTO A CULVERT

A FIVE-PASSENGER TOURING CAR DRIVEN BY MISS MARJORIE CAMPBELL WAS WRECKED EAST OF THE CITY WEDNESDAY WHEN IT SKIDDED FROM ROAD AND CRASHED INTO A CULVERT—WAS RUNNING AT GOOD SPEED.

## OCCUPANTS NOT INJURED

Losing control of a five-passenger touring car while driving east of the city near the Ed Black farm late Wednesday afternoon, Miss Marjorie Campbell, the daughter of Rev. and Mrs. J. G. Campbell of this city, allowed the car to crash into a culvert at the side of the road. Although the machine was badly wrecked the occupants of the car were uninjured, other than a few scratches and bruises.

Miss Campbell, in company with Miss Lois Shouse, Gordon Prevo and Dwight Shouse, was driving on the road running north and south past the Ed Black farm east of the city. The machine skidded from the road as it turned the corner south off the Delmar road. The driver was unable to right the machine and, after skidding from one side of the road to the other, it crashed into a cement culvert at the side of the highway.

The car was running at the rate of about 15 or 20 miles an hour when the accident occurred. The radiator of the car struck the cement culvert with great force. The occupants of the machine were thrown from their seats but escaped injury. The radiator of the machine was badly damaged, the wind shield shattered, one front spring broken and the engine damaged considerably.

The car was towed to the Greencastle garage Wednesday evening where it was repaired.

## EQUALIZATION OF TAXES BY THE BOARD OF REVIEW

The County Board of Review, which is in its annual session at the court house this month, began the difficult task of equalizing the taxes levied on residents of the county on Thursday. Tax payers who were dissatisfied with the taxes levied at the last assessment appeared before the board, to have the matter adjusted and the taxes raised or lowered as is necessary.

As is usually the case many tax payers appear before the board to make complaints about their tax levies. About one week will be spent in the equalization of taxes. The work of auditing the books of township and county assessors was completed Wednesday. After the equalization of taxes is completed the members of the board will make a personal inspection of all the private corporations of the county and the corporations will be assessed according to their appraisal. Many witnesses will be summoned to appear before the board in order to be able to determine the value of the property owned by corporations.

The Board of Review is composed of County Assessor George Dobbs, County Auditor C. L. Airhart and County Treasurer H. H. Runyan and two members selected by the county commissioners who are Charles Crosby of Roachdale and Charles Reel of Reelsville. The board will be in session until July 1st.

## ALL FORDS LOOKED ALIKE TO HER

It all happened because two Fords automobiles look exactly alike in Bloomington.

By a coincidence, two men asked their sweethearts to go driving with them in their Ford machines and strangely enough each one asked his lady friend to get into the Ford machine in front of the postoffice building. One of the men sent his chauffeur with a Ford to the appointed place and when one of the young ladies saw a Ford machine standing there she took it for granted that it was the Ford intended for her. She was carried swiftly away to meet her gentleman friend and lo and behold it was a married man she found awaiting her. It was embarrassing to all parties concerned and only partial explanations were given. And now the married man is wondering whether or not the young lady will tell his wife of the strange coincidence.

DO YOU TAKE THE HERALD?

## CHARLES BARNABY CHOSEN CHAIRMAN

LOCAL LUMBERMAN, AT HEAD OF BOARD OF DIRECTORS OF NATIONAL HARDWOOD LUMBER ASSOCIATION—RETIRED FROM PRESIDENCY OF ORGANIZATION AFTER HAVING SERVED TWO TERMS.

## GIVEN VOTE OF THANKS

BUFFALO, N. Y., June 20.—C. A. Barnaby of Greencastle, Ind., was retired last night in Buffalo from the presidency of the National Hardwood Lumber Association which closed its 17th annual convention here in Hotel Statler but Mr. Barnaby was chosen chairman of the board of directors seven of whom were elected last night for a term of three years. Last night at the annual banquet of the organization the delegates gave the retiring president, Mr. Barnaby, a rousing vote of thanks for the efficient service he had performed for the association during the past year. E. V. Babcock of Pittsburg, Pa., was unanimously elected president of the lumbermen as no other name was presented to the delegates for consideration. J. V. Stimson of Huntingburg, Indiana, was elevated from office of second vice president to first vice president and he is in direct line now of the presidency, although the first vice president this year, Orson E. Yeager, of Buffalo, was retired in favor of E. V. Babcock, who was third vice president. Frank S. Fish of Chicago, Ill., was re-elected secretary-treasurer of the national association. The board of directors, Mr. Barnaby, chairman, will select a city for next year's convention. Three cities are contesting for the 1915 session, Chicago, St. Louis and Memphis, Tennessee, with chances favoring Chicago for next year's meeting.

## ADVISES OFFICIALS TO BE ON LOOKOUT

The Indiana state fire marshal is anxious for every local fire department in Indiana to take unusual precautions during the Fourth of July season to prevent the spread of fire. "Last year we notified every Indiana fire department to be particularly watchful on the Fourth," says the fire marshal. "More than fifty fires were reported, resulting in a loss of \$8,500. The large number of losses reported is particularly significant, for any one of these fifty fires might have resulted in serious loss to property and life, had not local departments been unusually active in preventing the spread of the fire."

The ordinance to prevent the retailing of fire works which Fire Marshal Longley recommended to every Indiana city last week, does not prevent the use of fire works for displays, says the fire marshal. It does limit their sale, however, and makes it necessary for the permission of the mayor or fire chief to be obtained before fire works may be discharged. "By limiting the use of fire works in this way," says the state fire marshal, "local fire prevention officials may make any requirements for public safety that the conditions seem to require."

## WILL FILE HIGH SCHOOL INJUNCTION SUIT FRIDAY

An injunction suit to prevent the Greencastle school board from selling the bonds that it has advertised for the construction of a new junior high school building will be filed before the end of the week. This was the statement made today by Jackson Boyd, leader of those in the city who are opposed to the recent action of the board and the proposed construction of the new building.

According to Mr. Boyd the probable time for the filing of the suit will be Friday, although other matters may postpone the action until Saturday. Mr. Boyd will be the plaintiff in the proposed suit. It is stated that other prominent law firms of the city will help Mr. Boyd with the proceedings, besides many of the tax payers who are strongly opposed to the construction of the new school building.

## THE MONROE TOWNSHIP PROGRESSIVES NOMINATE

The Progressives of Monroe township met in Bainbridge on Friday, June 18th. There was a large and enthusiastic crowd present and the following full ticket was nominated: Trustee, T. J. McKeehan. Assessor, James R. Sallust. Advisory Board, Harlin Brown, Olie Wright, Clay Frank. Justice of the Peace, Robert Harbison, John Mangun. Constable, William Tumey, Harry Toney.

## CAR REPAIRER BADLY INJURED

JAMES CALLAHAN, OF NORTH GREENCASTLE, THE VICTIM OF A RAILROAD ACCIDENT WEST OF TOWN THURSDAY AFTERNOON—ATTEMPTED TO TAKE MOTOR CAR FROM THE TRACK AT THE APPROACH OF FAST PASSENGER TRAIN—MOTOR CAR IS STRUCK BY TRAIN.

## HIS KNEE CAP IS BROKEN

James Callahan, age 42, a Big Four car repairer, who resides in north Greencastle, was seriously injured last Thursday afternoon at about 2:30 o'clock, when he was struck by a motor car, which was struck by a passenger train as he was attempting to get the motor car off of the track. Callahan was struck on the right knee by some part of the motor car and his knee cap broken.

Callahan and "Sid" Gasaway were returning to Greencastle from Cob, a small station on the Big Four. The men had their motor car on the westbound track of the double track. No. 16, an eastbound passenger train, which ordinarily runs on the eastbound track, had switched over and was running "against traffic," or on the westbound track.

The men heard the train approaching, but as the accident occurred on a curve they did not realize that it was on the same track as their car until it was close behind them. They then jumped from their car and attempted to pull it from the track. They had it almost off, when the engine of the passenger train hit it.

Callahan was in such a position, that when the engine hit his car, the car hit his knees. Their car was so badly damaged that it could not be run and the men were taken on another motor car, which happened along, and started toward Greencastle. Dr. McGaughey, who had been summoned, was taken on a motor car here and went out to meet the injured man.

After giving the injured man temporary treatment, Callahan was brought to his home and his injury dressed. It is feared that the injury will result in a stiff leg. Callahan is well-known here having been engaged in railroad work on the Monon and Big Four for many years.

## PRESIDENT GROSE IN DEMAND AS A SPEAKER

During the past few weeks President George R. Grose of DePauw has been in greater demand as a speaker, perhaps, than any other college official in the state. Besides the duties attendant upon his office during the closing weeks of school, President Grose has delivered over forty different addresses in this and other states. This number will be increased by about ten before the first of July.

## LOCAL INSTRUCTOR RESIGNS HIS POSITION

J. Paul Johnson, a member of the local high school faculty for the past two years, has resigned his position to accept the superintendency of the Albion high school. Professor Johnson was instructor of science and director of athletics while here.

Mr. Johnson will take up his new work at the beginning of the next school year. His successor here has not yet been chosen. Prof. Johnson was a popular instructor among the high school pupils at this place and local people will regret to see him leave. He is at present taking work in the DePauw summer school.

## More Money for Carriers.

Postmasters and rural carriers over the country are receiving word from the postal department of Washington to the effect that the rural carriers increase in salary will soon be effective. After July 1 the salaries will be increased from \$1100 to \$1200 per year. This increase has been expected for some time by the carriers. During the past year there have been several count and weigh tests made by the carriers for the benefit of the department showing the increased business handled after the installation of the parcel post system in the offices. In some instances rural carriers have been compelled to buy new and larger wagons to take care of the great bulk of parcel post matter and this is thought to be the reason for the increase in salary which soon becomes effective.

Miss Hazel Gregory, of Chicago, is here the guest of Mrs. Charlotte Gregory and Harry Gregory. She will remain about two weeks.

## KING FACES A SERIOUS CHARGE

CHARLES KING APPEARED BEFORE JUDGE HUGHES WEDNESDAY AFTERNOON AND PLEADED NOT GUILTY TO THE CHARGE OF ASSAULT AND BATTERY WITH INTENT TO KILL FILED IN THE PUTNAM CIRCUIT COURT—KING WAS UNABLE TO GIVE BOND AND WAS TAKEN TO JAIL TO AWAIT TRIAL.

## RESULT OF A BLOODY FIGHT

Charged with assault and battery with intent to kill, Charles King, of north Greencastle, appeared before Judge James P. Hughes of the Putnam Circuit Court late Wednesday afternoon and pleaded not guilty to the charge. Judge Hughes placed his bond at \$500 and King was unable to get any one to go the bond and was taken to jail, to await trial.

The filing of the affidavits against King came as a result of a bloody fight at the north end restaurant last Saturday night, in which Artie Boswell received a severe beating at the hands of King. King alleged that Boswell was drunk and provoked a fight. Men who witnessed the fight said Boswell was knocked down several times by King. It was also said King struck Boswell with a beer bottle. Boswell was severely injured by King and was confined to his bed several days on that account.

When arraigned in Mayor Walter Cooper's Court Monday morning King alleged that Boswell tried to cut him with a pocket knife. He brought with him the coat he had worn Saturday night when the fight occurred and showed several cut places in the garment, which he said Boswell had ripped with a knife. King stated that he would file an affidavit against Boswell charging him with assault and battery with intent to kill but as yet it has not been filed.

The date for the trial of King was set by Judge Hughes for the 25th of this month.

## MRS. LEMON GADDIE BECOMES BRIDE OF INDIANAPOLIS MAN

One of the prettiest home weddings of recent months in colored circles was solemnized at the home of Mr. and Mrs. Frank Taylor, 702 Depot street Wednesday evening, when Mrs. Lemon Gaddie of this city became the bride of their son, Frank Taylor, of Indianapolis. Rev. H. C. Franklin of the Baptist church, officiated.

The wedding was attended by about fifty of the closest friends of the bride and groom, many out-of-town guests being present. The wedding march was played by Miss Bertha Pittman. Vocal solos were rendered by Miss Ruth Taylor. Mr. and Mrs. Taylor left Thursday for Indianapolis where they will receive friends in their newly furnished home at 2353 Yandes street after July 1.

The out-of-town guests at the wedding were: Mrs. Aldrige Jasper, Mrs. Lizzie Gaddie and Mrs. Mary Gaddie, of Indianapolis; Mrs. Alice Brown, Mrs. Fannie Rhodes, and George Brown, of Crawfordsville.

## DR. F. C. COLLINS IS FINED IN PUTNAM CIRCUIT COURT

Charged with the operation of a fertilizer factory without a state license, Dr. Frank C. Collins, a veterinary residing several miles south of Bainbridge, appeared before Judge J. P. Hughes of the Circuit Court Thursday and pleaded guilty to the charge. Collins was fined \$25 and costs and paid the fine. An affidavit, charging Collins with the operation of the fertilizer factory under unsanitary conditions was withdrawn.

Collins has been operating a fertilizer factory on a farm several miles south of Bainbridge for several years. The bodies of dead animals are taken to the plant, and a fertilizer compound is manufactured from the carcasses. The plant burned several months ago and was recently rebuilt by Dr. Collins. The affidavits were filed by County Health Officer Dr. Jerome King of this city, who has received many complaints from the residents in the vicinity of the factory about the unsanitary condition of the plant.

Rev. L. A. Beard, pastor of the Coatesville Christian Church, whose home is in Greencastle, has taken up his work for the summer in the employ of a chautauqua company. He will serve as a superintendent. There will be no services here during the summer by Mr. Beard, although there may be an occasional supply.—Coatesville Herald.

## Be Happy!

Happy the girl, or woman, who has never suffered from any of the diseases of womanhood! Or, if she has been a sufferer, happy is she if she has learned of the wonderful benefits of Cardui, the woman's tonic!

Cardui is a gentle, tonic remedy, for women's ailments. It is a natural medicine—safe, harmless, purely vegetable. It has been in successful use for more than 50 years. It has cured thousands. It should do the same for you.

## TAKE CARDUI The Woman's Tonic

Mrs. Mary Neely, of Denver, Tenn., says, "I think there is no tonic on earth, as good as Cardui. I used it with the very best results. I had backache and nearly everything a woman could suffer with, until I took Cardui. Now, I feel better than I have for two years. I shall always recommend Cardui to other suffering women. I can't praise it too highly. As a medicine for weak, tired, worn-out women, Cardui is safe and reliable. Try it, today.

Write to: Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women," sent free. 156

## Death Claims L. A. Dobbs.

The death of L. A. Dobbs, age 46, occurred Wednesday afternoon between 3 and 4 o'clock at his home in Mill Creek township, following an illness of a year of cancer. The funeral will be Friday morning at 10 o'clock at Stilesville, with burial in the family lot in the Stilesville cemetery. The services will be conducted by Elder C. L. Airhart and Elder Masten.

Mr. Dobbs was one of the county's best known young farmers. He was born and reared in Mill Creek township, the township in which he has spent his entire life. He leaves to mourn his loss, his mother, Mrs. Elizabeth Vaughn, a widow; three sons, Joel, Albert and Eugene. Four brothers, George Dobbs and Charley Dobbs, both of Greencastle; Otto Dobbs, of Mill Creek township, and Frank Dobbs, of Morgan county, also survive.

## Old Officers Are Re-Elected.

The annual convention of the Epworth League of the Greencastle District, closed a two days' session at Rosedale Tuesday evening with the election of officers. All of the present officers were re-elected with one exception, that of third vice president. The district officers are as follows:

President, Robert G. Northway, Knightsville; first vice president, Gilbert Knetzer, Greencastle; second vice president, Miss Eva LaForge, Terre Haute; third vice president, Miss Inez Brant, Clinton; fourth vice president, Miss Nellie Fleisher, Terre Haute; secretary, Miss Nellie Lewis, Brazil; junior league superintendent, Miss Bessie L. Eaton, Terre Haute.

## EUGENE SNIDER INJURED IN FALL FROM TREE

While picking cherries at his home on north College avenue shortly after three o'clock Wednesday afternoon, Eugene Snider, an employee of the Home Steam Laundry, fell to the ground, a distance of several feet, and sustained injuries that will keep him from his work several days. That the injuries were not of a more serious nature is attributed to the fact that in falling, Mr. Snider was able in some manner to alight on his feet. While no bones were broken the severe jar that he received made the services of a physician necessary and Dr. W. W. Tucker was called. Dr. Tucker stated today that he did not expect any serious complications, but that the jar was severe enough to warrant extreme care.

Hershel Hurst, Bert Sandy and Samuel Preston, of Cloverdale, were in the city on business Thursday.

## Hoosier Centennial.

Indiana is going to celebrate her one hundredth birthday anniversary. In order that this might be properly done the history section of the Indiana State Teachers' association has appointed a committee to take into consideration plans for the promotion of a suitable celebration.

This committee is composed of Prof. J. A. Woodburn, Indiana university; Prof. Thomas F. Moran, Purdue university, and Prof. Harlow Lindley, of Earlham, and they in turn have reported that \$150 will be given away in prizes for the best essays, written by high school students on "How Shall Indiana Celebrate Her One Hundredth Birthday." Indiana was admitted to the union in 1816 and her one hundredth birthday will be celebrated in 1916. The purpose of the essay contest is to get suggestions and plans for the carrying out of the glorious celebrations, and every high school student is urged to take part in it.

The prizes given are as follows: First prize, \$25; second prize, \$20; third prize, \$15; four prizes, each \$10; and ten prizes, each \$5.

The essays shouldn't exceed 2,000 words in length and should be sent to the state department of public instruction not later than October 1, 1914.

## Divorce Case Ended.

The divorce suit of Katie Pearl Person against Henry Person, in which the former charged her husband with cruel and inhuman treatment and alleges that he threatened to kill her, was completed in the Putnam County Circuit Court Wednesday afternoon. A decision in the case will not be rendered by Judge Hughes for several days. Mrs. Person asked for an absolute divorce, the custody of their son, \$200 alimony and \$100 a year for the support of the child. A cross-complaint was filed by the defendant in which he asked for the custody of the child.

Mr. Bert Knight, formerly a teacher in the Amo high schools, but for the past year an instructor in the schools of Greencastle, will take a course of instruction in manual training at Menominee, Wis., during the summer. He will continue his work in the Greencastle schools the coming year at an increase in salary.—Coatesville Herald.

## Ayer's Sarsaparilla

Changes tendency toward disease to tendency toward health. No alcohol. Sold for 60 years. Ask Your Doctor.

## Enterprise Flour Wins Again

Another great record made at the Terre Haute Fair.

The PRIZE LOAF of BREAD. The PRIZE ROLLS. Fourteen first prize Cakes. Six Special first prizes. A total of 22 first prizes out of 26 offered won BY ENTERPRISE FLOUR

(Last year won 12 out of 17)

PERSONAL

Mrs. Sarah Dickson returned to her home in Indianapolis Saturday after several days' visit with her aunt, Mrs. A. E. Conner of this city.

Dr. and Mrs. J. Throop and Mr. and Mrs. A. J. Hamrick motored to the Shades of Death Sunday.

METHOD TO CONTROL HOG CHOLERA EPIDEMIC "Guard against outbreaks of Hog Cholera," says Bulletin No. 173 by Dr. R. A. Craig and Dr. R. A. Whiting of the Purdue University Experiment Station.

iron pipes over the deep part of the trenches for the carcasses to rest upon or woven wire fencing may be used, and the fire built beneath. If the carcass is disposed of by burying, it should be buried four feet deep and covered with lime.

Trustees' Notices Madison Township. I will be at my residence in Madison township on Monday and Friday of each week to transact the business of my office.

Notice of Sale of Road Bonds. Notice is hereby given that the Treasurer of Putnam County, Indiana, will offer for sale at his office in the Court House in the City of Greencastle, Indiana, until sold, the following road bonds, to-wit:

FRECKLE-FACE Sun and Wind Bring Out Ugly Spots. How to Remove Easily. Here's a chance, Miss Freckle-face, to try a remedy for freckles with the guarantee of a reliable dealer that it will not cost you a penny unless it removes the freckles; while if it does give you a clear complexion the expense is trifling.

The "Royal Baker and Pastry Cook," containing five hundred practical receipts for all kinds of baking and cookery, free. Address Royal Baking Powder Co., New York.

## Correspondence

### CLINTON FALLS.

There will be a basket dinner and baptizing at the Dunkard Church on Sunday, June 28th.

Miss Thelma Slavens and Miss Lela Miller spent Sunday with Miss Gertrude Boswell.

Miss Ester Cox, of Morton, spent Saturday night and Sunday with Bessie Carmichael.

Miss Reggie Miller spent Saturday with George and Lucile Bettis.

Several from here attended the chautauqua at Russellville Sunday.

John Vermilion, who has been attending normal at Terre Haute, has returned home.

Miss Mildred Gardner, of Greencastle, is visiting her grandparents, Mr. and Mrs. Andy Sigler.

Mr. and Mrs. Bob Bee spent Sunday with Mr. and Mrs. James Bee.

Mrs. Emily Boswell, Mrs. Eula Stags and little son, Misses Gertrude Boswell, Thelma Slavens and Lela Miller called on Mrs. Dr. Moore Sunday evening.

Mr. and Mrs. Sam Blackster, of Bellmore, Mrs. Nora Harland and son Eugene, and Dean Davis spent Sunday with Mr. and Mrs. Alf Carmichael.

Mrs. Ida Johnson spent Sunday with Miss Sarah Newgent.

Miss Gertrude Boswell, Mrs. Eula Stags and children, Mrs. Mary Miller and son of Greencastle spent Thursday evening with Miss Martha and Sarah Newgent.

Mrs. Sarah Burk and children spent Friday with Mrs. Mary Burk.

Mr. and Mrs. Edward Brothers and children visited the latter's parents, Mrs. Arta Sigler last week.

Russell Boswell, who has been working at Terre Haute, visited with homefolks Saturday and Sunday.

### POPLAR GROVE.

Mrs. George Cushman, of near Putnamville, visited Mary Bales and family Saturday.

Several attended church at Poplar Grove Saturday night.

Mrs. Carrie Strong and son, of Bicknell, Ind., are spending a few days with her grandmother, Sarah Cline and family.

Mr. and Mrs. Chas. Taber visited Saturday night and Sunday with Mr. and Mrs. Wm. Taber.

Mr. and Mrs. Ivan Leonard, of Indianapolis, visited Saturday night and Sunday with Mr. and Mrs. N. V. Leonard.

Mr. and Mrs. William Stroup, of near Putnamville, spent Sunday with Mr. and Mrs. George Lasley.

John Trout was at Greencastle on business Saturday.

Oscar Trout, of near Putnamville, visited Mary A. Bales and family Sunday.

Several people from this vicinity went to Cloverdale Saturday night to attend the show.

Rev. W. E. Epperson will preach at Poplar Grove Saturday night and Sunday.

### SOMERSET.

Quite a number of young folks from here attended the I. O. O. F. memorial exercises at Greencastle last Sunday afternoon.

Miss Ruth Wells visited a few days recently with Mrs. Hunter and Mrs. Smiley near Quincy.

A few from this vicinity attended the chautauqua meetings at Russellville.

Several farmers are engaged in

### harvesting rye this week.

Charles Brackney and Joe Brackney and families and several others drove to the Cataract Falls Sunday in their autos.

Preaching at this place next Sunday morning and evening by the regular pastor, Rev. Bratton.

Estel Minnick and Dee Frank had a collision Sunday morning when the horse driven by Frank became frightened at the motorcycle ridden by Minnick. The buggy was overturned. Frank had a gash cut in his lip and Minnick received a dislocated shoulder.

A large crowd of young people attended the party at John Ferran's last Saturday night.

The Ladies' Aid Society met with Mrs. Eli Scobee last Thursday afternoon. Refreshments consisting of sandwiches, cake and bananas, were served.

Clay Frank, Artie O'Hair, Forest O'Hair and Leslie Ferrand went to Rosedale Tuesday of last week as delegates to the Epworth League Convention. Charles Brackney drove there and back in his machine.

Miss Lillian O'Hair, Miss Lena Priest, Miss Mary Keyt, and Marion O'Hair attended the convention at Rosedale last week.

Mr. and Mrs. John Scobee and Mr. and Mrs. Charles Purcell spent Sunday with Mr. and Mrs. Eli Scobee.

### STILESVILLE.

Wm. Osborn, of Brazil, is visiting his brother here.

The Ladies' Aid Society of the M. E. church will give a festival on the school house lawn on Saturday evening, June 27.

Miss Amy Ruark was at home from Danville over Sunday.

L. Conrad and family spent Sunday with Johnny Greene.

Chester Pike, cashier of the Citizens Bank, has been to Michigan the past week and will return home Sunday bringing a bride to his newly furnished home on east Main street. Mr. Pike's home formerly was in Plainfield, but for the past two years he has been in the bank here and is very highly esteemed.

Rev. Ransey will preach at the M. E. church Sunday morning and evening.

On Saturday afternoon the Missionary Circle very pleasantly entertained two hundred and seventy-five guests at their church. Miss Sherrell, of Terre Haute, reader; Miss Katie Coble, pianist, and Pauline White, of Amo, soloist, furnished the program. Part of the lawn was enclosed with bunting within which dainty refreshments were served.

### EEL RIVER HEIGHTS.

Miss Ruby Young called on Miss Estie Keck Tuesday afternoon.

A few attended the commencement at Barnard Wednesday night.

Mrs. Robert Young spent Thursday and Friday with her mother at Roachdale.

Mr. and Mrs. William Keck and Mr. and Mrs. Robert Young spent Thursday evening with Mr. and Mrs. Charles Dean.

Miss Bessie Dean is spending this week with her sister, Mrs. Chauncey Sutherland of Indianapolis.

Miss Moyné Crosby spent Saturday night and Sunday with Miss Ruth Dean.

Sunday visitors: Earl Barker and wife at Dave Barker's, William Keck and family at his father's, Mr. Higgins and family and Harvey Higgins and wife at Gran Gordon's.

### PLEASANT GARDEN.

Mr. and Mrs. E. P. Aker and Mr. and Mrs. Mort Rissler went to Boone county Sunday in their autos. They report that a good rain fell in that section and that corn is looking fine.

The Vandalia Railroad company is having a well drilled at the stock pens here.

D. Huffman is shipping hogs. Last week Mr. Huffman lost several valuable porkers, there being no water at the pens here for the animals.

Tom Harpes has raised his house and is putting a new foundation under it. He has also built two porches.

Thad Pickett is building an addition to his house.

W. R. McElroy has had his house repaired.

William Cook is having his house raised and is building two new porches.

Mr. and Mrs. Levi Sears spent last Sunday with friends in Greencastle.

Herbert & Pollom shipped a car load of stock last week.

Howard Young of Greencastle is building a house on his farm near Manhattan and will move there.

A large crowd attended the moving picture show last week.

### FINCASTLE.

Glenn and Neal Everman attended the motorcycle races at Terre Haute Sunday.

Mrs. Dora Fosher and daughter, Anita, and Mrs. H. C. Fosher called on Mrs. Elmer Watson and daughter Tuesday afternoon.

Mr. and Mrs. Joe Everman and daughter spent Sunday with Mr. and Mrs. W. W. Goslin near Barnard.

Mr. and Mrs. Lonnie Steele called on Mr. and Mrs. Elmer Watson Saturday evening.

Mrs. Cleve Rogers and daughters, of Roachdale, spent the latter part of the week-end with her parents, Mr. and Mrs. J. W. Terry.

Mr. and Mrs. Tom Hargain, of Roachdale, visited Mr. and Mrs. J. W. Terry Sunday.

Miss Ethel Watson spent Sunday with Miss Edna Guilliams.

Mrs. Quinley, of Ladoga, spent Friday and Saturday with her daughter, Mrs. Dora Fosher.

Mr. and Mrs. Joe Everman visited Mr. and Mrs. William Everman Tuesday.

Orville Everman, of Greencastle, spent Wednesday night with Neal and Glenn Everman and attended the band concert at Roachdale.

Ethel and Earl Watson called on Olive and Neal Everman Saturday evening.

Mr. and Mrs. John Silvey visited Mr. and Mrs. Charles Silvey Sunday.

Miss Olive Everman called on Ethel Watson Monday afternoon.

There will be an ice cream social at the U. V. church at Fincastle Saturday night, June 27th.

Mr. and Mrs. W. A. Kreigh, of Greencastle; Mr. and Mrs. Robert Tounds, of Stilesville, and Miss Julia Geissin, of Indianapolis, will be the guests of Mr. and Mrs. E. T. Singleton and family, Sunday. Mr. and Mrs. Kreigh will be accompanied home by their little son, Arthur, who has been a visitor in the Singleton home for ten days.—Martinsville Reporter.

The trial of Abraham McCammack, of Belle Union, who is charged with assault with intent to murder a Brazil woman, which was set for Tuesday, was continued for one week. The condition of Mrs. Spriggs, who was attacked by McCammack, was such that day that she was unable to attend court. Jackson Boyd, attorney for McCammack, was in Brazil today.

Mr. and Mrs. William VanDuzer, Jr., and Mrs. William VanDuzer, A. L. Miller and Harry Goodwin, of Terre Haute, spent Sunday with Mr. and Mrs. C. R. Dulin and family, who reside several miles south of this city. They made the trip in the VanDuzer machine.

On his beat of the business district Monday evening Policeman Maloney found the front door of the Citizens National Bank open. The employees of the bank had left the place of business Monday evening and had failed to lock the door. The spring lock was latched by Policeman Maloney.

Walter, the 15-year-old son of Mr. and Mrs. Walter Feld, who reside on south Bloomington street, underwent an operation at the St. Vincent's Hospital in Indianapolis for appendicitis, Monday evening. The operation was performed by Dr. Charles Sudranski of this city. The lad was reported to much improved Tuesday.

Mr. and Mrs. J. G. Beck, of Culver, who have been visiting Mrs. Rachel Mason and family on south Jackson street, have bought the Denton grocery store at Coatesville. Mr. and Mrs. Beck are well-known among Greencastle and Putnam county people.

George B. Irwin, of Irvine, Ky., spent Sunday with Mr. and Mrs. C. R. Dulin and family, who reside south of this city. Mr. Irwin left Monday for French Lick where he will visit several days before returning to his home in Irvine. He is the owner of the land on which C. R. Dulin and other men of this city are drilling for oil near Irvine.

A petition for the sale of real estate in the estate of the late Millie Young was filed in the Putnam County Circuit court Tuesday by Attorney Chas. McGaughey of Roachdale. Mr. McGaughey is the administrator of the estate. He asks for an order from

the court empowering him to sell the real estate of the Young estate to pay and discharge all debts of the same.

The first chapel exercises of the DePauw summer school were held in Meharry hall Tuesday morning. H. B. Gough conducted the exercises. The summer chapel is an innovation at DePauw. Only one meeting will be held each week, this coming on Wednesday morning. On Friday evening of this week the students of the summer school will hold a picnic at McLean Springs.

The annual graduation exercises of the Warren township public schools were held at Putnamville Saturday evening. Prof. F. C. Tilden of this city delivered the commencement address. The music was furnished by the Asbury Conservatory of Music orchestra. Among those who attended the exercises from this city were: County Superintendent and Mrs. L. G. Wright and children and Judge J. P. Hughes.

The small son of Albert Shuey, who reside several miles south of this city, was injured Sunday afternoon when he was run over by a buggy near his home. The lad was holding a horse and the animal frightened and the boy was jerked to the ground. A wheel of the buggy passed over his head and a huge gash was cut. Dr. W. R. Hutcheson of this city attended the injured lad.

**Snow With Mercury at 100.**  
MUNCIE, Ind., June 23.—With the temperature at 100 degrees, snow fell in Muncie for more than a half hour, mingled with a heavy rain. The flakes melted before they reached the ground, but the air about the higher stories of office buildings much of the time was white with snow.

Today the County Board of Review began work of its appraising the value of the private corporations of the county. The A. & C. Stone Quarry east of here was visited Wednesday morning. The O. & I. Quarry, west of town, was visited Wednesday afternoon. It is the business of the board to visit the corporations and appraise them for taxation. The work of equalizing the taxes of the county was finished last week. The board will be in session until the first of July.

J. D. Stack, formerly superintendent of the Baltimore & Ohio Railway, Ohio Division, has been appointed general superintendent of the Norfolk Southern Railway in charge of departments and maintenance of transportation with headquarters in Norfolk, Va. Mr. Stack is a former Greencastle boy and received his education and early railroad training in this city. It is gratifying to his many friends here to note his rapid advancement in the railroad world. Mr. Stack is a brother of Mrs. W. T. Besser of this city.

The party of twenty-three young ladies of Greencastle that went to Stop 34 on the interurban line Tuesday for an all-day picnic, were given a "treat" that few other people of this city enjoyed. Shortly after noon the young ladies were caught in a real-for-sure rain storm. There was no shelter at the picnic ground and the party was forced to stand in the down-pour for almost half an hour. The unexpected rain caused the picnicers to return to Greencastle earlier than they originally intended but they say that the rain was worth all the fun that they missed.

### EMINENCE.

Ed Elliott made a business trip to Indianapolis Saturday.

The young ladies and young men's Sunday school classes of the Church of Christ will give a festival on the night of July 2.

## HOW TO GET STRENGTH

after any sickness is purely a matter of nourishment, whether the attack is an ordinary cold or severe illness. Weakened forces cannot repulse germs, and this is why a relapse is often fatal or why chronic weakness follows sickness.

Restoring strength to millions of people for forty years has proven the truth for taking Scott's Emulsion after sickness; nothing equals it—nourishment, free from alcohol or opium, promptly creates rich blood, strengthens the nerves and lungs to avert tuberculosis.

## MAYNARD DAGGY SCORES THE CARNEGIE FOUNDATION

That there is danger in the selection of a president for the University of Nevada of bringing the institution under influences which would be for the recognition of special interests and of a type of education which is not desirable, rather than for the interests of the people of the state who support the institution, was declared at the Reno Chautauque this afternoon of Prof. Maynard Daggy, who lectured on "Twenty-Century Education."

Prof. Daggy attacked in particular the Carnegie Foundation, established by Andrew Carnegie for pensioning superannuated professors of colleges and for assisting certain classes of institutions along certain lines. He charged that the Carnegie Foundation through its manager, Dr. Henry F. Chitt, is trying to control higher education. Its control, he said, would be detrimental to true education, because the control is sought on behalf of education for the few, instead of the masses. He asserted that the influence of the Carnegie Foundation would undoubtedly be exerted in Nevada in the effort to dictate a successor to the late Dr. J. E. Stubbs, president of the university. He charged that the Carnegie Foundation, trying to dictate the appointment of college presidents all over the United States in order to control education colleges.—Reno (Nevada) Gazette.

Prof. Maynard Lee Daggy is a former Greencastle boy and has many friends here. He is the son of Dr. and Mrs. Charles Daggy, who live north of town.

**Potato Prices Higher.**  
According to figures published by the Bureau of Statistics (Crop Reports), in the recent Agricultural Outlook, the prices of potatoes paid the farmer on May 1, 1914, averaged 71.4 cents a bushel, which is 2.2 cents higher than the average for May 1, 1913, or a gain of about per cent.

In the Central States the increase in price per bushel ranged from cents in Wisconsin to 36 cents in Indiana. In South Dakota there was a gain of 41 cents at a price of 65 cents; in New Mexico, with an increase of 40 cents, the price was \$1.10. The states where the prices were lowest were Idaho, Washington and Oregon, with gains of 18 cents, 16 cents and 17 cents at prices of 48 cents, cents, and 37 cents, respectively.

Mr. and Mrs. Albert Fry, who live on Fox Ridge, are the parents of a son born Sunday.

The When, Indianapolis

**ERUPTION ALL OVER CHILD'S BODY**  
Began With Small Red Spots. Cried Almost Day and Night. Used Cuticura Soap and Cuticura Ointment. Well in One Week.

R. F. D. No. 2, Jackson, Mo.—"My daughter who is ten months old was suffering from an eruption all over the body. The beginning they were small red spots and afterwards turned to blood sores. We tried all kinds of ointments but they did not procure any relief for our child. She had no rest day or night and we tried everything for cure relief for our child. She cried almost day and night and scarcely could touch her, because she was covered with sores from head to foot.

"We had heard about the Cuticura Soap and Ointment and made a trial with them and after using the remedies, that is to say the Soap and the Ointment, only a few days passed and our child could sleep well after one week she was totally well." (Signed) August F. Bartels, Nov. 25, 1913.

**TO REMOVE DANDRUFF**  
Prevent dry, thin and falling hair, itching and irritation, and promote the growth and beauty of the hair. Frequent shampoo with Cuticura soap, assisted by occasional dressings with Cuticura ointment, afford a most effective and economical treatment. Sold by druggists and dealers everywhere. Liberal sample of each mailed free, with 32-p Skin Book. Address: Postcard "Cuticura, Dept. T, Boston."

Men who shave and shampoo with Cuticura Soap will find it best for skin and hair.
