## JASPER DALBY DIES SUNDAY AT HOME HERE

### WELL KNOWN MINISTER AND COUNTY OFFICER HAD BEEN ILL FOR SEVERAL MONTHS

#### FUNERAL TUESDAY AFTERNOON

Survived By Son Edward Dalby, Had Pastored Many Churches In Two States

Death has ended the life of Jasper N. Dalby, 74 years old, widely known GreenCastle man. The end came at the home of his son, Edward Dalby, 917 North Indiana street, at 3 o'clock Sunday afternoon.

Mr. Dalby had been in failing health since last February and had been critically ill for the past week. His retirement from his duties as county probation officer and Primitive Baptist minister several months ago, in Coles county, Ill., December 1, 1855, Mr. Dalby spent his last days there. He has been a resident of GreenCastle since 1894 with the exception of eighteen months spent at New Ross in Montgomery county.

Mr. Dalby joined Primitive Baptist church in 1884 and began preaching for this church in 1887. Since then he had pastored close to twenty different churches in Illinois and Indiana. The shortest service with any of the churches served was three years. He served continuously as pastor of the Hopewell church at Danville, Ill., for more than 45 years, leaving back and forth during the many years of his service there.

Among the Indiana churches he has served are the Bethel church on Little Walnut; Deer Creek church south of GreenCastle; Fairbairns church; Old Beach church, Posey county; Bethlehem church, Posey county; Taylor's Creek church, Grant county; and Pilgrim's Rest church, Kosciusko county.

In Illinois he has served the Hopewell church, the Linn Creek church, the Moultrie county; Union church in Shelby county; Willie Crag church, Pendleton church, Cayuse church, Okawa church, and Friends church at Pana. He preached his last sermon at Hopewell church on February 23.

A man of sterling character and strong beliefs in the doctrine of his church, Mr. Dalby won many friends. His record as a minister unusual in that he served each church continuously until released at his own request, with one exception. His retirement from active church work was five years ago but he came to preach occasionally and to see the Hopewell church which refused to release him.

Mr. Dalby was married Miss Nancy Hurst in Illinois, Aug. 11, 1875. Her death occurred on October 6, 1927.

Four children were born to his union. They were Ora Emilina, Wait, Edward Henry and Editha Jones, all of whom have passed away with the exception of Editha, Edward Henry, Mr. Dalby wife of the children born to George and Polly Ann Keller Dalby, and the last of his family.

The funeral will be held Sunday afternoon at two o'clock from the home of C. I. Gobel of Spoe, a Primitive Baptist pastor, and by W. J. Crowder, will have charge. Burial will be in Forest Hill cemetery.

The pall bearers will be George Garrett, Wilbur Stewart, Rond Oneal, Homer Frazier, Justus Win and Fred Todd.

## Wheat Cutting Well Underway

### FARMERS COMPLAINING LOW PRICES PAID FOR CROP THIS YEAR

Wheat cutting in Putnam county was well underway this week more than half the annual crop had been harvested. In addition to the threshing outfits which will start operations soon, it was said there were nine to twelve combines in the county.

Use of the combines in the county is increasing each year. The machines cut and thresh the wheat in one operation. Many farmers have been complaining of the low price paid for wheat this season. Elevators and mill will pay around 70 cents a bushel, it was said, which is out of proportion to the price of flour and other wheat products.

## HENRY POTTORFF DIES

Henry C. Pottorff, age 63 years, died at the Old People's Home in Marion township, Sunday morning, following an illness of a complication of diseases. Mr. Pottorff was taken to the home about 10 days ago from the county hospital.

Interment will be in a cemetery about 6 miles southeast of Cloverdale near where he formerly lived. Besides a sister here, he has a number of relatives in Morgan county.

## FINED IN CITY COURT

Oscar Southern, of GreenCastle, was fined \$1 and costs, amounting to \$11, in city court Monday morning by Mayor W. L. Denman, on a charge of operating a motor vehicle with improper license plates.

Southern was alleged to have bought a car from Ott Sears, and was using it with improper plates, plates picked up the car and held both men liable but filed a charge against one of them only. It was understood Sears was to pay half of the fine and costs.

## New Station By Sinclair Oil Co.

### STATION WILL BE ERECTED AT CORNER OF JACKSON AND WALNUT STREETS

Announcement was made today by Dr. J. G. Campbell, agent of the estate of D. B. Johnson, that the Sinclair Oil Company has leased the lot at the corner of Walnut and Jackson streets, and within two weeks, will begin the erection of a modern filling station on the lot.

The present old building will be razed to make way for the new station, which will add considerably to the attractiveness of this corner, it was said.

## Government Pays Roachdale Man

### W. P. THOMPSON REIMBURSED \$280 FOR WAR SAVINGS ST AMPS BOUGHT IN '18

WASHINGTON, D. C. June 30—House and senate have passed a bill to reimburse W. P. Thompson, of Roachdale, Ind., in the sum of \$280 or the price of 56 war-saving stamps bought by him in 1918 off Fred G. Rice, former postmaster at Roachdale, and never delivered to him.

Thompson instructed Rice to deliver the stamps to Nathan Call, cashier of the Roachdale bank, and did not know of their non-delivery until five years later when the stamps became due.

Meanwhile, Rice had been convicted of embezzling war savings funds amounting to more than \$2,000 and inasmuch as the former postmaster's bond had been used in full to meet the defalcations, Thompson had to look to congress for relief.

The treasury is directed by the bill now before President Hoover for approval to reimburse Thompson.

## Vagrant Was Recent State Farm Inmate

### MAN THOUGHT PRISON CAMP ESCAPE IN IOWA GAINS RELEASE

Raymond Imard, of Indiana Harbor, picked up here by night police Friday night under suspicion of being J. W. Wilson, 31, an escapee from the prison farm at Toledo, Iowa, was released Saturday afternoon after local police took him to the state farm where he was identified as a prisoner or released the day before.

Imard was taken to the State farm for Bertillon measurements after his general description was said to answer that of Wilson. As soon as farm officials saw the man they informed local police he had been released the day before. Imard was brought back to GreenCastle and turned loose.

Imard told State Farm officials he had lost his ticket home and was trying to hop a train when he was apprehended here.

## FINED IN CITY COURT

Fred Williams, an Illinois man, was fined \$1 and costs in city court Sunday by Mayor W. L. Denman, on a charge of operating a motor vehicle on the National Road without proper license plates. The arrest was made by State Motor Vehicle Officer William S. Nisbet. It was said Williams was using cardboard tags announcing that plates had been applied for, which are illegal in this state. Williams paid his fine.

## COLORED MAN CHARGED WITH BAD DRIVING

### RUSSELL CARTWRIGHT ALLEGED TO HAVE BEEN SPEEDING ON EAST WASHINGTON

#### FINED IN CITY COURT MONDAY

#### Sentence On Penal Farm Is Suspended Providing Colored Man Pay For Damaging Car

Russell Cartwright, local colored man faced a charge of reckless driving in city court Monday, following a collision between his automobile and one driven by Oriss Skinner, of Indianapolis, on east Washington street, about 10 o'clock Saturday evening.

Cartwright, driving west on Washington street, accompanied by Cap Smith of GreenCastle and John Franklin of Indianapolis, also colored, was alleged to have been speeding. Police said that when a car drove out on Washington street from Arlington street on the north side, Cartwright was unable to check the speed of his car, and in trying to avoid a collision with this car, collided with an eastbound car driven by Skinner.

Cartwright was fined \$1 and costs in city court Monday morning and given a sentence of 30 days on the penal farm for reckless driving. The sentence was suspended, however, on condition that Cartwright and the other two colored boys make good the damage to Skinner's car.

Both cars were badly damaged in the collision. Marshal Otto Dobbs charged Cartwright with reckless driving in city court Monday.

The accident occurred on the corner at the Moon Lit Golf course.

## JEFFERSON TOWNSHIP WOMAN DIES SUNDAY

Miss Delphia Pritchard, 46, who lived south of Belle Union, died at the home of her mother, Mrs. Hiram Pritchard, Saturday, following an extended illness.

Funeral services were held at the Providence church Monday morning conducted by Rev. W. E. Gill of this city.

## Fifth District Bar Has Outing

### ANNUAL GATHERING HELD AT TURKEY RUN PARK SATURDAY. GILLEN SPEAKS

The fifth annual meeting of the Fifth district Bar Association Saturday at Turkey Run state park was a delightful gathering of the members of the bar and their families. Eighty-nine partook of the splendid fried-chicken dinner prepared by the management of the park hotel at 1 p. m. The Parke county members were out in force to welcome all comers in their county and Vermillion county was represented by nearly one hundred per cent of its members. Patnam, Clay and Vigo counties sent their delegations to mingle in social gatherings and swap stories during the morning hour.

Following the dinner the members gathered in the sun room where a program of music and speeches was rendered.

Judge William C. Wait of the Vermillion circuit court presented resolutions of sympathy and regret on account of the death of W. Bert Conley, late president of the association, who was a member of the Vermillion county bar for the past 26 years, which resolutions were adopted.

Curtis G. Shake of Vincennes, a lawyer of prominence in the southwestern part of the state, delivered the principal address of the occasion.

George Oscar Dix, a past president of the State Bar association, was introduced as was Courtland C. Gillen of GreenCastle, a former president of the district association.

Harvey Fisher was elected president of the association for the next year and George Ira Kiser was elected secretary-treasurer.

The time and place of the next meeting were left to the executive committee. Under the laws of the association the regular time for the meeting is the last Saturday in June, but many of the courts are closing the business in their several circuits about this time, which prevents many lawyers from attending who would like to attend, so it may be fixed on the first Saturday of July.

## THE WEATHER

Cooler, slightly cooler tonight; on Tuesday, partly cloudy and slightly cooler.

## ENJOYED CONVENTION

According to Jacob Eitel, local delegate, who with Mrs. Eitel, attended the annual convention of Rotary International at Chicago last week, he stood in line for more than 2 hours Friday to cast his ballot for new officers of the organization. A total of 3500 votes were cast in this election, about 1100 more than were cast in the city election here last November.

Mr. Eitel also reports seeing the new endurance record plane, "City of Chicago," droning above the metropolis during their stay in the Windy City. "Jake" admitted that he took enough time off from the convention to see Brooklyn walloping the Chicago Cubs one afternoon and to also play a little golf. Mr. and Mrs. Eitel also heard the famous humorist Will Rogers, one evening during their sojourn in Chicago, and they took a "rubber neck ride" through the district of Al Capone, gangster leader.

## SOLUTION TO TORCH MURDER STILL LACKING

### MARION COUNTY AUTHORITIES RAFFLED IN CASE OF HAROLD H. SCHROEDER

INDIANAPOLIS, June 30 (UP)—A mysterious letter, signed with the name of "Leah," the first name of Mrs. Leah Schroeder, to Harold Herbert Schroeder, held prisoner at Indianapolis as suspect in the auto pyre murder, today named James T. Kizer of Las Cruces, N. M., as the victim whose charred body was found in Schroeder's blazing car, May 31.

INDIANAPOLIS, June 30 (UP)—Today, a month after Harold Herbert Schroeder's blazing auto was found on the High School road bearing the charred and unrecognizable body of a man, authorities admitted hope of establishing identity of the pyre victim was slight.

Although the Sunday "No visitors" rule was suspended by Sheriff George Winkler to permit relatives of Schroeder to visit him at the County Jail, no one appeared at the time visits.

It was the opinion of authorities that Schroeder was stalling to avoid having to keep his promise of "telling something" after he had seen

## Dr. H. W. Wiley Passes Away

### DEATH CLAIMS NOTED AUTHORITY ON PURE FOODS AND DRUGS

WASHINGTON, June 30 (UP)—Dr. Harvey W. Wiley, 85, pioneer campaigner for pure foods and drugs and sponsor of the pure food and drug act, died at his home here today after an illness of several weeks.

The noted health specialist suffered a heart attack shortly after his appearance before the senate agriculture committee recently, where he protested at changes in administration of the pure food and drug act, which he said had weakened the law.

As head of the bureau of chemistry, Dr. Wiley administered the Act from 1906 when it was signed by President Roosevelt, until 1912 when he left the government service because he said he was being handicapped in its enforcement by higher officials.

## Boy Hurt When Hit By Machine

### NORMAN HILL, 12, SUFFERS A FRACTURE OF RIGHT ARM AM. ACCIDENT SUNDAY

Norman Hill, 12, son of Mr. and Mrs. Robert Hill, Sycamore street, suffered a fracture of the right arm at the wrist, Sunday morning, when he was struck by a car driven by Albert Templeman, Berry street. The accident occurred on Howard street.

It was said Templeman was driving slowly and stopped his car within a few feet after hitting the boy.

The boy was said to have run out in the street into the path of the car and when he saw he was going to be hit, threw up his stiffened right arm; the force of the collision breaking a bone at the wrist. He also suffered minor cuts and bruises.

## WOMEN WILL WAGE SCHOOL BOARD FIGHT

### DEMOCRAT WOMEN SEEK REPRESENTATION ON CITY SCHOOL BOARD

#### GROUP ORGANIZED SATURDAY

#### Mrs. Bernice Allen Jones, Choice Of Women. Council Will Probably Elect Man Is Belief Now

A number of Democratic women of GreenCastle city and township held a meeting in the court house Saturday afternoon for the purpose of furthering the cause of the council electing a woman on the school board at its next meeting.

A statement issued after the meeting says: "Democratic women of the city and township are organizing for the purpose of demanding equal representation on all boards and councils.

"They are very much interested in the appointment of a woman member of the school board at present. The importance of selecting the right member for the school board cannot be over estimated as the success of the whole educational system depends upon these officials.

"If the council does not see fit to accede to the request for a woman member on the board, then they demand that a man interested in the welfare of the schools be selected, instead of a mere politician."

The election will probably come before the council at its first meeting in July. Present indications say that it is the field against Elmer Blue in this election. It is further believed that approximately half of the council are of one opinion and the other half of another belief. Just what the final outcome will be, will probably depend on whether or not the council remains in the same frame of mind when the voting comes as they are said to be at this time.

The women are said to be behind Mrs. Bernice Allen Jones, but it is also reported that powerful influences are at work against Mrs. Jones and that she has but a slight chance of being elected. It is a 99 to 1 chance that the new member will be a man, in spite of the demands of the women who held their meeting on Saturday.

A great many things may happen during the next two weeks, and in the meanwhile, every effort will be made by both factions in the school board fight to line up sufficient votes to insure the election or defeat of well advanced candidates at this time.

## MARRIAGE LICENSE

Virgil Ray Deem, machinist, and Ruby N. Broadstreet, at home, both of Cloverdale.

## PLANE STILL ALOFT AFTER 19 LONG DAYS

### STORM ADDS TO STRUGGLE OF "CITY OF CHICAGO" IN RECORD SMASHING FLIGHT

CHICAGO, June 30 (UP)—Storms today added to the difficulties of the record breaking endurance airplane City of Chicago, but the ship rode on and on, carrying the hopes of the Hunter family for a sustained flight mark that will stand for all time.

At 7:40 a. m. CDT the plane had been in continuous flight for 447 hours and was adding hour after hour to the record which it established at 6:01 yesterday, but 30 minutes earlier it had appeared almost certain it would be forced down.

The plane needed gas last night, but it was impossible to make a refueling contact until early today and the contact was no more than completed than a severe storm swept over Sky Harbor airport.

The plane rode on through the storm and ground workers said there was no further danger of it being forced down, but if the refueling contact had been delayed half an hour longer it was doubted if it ever would have been made.

"We'll celebrate the Fourth of July up here," the almost exhausted pilots, John and Kenneth Hunter, brothers, said in a grease soaked note which they dropped to the field. It was the 19th day they have been confined in the tiny cabin, the air saturated with gasoline fumes and the motor roaring ceaselessly in their ears.

## FARM FUGITIVE CAUGHT

ANDERSON, Ind., June 30.—James Friend, 39 years old, a fugitive from the Indiana state penal farm, was arrested here and will be held pending word from that institution.

## FUNERAL SUNDAY

The funeral of Mrs. Mary Ellen Shafer was held at the home, 508 E. Hanna street, Sunday afternoon at 2:30 o'clock. Dr. A. E. Monger was in charge. Pall bearers were: T. E. Evans, Prof. R. A. Ogg, William Allee, William Sutherland, Ben T. Riley and A. L. Goodenough. Interment was in Forest Hill cemetery.

## HAROLD CRAWLEY FINED

Harold "Hop" Crawley, local cleaner employee, was fined \$1 and costs in city court Monday morning, on a charge of reckless driving. Crawley was arrested on south Jackson street Sunday afternoon by Marshal Otto Dobbs, who alleged that Crawley was speeding.

## Hold Local Man At Terre Haute

### ANDREW HARRIS, 61, GREENCASTLE JANITOR, GETS IN CUTTING MOOD; JAILED.

TERRE HAUTE, June 30—Andrew Harris, colored, 61 years old, from GreenCastle, cut quite a swath in the society of Terre Haute's darktown section Saturday afternoon, so much that he was given free lodging in the Vigo county jail after Taylor Sampson, colored, 29 years old, was taken to St. Anthony's hospital with a cut on his head that police say was inflicted by an axe in the hands of the visitor.

Few details were learned concerning the reception of Harris into Bagdad's younger set, but when he began to cut up, the party became rough. Two murderous looking axes brought to police headquarters by Motor Officer Everly and Foncanon testify to the feeling the gentlemen had for each other. The festivities began near Scott Edward's pool room, 1121 South Thirteenth street, and ended with Sampson prone in front of the place.

## Automobiles Run With Money Low

### GREENCASTLE NO EXCEPTION TO ANY OTHER COMMUNITY THROUGHOUT THE U. S.

One could have stood on the corner of Indiana and Washington streets in GreenCastle Saturday afternoon and spent a busy three or four hours counting the motor cars which passed the intersection. He could have spent several other busy hours figuring up the total cost of these motor cars. Then he could have spent some more time figuring up what it costs to run them.

The average cost was probably around \$800 and if one stopped on the corner for the "Stop and Go" sign it was not a minute before the whole block behind the first one, was filled with motor cars averaging around \$1,000 cost to the original purchaser. In addition to the cars which were moving, the entire space in the block on both sides of the streets, was filled with parked cars. On one side these cars were parked at an angle, allowing something like 20 cars to the block and on the other side there were nearly 15 to the block. This made an average of approximately 45 cars to the average block in GreenCastle and they represented an investment of something like \$45,000.

In addition, these cars cost upward of five cents per mile to operate, and from the looks of the congestion of the traffic, they were all being operated, as at one time a slight blockade occurred near the Banner office at 4:30 o'clock, and within a minute, two lanes of cars were honking for the right-of-way, one going east and the other west. Probably many of these cars had not been operated over something like 10,000 miles and this cost the owner not less than five cents a mile.

Yet the people cry hard times and say they are short of funds, but there appears to be plenty of cash for pleasure in any line.

## ARRIVE AT BOLLING FIELD

WASHINGTON, June 30 (UP)—Major Charles E. Kingsford-Smith, and the crew of the Round-the-World southern Cross arrived at Bolling field from New York at 11:12 a. m. today, to receive the congratulations of President Hoover and official Washington upon their flight last week from Ireland to Newfoundland.

## TERRE HAUTE PROFESSOR TO APPEAR HERE

### J. E. HANKINS MAY FACE SEVERAL CHARGES IN CITY COURT COLLISION ON SATURDAY

#### FAILED TO STOP AT CROSSING

#### Accident Occurred At Intersection Of Jackson And Walnut Streets In This City

As the result of a collision at Jackson and Walnut streets about 9 o'clock Saturday evening, Prof. J. E. Hankins, 432 north Central avenue, Terre Haute, said to be a teacher in State Teachers college, will appear in city court here Monday afternoon, facing probable charges of reckless driving, and having no auto-drivers' license.

Hankins car and one driven by Howard Greenlee, of Coatesville, collided at the intersection when Hankins failed to observe stop signs on Jackson street, according to City Marshal Otto Dobbs. Hankins was driving south on Jackson and Greenlee east on Walnut, according to the officer.

Miss Hazel Alverson, daughter of Mr. and Mrs. H. Alverson, 8 west Poplar street, was riding with Hankins, suffered minor injuries and from shock.

Greenlee was accompanied by Ward Rollings and Raymond Stewart, also of Coatesville.

It was said Hankins' car collided with a second parked car belonging to A. O. White, local cleaner, following the first crash.

Hankins was to report in city court Monday afternoon to answer charges which Marshall Dobbs said he would file.

## One Hurt When Autos Collide

### MRS. GEORGE CONKLIN SUFFERS INJURED WRIST IN CRASH SUNDAY

Mrs. George Conklin, Arlington Avenue, suffered an injured wrist in a collision between cars driven by Mark Kocher, local barber, and J. F. Stone, Bloomington street road, early Sunday morning at Washington and Bloomington streets. Mrs. Conklin, housekeeper for Kocher, was riding in the Kocher machine.

It was said Kocher was driving east on Washington street and Stone was driving north on Bloomington, the collision occurring where the two streets join. Both cars were damaged but Mrs. Conklin was the only one hurt. She was taken to the office of Dr. W. R. Hutcheson where the wrist was placed in splints.

Stone is said to be a car repairer for the Pennsylvania railroad.

## THIS WEEK'S WEATHER

Mostly fair except for thunderstorms about Tuesday and again on Thursday; warmer first part and middle of week and slightly cooler shortly after middle of week.

## YOUTH DROWNS AT WILLOW BEACH POOL

### FRED HANSILWOOD, 10, FIRST PUTNAM COUNTY VICTIM THIS SUMMER

Putnam county's first drowning of the present summer season occurred Sunday afternoon at Yellow Willow beach in Washington township, when Fred Hansilwood, 10, drowned while swimming. The body was recovered.

Yellow Willow Beach is a popular swimming pool in Big Walnut creek, south of the Butler school house. The bathing resort is operated by Mort Rissler.

## GANGSTER IS KILLED

CHICAGO, June 30 (UP)—The body of Mike Gallicchio, member of the notorious "42" gang, who apparently was the victim of a gang "land" "ring," was found today, face down, in a muddy ditch along the Joliet highway in Cook county. Gallicchio had been riddled with bullets and his body tossed into the ditch, half burying his head in mud and water. When the body was picked up a nickel dropped from the clenched fist.

**AB HENSLEY SEEN**

Ab Hensley, Greencastle man, former inmate of the County Infirmary, feared last week to have been the torch victim of Harold Herbert Schroeder, was reported seen in a who camp at Charleston, Ill., last Friday by Edgar Shamel, north Madison street, a Big Four railroad employee, who was in Charleston last week. Hensley who disappeared from the County Farm, had not been heard of or seen for some time, which gave rise to rumors that he might have been the hitch-hiker picked up by Schroeder whose charred body was later found in Schroeder's burning auto near Indianapolis.

Shamel reported that Hensley apparently was having a good time. He said Hensley did not recognize him but that he positively identified the man as Hensley. It was said Hensley ran away from the County Farm because he did not like the food served.

### Frank Butler Tourney Winner

SHOOTS A 76 FOR 18 HOLES TO COP NORTHWOOD GOLF MATCH

Frank Butler won the 18-hole golf tournament held at the Northwood course Sunday, turning in a card of 40 and 36, for a total of 76. Shooting from "scratch" as did all the players entered, Butler's score was only 10 above par which is exceptionally good.

Some other fairly low scores were also turned in by the twenty or more players who took part. The majority of the cards turned in for the 18 holes however, totalled in the 90's, and there were also several who broke the 100 mark.

By winning Sunday's tourney, Butler will hold the crown of Northwood champ until next season. Scores of the tourney will now be used in determining handicaps for all the players in other tournaments to be held this summer.

**QUESTER ACTION LOOMS**  
ALBION, Ind., June 30(UP)—Movement to oust two Noble county commissioners appeared likely today as the result of the findings against them by a county grand jury.

The officers are Charles W. Bender and John W. Long, who were charged with maladministration of office, or the expenditures of funds without following the legal procedure of advertising for bids.

Fourteen indictments against 16 persons and two corporations were returned by the grand jury, which examined more than 100 witnesses and studied the records of three county offices.

**CLOVERDALE LOST**

AT THE INDIANA

The Indiana theatre this week is presenting one of its biggest programs of the year. It is their anniversary and also the return of Charlie Davis.

Davis, who has been absent from the Indiana for the past three months, will be back with his band. He will offer two stage units. First, his band in "Twenty Minutes of Whoopee" and second, the Public stage attraction, "Dude Ranch" in which he is supported by a big cast of stage celebrities.

The feature screen attraction is "safety in numbers" starring Buddy Rogers. In this picture is the pleasant duty of five beautiful girls to "educate" Buddy, youthful heir to countless millions, to the wiles and wicked ways of that gay metropolis, New York. And what a job they make of it. And how Buddy takes the "education". One of the girls, a demure brown-eyed charmer, loses her heart to Buddy even though her infatuation has nothing to do with the so-called "education of our young hero. The young ladies are Kathryn Crawford, Carol Lombard, Josephine Dunn, Geneva Mitchell and Virginia Bruce.

The songs featured in this picture that are said to be destined to become big hits are "My Future Just Passed", "Do You Play, Madame?" and "The Pick-Up".

Supporting Charlie Davis in "Dude Ranch" is Burns and Kissen, the comedy songsters, The Darling Twins, a duo of peaches, The Rangers, a rodeo of a song and "Jazz Lips" Richardson, a hot chocolate.

Dessa Byrd will be heard at the organ and a Paramount sound news reel will complete the bill.

ROBINSON HAS FIRST OPPONENT FOR 12 YEARS

ARKANSAS SENATOR'S ADVERSARY HOPES TO GAIN ANTI-SMITH SUPPORT

LITTLE ROCK, Ark., June 30 (UP)—Senator Joe T. Robinson, the vice presidential candidate on the Democratic ticket two years ago, has gotten down to some stiff campaigning for the first time in 12 years.

The usual unopposed Democratic senate leader has run into an opponent this year in his race for re-nomination.

And more surprising in political circles is that Tom W. Campbell, Little Rock lawyer, opponent of Senator Robinson, is considered by many as Robinson's nemesis.

It is the first time since 1918 that Robinson has had an opponent. Robinson had held the senate seat since 1913 when he was named by the state legislature to fill a vacancy.

Robinson recently returned to his home state, the first time since last January when he was preparing to leave for London to attend the London naval treaty conference.

He returned to get his campaign machine in action.

Little attention was paid to Campbell's campaign at first. Only when reports drifted into Robinson's headquarters from over the state did friends of the senator take cognizance of the reported strength Campbell is said to be gaining.

Campbell is vigorously stumping the state. Echoes of the 1928 campaign have become an increased noise in the present fight. The Anti-Smith forces over the state of two years ago are said to be opposing Robinson.

Campbell is making a bid for a large share of more than 100,000 votes cast against Smith, and which nearly turned the rock-ribbed Democratic state Republican.

Campbell in his campaign has charged that Robinson is a representative of power trusts.

The senatorial race, however, is just one feature of the Arkansas primary fight. A record number of candidates have entered the political free-for-all this year.

Five candidates are in the gubernatorial race, with three making vigorous campaigns.

Gov. Harvey Parnell, who was named chief executive in 1927 upon the appointment of Gov. John E. Martineau to a federal judgeship, and who was elected for a full term in 1928, is seeking re-election on the administrations' record.

His chief opponent, seemingly at the present, is young Brook Hays, 31-year old lawyer, who was runner-up for the nomination in 1928.

Both Hays and Parnell have come in for attacks from Judge John C. Sheffield of Helena. The other two candidates are Thorton Batesville, a state representative, and A. R. Hill, highway employe, Little Rock.

The campaign is centered around the state highway commission and the state road program.

Eleven candidates have started a scrambled fight for the lieutenant governor's nomination.

Other state officials, congressmen, state senators, and representatives will be nominated at the Democratic primary August 12.

The most bitter congressional fight is being waged in the second district the former district of Congressman William Oldfield. Upon his death, his wife, Mrs. Pearl Peden, was elected at a special election. She is not a candidate this term.

Eight candidates are seeking the seat in Congress.

MAY PROVES BANNER MONTH FOR AERIAL TRANSPORTATION INCREASE

PHILADELPHIA, June 30 (UP)—The month of May his year was the banner month for aerial passenger transportation, according to a survey just completed by the Transcontinental Air Transport-Maddux Air Lines here. The first week of the month however, also showed the heaviest week's traffic in the history of the company, which was organized nearly a year ago.

In May eighteen planes of the TAT-Maddux Air Lines, which are operated daily, carried 5,474 passengers and flew 244,286 miles. In April the lines carried 4,164 passengers and traveled 243,443 miles. In the last week of May, 1431 passengers were carried, compared with 1,249 the previous week.

The report showed that 1930 has seen a substantial increase in traffic over the TAT-Maddux system. In the first five months this year 19,307 passengers have used the new system of transportation and the planes of the company, which operates in conjunction with the

PAROLED PISONER MUST STAY IN PRISON. LA PORTE, June 28 (UP)—Edw. L. Bunch, Nashville, Tenn., must continue as a convict in Indiana state prison despite the fact that former

Pennsylvania alroad and the Santa Fe Railroad have flown 971,242 miles. Slightly more than half the travel last month was over the Eastern section of the system, between the Atlantic seaboard and the middle west, and between middle western cities. This, the report says, indicates the growing popularity of aerial transportation with business men in their daily routine.

The balance of the travel was over the California divisions between San Francisco and Agua Caliente, Mexico, and over the western section between Clovis, N. M., and Los Angeles.

PROHIBITION PARTY MAY BE ACTIVE AGAIN

TWO MAJOR PARTIES WORK INTO COMPLICATED SITUATION ON 18TH AMENDMENT

ALBANY, N. Y. June 30 (UP)—Revival of the Prohibition Party which has been missing from the political lists for many years, is seen as a possibility in the fall elections because of the complicated position into which the two major parties in New York State have worked themselves on the 18th amendment.

If such a revival does come about, it appears the Prohibitionists will find the core of their strength in the dry faction of the Republican party. The Democratic state organization is on record as favoring an amendment to the Volstead Act to permit the sale of light wines and beer.

But the Prohibition issue has split the Republicans into factions of almost equal strength. The wet camp is headed by former United States Senator James W. Wadsworth, who insists that a dry candidate cannot hope to win. William H. Hill, of Binghamton, known as "the original Hoover leader," is equally emphatic in declaring that an anti-Prohibition candidate will be defeated. He has mustered the 10 counties along the Pennsylvania border, a block that is known as "the Southern tier," and contends that such powerful backing will make it impossible for the wets to nominate a candidate.

Hill even goes further. He intimates that the dry Republicans may nominate an independent candidate if the Wadsworth faction is victorious. Political experts point out that such a move would open the way for revival of the Prohibition party.

The Prohibition issue is proving less disturbing to the Democrats who have Gov. Franklin D. Roosevelt ready to run for re-election. There have been frequent intimations that Roosevelt personally is dry. Recently it was reported that the dry faction was in possession of a letter written by Mrs. Roosevelt in which she was said to have stated that her husband favored Prohibition. She denied ever having written such a letter or making any such statement to that effect.

Efforts have been made recently to have Roosevelt discuss his views fully. It is generally believed that Wadsworth will support the candidacy of George R. Fearon, state senator from Onondaga, but there also are rumors that the former United States Senator may attempt to obtain the nomination himself.

Governor Ed Jackson granted him a parole two days before expiration of office January 14, 1928, Alfred E. Link, La Porte circuit judge, ruled today.

Link ruled that he could not determine the question of what Jackson intended to do when he wrote a parole for Edwin L. Bunch instead of Edward L. Bunch, on January 12, in denying the writ of habeas corpus.

Jackson testified that he had intended the parole for Bunch, and that a clerical error was responsible for the release being written for Edwin instead of Edward.

Jackson said leniency had been approved by the parole board. A letter was introduced by the state, which was written by John Hilldrop, Nashville, Tenn., attorney for Bunch, in which he urged the governor to grant the parole irrespective of action of the parole board.

Jackson said he conferred with Michael Paey and Toy Deussen, prison trustees, a few days before the end of his term, and they approved his proposed action. In a proved his proposed action. In a telephone conversation with John Moorman of Knox, another parole board member, approval also was given, he said.

SOBER TOO LONG. MARION, Ind., June 30 (UP)—Seven years on the "water-wagon" ended disastrously when William A. Myers decided to take "just one more."

He had just broken his long period of abstinence when police descended upon him. He was fined \$10 and costs.

"I really am through this time," he said sadly.

RUM RUNNER WANTS TO ASSUME WIFE'S BLAME. BLOOMINGTON, Ind., June 30 (UP)—An alleged rumrunner in jail at Bloomington has asked to be sentenced to prison so that his wife may go free.

Harry Carr, arrested as a fugitive from justice, said he alone was responsible for the charge of which he and his wife are slated.

The couple was tried a year ago on the charge but the jury failed to agree. Date for a new trial was set and when Carr failed to appear a warrant was issued for his arrest. He claims he was ill in an Illinois hospital at the time and was unable to attend the trial.

OLNEY COLLEGE STUDENTS LIVE SIMPLE LIVES

BARNESVILLE, O., June 30 (UP)—Few American schools have undergone as few changes in student activity or clung to tradition so tenaciously as Olney college, a small Quaker institution located here.

Ever since the school's founding in 1876, Olney students have plodded along the same course of recreational and social enjoyments as their predecessors, disdaining new movements in collegiate activity.

A co-educational school, Olney has yet to schedule its first prom or arrange its first inter-collegiate athletic schedule since students here neither dance or accept sports on an equal rating with their curriculum.

Smoking is unknown among male students just as cosmetics are alien to the co-eds. Jazz music is spurned; petting parties unheard of and drinking entirely beyond the realm of Olney comprehension.

Athletics are carried on but only in a restricted form. Contests between classes provide the "big moment" on the sportive calendar.

But despite the dearth of activity which normally attends American college life, Olney students strike the appearance of being more contented. Residing as one large family, students and faculty mingle with an affection that is rare beyond the family hearth.

With the exception of Urbana college, Urbana, O., which has less than 50 students, Olney probably is the smallest college in the country. An enrollment of 65 produced 18 graduates in this year's senior class. The

ANTIQUE FURNITURE FOUND

NEWCASTLE, Ind., June 30 (UP)—A piece of a suite of antique furniture forgotten for 40 years was found in a barn today when Ray Stillwell of this city was searching for a piece of baling wire.

The suite has been in the Stillwell family since Mrs. Stillwell's great-grandfather purchased it in New York in 1850.

The date "August 1781" is carved in one of the pieces but whether the suite is that old or was placed there to give it a greater sense of antiquity is not known.

VALUABLE GROUND. PLYMOUTH, Ind., June 30 (UP)—Five acres of land considered worthless for years because it would produce nothing, was found to be a valuable peat deposit today.

County agent L. M. Butler found the ground was similar to that imported from abroad for the use of greenhouses and as litter for baby chicks. The ground is also good for use as a mulch for the growing of roses and other crops.

FAITHFUL BULLDOG. CONNERSVILLE, Ind., June 30 (UP)—So faithfully did Clarence Hall's bulldog guard the contents of his wagon which had been demolished that police were unable to remove the goods to protect them from the rain.

Four persons had been hurt in the wreck and blankets and other articles were strewn along the road.

BICYCLE "RACKET" STOPPED. FT. WAYNE, Ind., June 30 (UP)—A wholesale bicycle racketeer is believed to have ended business with the capture of Elmer Lamson, said by police to have admitted to the theft of 40 bicycles here. He is said to have sold them in nearby towns.
