

### DUNTY FAIR RULES RELEASED BY SUTHERLIN

THE PUBLIC WEDNESDAY BY SECRETARY OF FAIR ASSOCIATION

The rules for the 1945 Putnam County Fair were released today by Roy Sutherland, secretary of the association. The rules selected by the Rules Committee working with the superintendents and the board of directors. The Rules Committee, consisting of Harry McCabe, chairman, Robert Coffman and Glen Irwin, and the superintendents will make any subsequent changes that may be necessary for uniformity.

The rules for the Putnam County Fair follow:  
**SHEEP**  
Lambs to be eligible must be born on or after January 1, 1945.

Pen of lambs defined:—Two ewes and two ewe lambs. In classes where there is one exhibit, first ribbon and money will be given if the exhibitor and the superintendent consider the exhibit worthy.

All sheep must be pure bred eligible to registry with the respective breed association.  
**BEEF CATTLE**

Open to any person in Indiana whose calves have made official qualifying weight requirements in Hoosier Gold Medal Club.

There must be four calves in a class, in cases where there are not enough calves to make a class, breeds may be combined. All ages reckoned from January 1.

Entries close on Thursday, June 27, 10:00 A. M. and must be in place at that time.

Entries open to amateur exhibitors. Amateur commercial exhibitors will not compete against each other.

An amateur is one who has his plants for the love of and enjoyment of beautiful flowers. All plants and flowers must be grown by the exhibitor. A professional is one who has his plants for profit.

Sweepstakes will be awarded. No entries to be removed after 4:00 P. M. Friday.

The American Standard of Poultry shall be the guide in judging awards.

All specimens to be judged by comparison.

All birds must be entered under the name of the true owner. Violation of this rule shall qualify offender's entire exhibit for disqualification.

Terms defined:  
1) Cock—A male bird hatched prior to 1945.  
2) Hen—A female bird hatched prior to 1945.  
3) Cockerel—A male bird hatched during 1945.  
4) Pullet—A female bird hatched during 1945.

Pen to consist of a male and two females. Example—two cocks and two hens or cockerel and two pullets. Birds entered in the classes can not compete in the prizes.

Hatchery flock must contain 10 female and one male, either spring hatch or old birds mixed.

All entries must be free of all disqualifications as set forth in the Standard of Perfection, as judged by comparison for production of both meat and eggs.

**VEGETABLES**  
This exhibit is open to anyone who may want to make one or more exhibits by fulfilling the requirements. In order to qualify for prizes all exhibits must be correctly identified by their names.

### Dies in Prison Camp

Marvin C. Dunivan

Mr. and Mrs. George Dunivan received the following brief summary of circumstances surrounding the disappearance and death of their son, Pvt. Marvin C. Dunivan:

"Pvt. Dunivan, member of a weapon platoon, moved into Luttrebois, Belgium, at 3:30 on the afternoon of Dec. 29, 1944. Opposition was slight during the occupation of the town, but later in the day troops tried to take some high ground northeast of town and met heavy resistance from the enemy. They remained in town during the night. On December 30, at 4:15 a. m., the enemy began attack with the infantry and tanks and by 5 o'clock the town and troops were completely surrounded. Only a few men were left in the company and all attempts to reach them failed. Since the town was taken all evidence shows that the enlisted men were captured."

An official message has now been received from the commanding general of the European Theater of Operations, stating that he died on March 22, 1945, while a prisoner of the German government. He was ill and placed in a hospital and improved to the extent that he was released from the hospital on March 16 but on the 17th he was worse and readmitted to the hospital having contracted pneumonia, and on the 22nd suffered a heart attack which was fatal. His death was based on a certificate signed by an American officer of the Medical Corps, who was also a prisoner of the war; camp. The message was signed by J. A. Ulio, Major General.

Pvt. Dunivan was born and lived his entire life in Stillville, Mo. He was an only child and a grandson of Mrs. John Knauer of this city.

Prior to his induction he was road supervisor of Franklin township, Hendricks county.

**SKELTON RENAMED ON CITY SCHOOL BOARD**

At a meeting of the Township Advisory Board Tuesday, Raymond Skelton was re-appointed for a two-year term as a member of the Greencastle school board. His present term of office expires on August 1.

The Township Advisory Board is composed of Fred Crawford, Dr. O. J. Overstreet and James Albin. Other members of the city school board are Walter Cox and Dr. D. W. Killinger.

**AUTO IS DAMAGED BY HIT-RUN DRIVER**

As result of a hit-and-run driver Tuesday night about 11 o'clock, the automobile driven by Jake Huffman, was damaged near the Ernest Rader home on the east Washington street road.

According to reports, Mr. Huffman was going east when a car swung out of the north road at the nearby intersection and speeded west on Huffman's side of the highway. The left side of his car was damaged but Mr. Huffman fortunately escaped injury. The other car did not stop.

The state police were notified and conducted an investigation.

**PLAN STATE 4-H SHOW IN INDIANAPOLIS, June 27**  
The state 4-H Club show will be held again this year. Lt. Governor Richard T. James announced today.

James, with Orval C. Pratt, secretary of the State Fair Board, and Albert DeFr of Booneville, a member, conferred with Office of Defense Transportation officials.

### CELEBRATION PLANS COMPLETE AT ROACHDALE

LIONS CLUB IN CHARGE OF THREE-DAY PROGRAM

The 1945 Fourth of July celebration in Roachdale on July 2, 3 and 4 is being eagerly anticipated by hundreds of Putnam county residents and residents of adjoining counties. The plans for this year's event call for plenty of entertainment for young and old, and if the success of these celebrations in past years is any criterion, the 1945 celebration will be one of the most successful that has been promoted by the Roachdale Lions Club.

Since its founding several years ago, the progressive north Putnam civic organization has been instrumental in the promotion and operation of a number of projects of benefit to the community, the promotion of patriotic service and in bringing enjoyment to the citizens of Roachdale community. It has been proved that when this organization undertakes to do something, that the members work as a unit to make it a success. According to the committee in charge of the plans for the celebration on July 2, 3 and 4 are completed and Roachdale is ready to welcome the many who will attend this year's event.

Feature attractions will be the free street entertainment consisting of WLS artists, high pole and trapeze artists, and the concert by the Danville high school band. The Athens City Four, a quartet consisting of Crawfordsville entertainers, who have won considerable radio fame in Indiana, will be on the program. The display of fireworks is included on the program and for many years has been one of the highlights of the entertainment provided at the celebration.

Except for the first two years of the war, a Fourth of July celebration has been a tradition with the Roachdale Lions Club. Credit is given for this year's celebration to the following: Executive Committee, John Clark, Galen Irwin, Blaze Robertson; Entertainment, Eugene Hutchison; Advertising, Robert E. Myers, Concessions, Arlie Faller; Decorations, Dan Wilson, and Fish Stand, L. M. Meece.

**MAJOR D. C. MOFFETT IS TRANSFERRED TO NEB.**

Word has been received here that Major Donovan C. Moffett has been transferred to the Alliance Army Air Field, Alliance, Neb., where he will be permanently stationed.

Major Moffett and family will be settled in their new location during the next few days as they left Ft. Benning, Ga. Saturday.

**FATAL ACCIDENT**

**MARTINSVILLE, June 27.**—(UP)—An automobile crashed into an Illinois Central freight train at a Morgantown crossing yesterday, killing Helen L. Wilson, 23, of Morgantown, and injuring four other persons.

**55,000 TIRES AVAILABLE IN INDIANAPOLIS, June 27.**—(UP)—The Office of Price Administration announced today that 55,000 tires would be available next month for B and C gasoline ration card holders in Indiana.

Joe R. Rimstidt, state OPA tire rationing officer, said that the supply would be insufficient to furnish all motorists whose applications now were on file.

He added that requests for tires increase with hot weather, when more tire failures occur.

**HOG MARKET**

Hogs 5,000; active, steady; good and choice 160 lbs., up, bulk 140-160 lbs., and some lighter weights \$14.80; 100-140 lbs., \$13.50-\$14.50; good and choice sows \$14.05.

**WANTS MONTGOMERY WASHINGTON, June 27.**—(UP)—President Truman has asked Prime Minister Winston Churchill to make Field Marshal Sir Bernard L. Montgomery commander of the Ruhr, highly placed sources said today.

### PRESENTS DIPLOMA TO GRANDDAUGHTER

Dr. Henry B. Longden, professor emeritus of German and former vice-president and acting president of DePauw University, was in the platform during DePauw's 106th annual commencement exercises to present the diploma to Lucy Louise Longden, his granddaughter, who was graduated with distinction. Miss Longden is the daughter of Mr. and Mrs. Grafton Longden of Greencastle.

### COUNTY MAKES GREAT RECORD FOR 7TH LOAN

Putnam county sold its quota of E bonds and more than doubled its quota of sales in all other kinds of bonds sold, John W. Earnshaw, Seventh War Loan county chairman announced today.

Russell township lead all townships in the county in the sale of E bonds in the Seventh War Loan, and Greencastle lead in other bonds. Russell had a grand total of 206.7 per cent in E bonds, while Greencastle's percentage was 326.9 per cent of its quota.

The corporation quota for the county has been exceeded, according to Mr. Earnshaw and once more Putnam county ranks high in Indiana in the sale of war bonds. It is likely that when the next war loan drive comes along, it being probably the last one, Putnam county will have reached the enviable record of having exceeded its quota in every bond drive for the support of the Second World War.

Corporation purchases allocated to Putnam county show the following grand totals:

Townships	Series E	Individuals	Total Sales	% of E	% of Total
Clinton	\$ 11,200.00	\$ 22,900.00	\$ 34,100.00	79.8	191.2
Cloverdale	19,375.00	35,118.00	54,493.00	92.1	195.4
Floyd	13,131.25	3,700.00	16,831.25	93.7	30.9
Franklin	53,843.75	41,000.00	94,843.75	180.7	161.1
Greencastle	117,143.75	391,702.10	508,845.85	83.6	326.9
Jackson	17,781.25	14,648.00	32,429.25	126.8	122.3
Jefferson	14,184.00	22,706.94	36,890.94	57.8	108.3
Madison	8,818.75	6,000.00	14,818.75	125.8	100.2
Marion	20,612.00	24,500.00	45,112.00	117.6	162.5
Monroe	20,906.25	11,500.00	32,406.25	119.3	76.8
Russell	54,331.25	31,118.00	85,449.25	206.7	138.5
Warren	5,912.50	4,300.00	10,212.50	84.3	71.8
Washington	17,062.50	16,100.00	33,162.50	97.4	107.5
	\$374,302.25	\$625,293.04	\$999,595.29	106.8	208.8

As indicated by the report below some townships have not yet reached their quotas. Since there is yet time it is hoped that all townships will reach their allotments. Much credit is due those townships which have so well exceeded their quotas.

**LOTS OF BAGGAGE**

More than three railway freight cars were required to move the trunks of DePauw University students as the spring semester came to a close. Directing the moving is E. B. Reeder, (right) Indianapolis, route agent for the Railway Express Agency.

Shown with Mr. Reeder as the moving first got underway are, left to right, C. M. Bell and J. B. Coughlan, Greencastle; Ula Marie Ammerman, Cambridge City; Phyllis Odell, Chicago; Jane Powell, Cleveland, O.; Cora Lou Richer, Oak Park, Ill.; Virginia Zebold, Kenilworth, Ill.; Marilyn Seabrook, New Albany; Joan Cahall, Evanston, Ill.; Mary Arnold, Charleston, Ill.; and Janet Cadmus, LaGrange, Ill. Standing on the truck in the background are Morris Crangle, Julian Birt, and Herschell Culley, of the Greencastle Express office.

### JAPS LOSING OUT IN BORNEO AND ON LUZON

AUSSIERS TAKE OILFIELDS; YANKS TRAP LAST NIP REMNANTS

**MANILA, June 27.**—(UP)—Australian troops completed their conquest of northwest Borneo's rich oilfields today and Tokyo reported a continuous bombardment of Balikpapan on the island's east coast.

At the same time Gen. Douglas MacArthur announced that liquidation of "the last enemy stronghold" on the Philippine island of Luzon was approaching.

The Ninth Australian Division captured the town of Miri, center of the oilfields of the same name which produced 1,318,000 barrels of crude oil in 1940. (Previously the Seria oilfields, the other important one in northwest Borneo, was overrun, fires lit by the Japanese burned in both oilfields, and storage tanks were wrecked.)

A Tokyo broadcast said that an Allied fleet "continues to fire Naval shells boldly" into the Balikpapan defenses. The enemy broadcast also said that Allied minesweepers still were operating off the oil center. Tokyo said the fleet was using "an extremely cautious method of operation."

In the Luzon fighting, less than 20 miles separated two American forces advancing north and south in Cagayan valley, where the last big enemy force was trapped.

The end of the Cagayan battle was in sight after the hard-driving 37th Division pushed through Tuguegarao, capital of the Province, and drove 10 miles beyond to the town of Iguig.

Elements of the 11th airborne Division, which landed near Aparri on Saturday, pushed two miles past Gattaran to a point about 25 miles south of Aparri.

Gen. Douglas MacArthur's communique today said that the liquidation of the last enemy stronghold is approaching.

The remnants of the two Japanese Divisions which had been concentrated in northern Luzon apparently were retreating into the wild hills east of highway five. There were few signs of the enemy when the 37th entered Tuguegarao, which was captured by a guerrilla force last week and subjected to heavy counter-attacks for several days after its liberation.

No less than five American Divisions, which could be used more profitably in operations elsewhere once Luzon is mopped up, were engaged in the final drive against the enemy. To the west of the Cagayan valley, the Sixth, 25th and 3rd Divisions ranged through rugged mountains to mop up scattered Japanese points of resistance.

**Spirited Hearing On Flood Control**

**VINCENNES, Ind., June 27.**—(UP)—Members of the U. S. board of engineers for rivers and harbors toured the southern Indiana-Illinois flood zone today, after ending a one-day spirited hearing on a broad water control program.

The seven-man board, composed of two generals and five colonels, spent several hours on a motor trip along the Wabash and White rivers before returning to Washington.

More than 700 farmers, land owners and state officials, many of whom opposed 21 proposed levees and reservoir projects along the Hoosier streams, attended the session yesterday.

Dams at Shoals and Spencer elicited the most heated opposition.

The engineers' final report was expected to be based on the results of the hearing.

According to well informed local sources Wednesday morning there was no objection presented at the hearing to the proposed Cagle Mill dam at Hoosier Highlands.

### COMMIT HARI KIRI OKINAWA, June 27

(UP)—The bodies of Lt. Mitsuru Ushijima, Japanese commander in chief on Okinawa, and his chief of Staff, Lt. Gen. Isama Cho, were found yesterday in shallow graves on the southern sea cliff where they had been taken after a dramatic harakiri ceremony.

The two generals had decided to kill themselves June 21 when their last stronghold, an elaborate system of inter-connecting caves on Mabuni Ridge, had been surrounded, according to a prisoner of war.

General Cho was wrapped in a white mattress cover on which his epitaph was written in his own handwriting. It read:

"I depart without regret, fear, shame or obligation."

### MR. TRUMAN RETURNS TO HOME STATE

**MISSOURI PREPARES REAL WELCOME FOR NATIONS CHIEF EXECUTIVE**

**SALT LAKE CITY, June 27.**—(UP)—President Truman goes back to Maple Avenue and Pleasant street at Independence, Mo., today and in the course of his first homecoming as President, he will make one of the most important news announcements of his career.

Mr. Truman stopped overnight for a restful night's sleep after an arduous two days in San Francisco where he ended the United Nations conference with a climactic call for "world-wide rule of reason."

He was scheduled to leave here at 8:50 A. M. (CWT), arriving at an army airfield near Kansas City about four hours later.

This is the first time the President has been home since he went into the White House, and Independence and Kansas City were ready to pull out all the stops in giving him the welcome deserving of the Nation's No. 1 "Hometown boy who made good."

Once the parade through Independence is over this afternoon, the President will hold a news conference in the memorial building at Maple and Pleasant and make what his aides referred to as one of the biggest announcements of his career, both in the Senate and the White House.

The conference for reporters was scheduled for 4 p. m. (CWT). There was no clue as to the nature of the President's announcement. White House Press Secretary Charles G. Ross would not say whether the announcement would be primarily of Domestic or International interest.

(Usually reliable sources in London said they had no knowledge of any similar announcement scheduled in the British capital. This apparently ruled out possibility of a joint Big Three pronouncement of International affairs.)

The President left San Francisco late yesterday afternoon and arrived here about three hours later. Gov. Herbert B. Maw, George Albert Smith, president of the Latter Day Saints (Mormon) Church and a group of state Democratic officials met him.

The President was scheduled to arrive today at the Fairfax Army Airfield on the Kansas side of the Missouri river at about 1:30 P. M. (CWT) and will proceed immediately by automobile through Kansas City to Independence where he will be feted at a dinner by Mayor Roger T. Semon, and an evening celebration at the Latter Day Saints Temple in Independence.

Tomorrow the President becomes the homecoming property of Kansas City where his schedule includes a parade, a luncheon, an honorary degree from the Kansas City School of Law, an afternoon reception at the Muehlbach hotel, dinner with the Kansas City reception committee and another homecoming celebration at the Municipal auditorium that night.

The President was highly anticipatory about his first visit home as Chief Executive. He was in a hand-shaking mood

### JAPS REPORT YANKS INVADE KUME ISLAND

HEAVY FIGHTING UNDERWAY 50 MILES WEST OF OKINAWA

**GUAM, June 27.**—(UP)—Tokyo said today that American invasion forces, enlarging their Ryukyu springboard for landings in Japan and possibly China, stormed ashore yesterday on Kume Island, 50 miles west of Okinawa.

The Japanese garrison intercepted the invaders and heavy fighting is under way, radio Tokyo said.

Capture of Kume would give the Americans their closest base yet to the China coast, 360 miles to the west. The tiny island lies in the East China Sea some 600 miles northeast of Formosa and 100 miles southwest of Japan proper.

There was no immediate confirmation of the landing report from American sources, but Tokyo said yesterday that 200 American warships and landing craft were assembled in the American-held Kerama Islands, half way between Okinawa and Kume, for new landings in the Ryukyu Island chain or possibly in Japan itself.

The Tokyo newspaper Yomiuri Hochi saw a "great possibility" that American forces would land in China before invading Japan.

Such a thrust would be designed to sever communications between Japan and the Asiatic continent and hamper "the transportation of fighting forces, military supplies and foodstuffs into our homeland," the newspaper said.

"Our government and army and navy forces, however, are fully prepared to cope with these enemy plans and are keeping a 'eagle eye' on all enemy moves," it added.

In invasion-jittery Japan, the enemy's biggest surviving oil refinery blazed following an attack by 50 Superfortresses just before midnight last night.

The B-29s bombed the Utsube River oil refinery, 18 miles southwest of Nagoya, only 14 hours after nearly 500 more of the big bombers had raided 10 aircraft and arms plants in Japan—the first time that Superfortresses have hit Japan in strength twice in 24 hours.

The Utsube River refinery was Japan's largest producer of aviation fuel.

Radio Tokyo conceded that fires were started in the attack, but said all were "quickly brought under control." It said bombers also attacked the coastal area south of Nagoya through an overcast.

Returning airmen reported good to excellent results in the large-scale daylight raid yesterday despite "soupy weather" thaticed their planes. Mustang escorting the bombers shot down two intercepting enemy planes and damaged six, but five B-29s were lost.

One Mustang was also lost, but the pilot was rescued at sea. More than 70 Superfortresses made emergency landings on Iwo, at one time landing at the rate of one every 30 to 45 seconds. Most ran short of fuel, but others had been damaged over Japan.

Tenth Army forces on Okinawa rounded up 802 more Japanese prisoners Tuesday, boosting the total for the 87-day campaign to 9,498. The number of Japanese dead remained at 101,857 for overall casualties of

**SEEKS INFORMATION**  
The Daily Banner is in receipt of the following letter:  
I have been seeking information of a Hardin family, who lived and died in Putnam County, Indiana. The father, known as "Big" John Hardin in history of Hardin family in early settlement of Kentucky, by Jack Hardin, and appears on the tax lists in Kentucky as "Big" John Harlin. He and his family were living in Putnam county in 1844. So far as I have been able to learn, their family consisted of three sons: John Harvey, Mark, and Eli. I should like to learn if there were more children of "Big" John and Elizabeth (Paine) Hardin. I hope that someone may be able to supply me the information I desire.  
Yours very sincerely,

**Personal and LOCAL NEWS BRIEFS**

Mrs. Frank Torr, Greencastle, had green beans for dinner, June 27, which she picked from her own garden.

Mrs. Robert T. Kimberlin and children of Piedmont, California will arrive today for a few days visit with relatives and friends.

Mrs. Will Gildewell, 8 Poplar street, left Tuesday for Oklahoma City, to visit her daughter and family, Mrs. I. L. Patterson, and before returning to Greencastle, she will visit her cousin, Mrs. Henry Benick in Houston, Texas.

Pvt. James C. Hedge of Scott Field, Illinois, Mrs. James Hedge of Middletown, Ind., Mrs. Emerson Clark and Mrs. Zaring Duell of Reelsville, Ind. spent Sunday with Mr. and Mrs. Melvin Hedge and family.

City firemen were called to the corner of Bloomington and Hanna streets shortly before 11 a. m. Wednesday when two electric light wires were reported crossed and on fire. Employees of the Public Service Company also arrived on the scene and took care of the trouble.

Mr. and Mrs. W. E. Roche and daughter, Patricia, and Mrs. B. E. Curran of Mt. Vernon, Ill., are the guests of Mr. and Mrs. Frank J. Thomas and Mr. and Mrs. Charles W. Martin and daughter, Laurette, while en route to Pittsburgh, Pa., and points in the east. Mrs. Roche is a sister of Mr. Thomas.

The Arthur Jordan Conservatory of Music will present the students of Bernice Van Sickle in "All Around the Town" at the Civic Theatre Wednesday, June 27 and Thursday, June 28 at 8:00 o'clock. The audience is conducted on a tour of Indianapolis from the Union Station to the downtown stores, the Monument, the schools, the candy shop, the theatre, Riley Home, Indiana Avenue, the USO and many other interesting places. Beverly Trembley of Greencastle has a solo part in the style show given at a downtown store.

Marcia O'Brien, daughter of Mrs. Cecil O'Brien, a former Greencastle resident, is featured in several numbers. Marcia has studied at the Conservatory for several years and has become a beautiful singer. Her solo "When you wish upon a Star" will long be remembered by those who hear it.

**FILMS TO BE SHOWN**  
Motion pictures will be shown this evening at Robe-Ann Park. Films to be shown are "Yellowstone National Park" and "Normandy Invasion."

**IMPROVEMENT OF EITEL BUILDING AFTER WAR**  
J. J. Eitel who purchased the Tucker office building stated today that the proposed improvement of the building will be a post-war plan and until that time it will be used as an office building.

Mr. Eitel said plans of the improvement will not be completed until his son, Kenneth, returns from the army, and materials are available. It will be remodeled into a floral shop and will be one of the beauty spots of the city when completed. That may be one or two years hence, however, but will be another job to be completed in the city, once the war has been won.

**SERVICES SUNDAY**  
It was announced today that the Putnamville church will have Sunday School at 9:30 o'clock Sunday morning, July 1. There will be preaching services at 11 a. m. conducted by the minister, Rev. William J. Evans.

**YANKS INVADE**  
(Continued from Page One)  
111,351.  
A dispatch from Okinawa said the bodies of the Japanese commander, Lt. Gen. Mitsuru Ushijima, and his chief of staff, Lt. Gen. Isama Cho, were found Monday in shallow graves on the island.  
They had committed hari-kiri at a formal ceremony after their last stronghold, an elaborate system of inter-connecting caves on the southeast coast, had been surrendered.

**CHARGES MADE**  
DETROIT, Mich., June 26 — (UP)—A Detroit attorney charged today that officers of three southern Indiana counties were guilty of "fraud, high crimes and misdemeanors."  
The attorney, Herbert W. Lane, said he had lodged a formal complaint with the U. S. senate judiciary committee, demanding a congressional investigation of southern Indiana circuit courts.  
He made the charges against officers of Dubois, Orange and Crawford counties, accusing them of fraud in the dissolution of the Springs Valley Investment Company, Inc., Jasper, Ind.  
Lane represents the stockholders of the company. He appealed for relief from the "stealing and withholding of transcripts of court records" to prevent his appeal to Indiana supreme and appellate courts.  
"Characters involved are notorious gamblers and criminals and so are their attorneys," Lane said. He identified as "notorious" Ott Workman, now serving a life term in state prison; Cliff Marshall, Fred Cass and Olive Ballard, all of Jasper.  
Lane charged that persons listed in the complaint were interested in gambling and resort concessions in the vicinity of French Lick, Ind., widely known as a midwestern spa.

**ARMY MAY LOWER DISCHARGE POINTS**  
WASHINGTON, June 27.—(UP)—The army is expected to lower the number of points required for discharge from 85 to between 78 and 80 in the next few weeks, it was reliably reported today.  
At the same time members of the House military affairs committee said they anticipated no change in the army regulation qualifying men for automatic discharge on reaching 40 years of age.  
They also said that the army will stand on its demands for 7,000,000 men to lick Japan. If one group is relieved of service the pressure will mount for release of other groups, they said.  
However, the army itself has made it clear that some time soon the number of points needed for discharge will be further reduced.

**BOYS WOUNDED**  
HARTFORD CITY, Ind., June 27.—(UP)—Two Hartford City youngsters were recovering today from gun wounds which they said were inflicted by a Kosciusko county farmer as they hiked with a group of boys from Camp Crosley on Lake Tippecanoe.  
The boys, Jimmy Rawlings and Ronald Brown, both 10, were brought to their homes yesterday from the camp. They said that they were hiking with other young campers when their supervisor, Robert Moore, decided to take a short cut to get back to camp.  
Receiving permission to cross one farm, Brown said he did not realize he was on another farm until the group saw farmer Robert Garber leave his tractor and get a shotgun.  
Garber fired two shots, the trio said. Pellets hit the Rawlings boy in the face and arm. The Brown boy was not seriously injured.  
Camp officials who called Garber for questioning said the farmer denied shooting at the group. He said he shot above them to frighten them.

An investigation was sought by authorities at the camp through the Kosciusko county prosecutor.  
**CHARTER SIGNED**  
SAN FRANCISCO, June 27.—(UP)—With the United Nations charter finally approved and signed, representatives of the 50 countries scheduled one final meeting today to set up a "preparatory" commission to plan for the first meeting of the new world peace-keeping organization.  
The United Nations conference is ended after nine full weeks of deliberation and debate. It was adjourned by Secretary of State Edward R. Stettinius, Jr., last night at 7:29 p. m. CWT, after hearing President Truman's solemn plea for speedy ratification of the new world charter.  
The signing of the charter by the participating nations was completed at 9:18 p. m., with the delegates of Guatemala the last to append their name to the historic document.  
The ink was hardly dry on their signatures when most of the top delegates started back to their posts. Stettinius left with a plane load of American and foreign delegates after dinner. Mr. Truman had departed for Salt Lake City even earlier.

**OPA PROBE**  
INDIANAPOLIS, June 27.—(UP)—An OPA investigation of an alleged potato black market in Indiana was in progress today. First phase of the inquiry resulted in penalties yesterday against six Indianapolis retailers. Each was ordered to pay \$50 administrator's settlements for selling the vegetable above ceiling prices.  
Food Attorney George Kistler of the Indiana district OPA, said that a "lively" black market in the staple vegetable, had hit Hoosier tables.  
The OPA said that retailers blamed suppliers and itinerant truckers for a major potato shortage, but that they generally refused to testify against the suppliers for fear of losing their source of supply.  
This complicated the OPA's probe, Kistler said.  
Other OPA authorities pointed out that potatoes normally are less plentiful this time of the year, but that the channeling of part of the supply into the black market had further reduced the available amounts of the vegetable for consumers.

Just a memory fond and true,  
Just a token of love's devotion,  
That our hearts still long for you.

From this world of pain and sorrow,  
To the land of peace and rest,  
God has taken you, Dear Billie,  
Where you have found eternal rest.

Peaceful be thy rest, dear Billie,  
It is sweet to breathe thy name,  
In life we loved you dearly,  
In death we do the same.

Mr. and Mrs. Glen Hutchins and children.

**Why Phillips is Today One of the Country's Greatest Producers of Butadiene for Synthetic Rubber**

The fast-rolling truck pictured above is one of the famous "Red Ball Express" that kept the supplies rolling across France in the wake of the victorious Yanks.

But that truck also represents one of the biggest headaches tire men—and oil men—have had to face in this war!

You see, our synthetic rubber program has had to overcome more than the lack of raw rubber from the Jap-held East Indies. It has had to cope with a fantastic demand for tires for Army trucks and other vehicles.

Why is that demand fantastic? Just imagine speeding along roads pitted by shellfire and sprinkled with shrapnel... hub-deep in mud, or rutted in frozen ridges. Under those terrible conditions, tires have become frayed and useless at an appalling rate.

That American industry has been able to meet this terrific demand for all-important truck tires is due, to a great extent, to companies like Phillips.

For long before Pearl Harbor, Phillips scientists foresaw the possibilities of butadiene in producing synthetic rubber. As a result, when the blow fell at Pearl Harbor, Phillips great research and production facilities were ready to step into the breach.

Today, the Phillips 66 Shield stands for one of America's leading producers of butadiene for synthetic rubber... as well as a great producer of 100-Octane Aviation Fuel, and an almost endless list of newer and better products from petroleum gases and petroleum.

**SLEEP OF EXHAUSTION AFTER OKINAWA VICTORY**

THESE EXHAUSTED, bearded troops of the 10th Army's Company L, 383rd Infantry, 96th division, fell asleep in their foxholes where they were following their winning fight for Big Apple hill on Okinawa. In the fierce fighting that ensued following the Yanks' landing on the Ryukyuu island's beaches, April 1, these doughboys and their buddies cost the Japs 101,853 dead sons of Nippon. (International)

**Look pleasant, please... Have a Coca-Cola**

...meeting comrades-in-arms in Quebec

In Quebec as in Quincy, the words *Have a Coke* are an invitation to friendliness. They say *We speak the same lingo... let's get together.* It's the North American way. On both sides of the border people have come to look upon Coca-Cola as a symbol of amity and good feeling.

BOTTLED UNDER AUTHORITY OF THE COCA-COLA COMPANY BY  
**COCA-COLA BOTTLING CO., Inc. GREENCASTLE, IND.**

You naturally hear Coca-Cola called by its friendly abbreviation "Coke". Both mean the quality product of The Coca-Cola Company.
