CITY COUNCIL RESCINDS PART OF ORDINANCE

WORKING TO BE FLAT TO CURB ON EAST WALNUT ST.

The City Council met in regular session Tuesday evening. All members of the council, with the exception of Clerk-Treasurer Frazier and Mayor Stewart were present for the meeting.

Only routine business came before the session and an adjournment was taken shortly before 10 o'clock.

Councilman Fred Pease presented the claim ordinance which was passed by a unanimous vote.

The council also passed an additional appropriation ordinance for \$500. This will make deficiencies which are expected to occur in the advertising budget during the year of 1948.

An ordinance was also passed regarding that section which is adjacent to Walnut street between the Indiana streets, where single parking had been created against flat to the curb parking which had been in effect for years before the council changed last year.

Councilmen declared that single parking was a hazard at that point, due to the narrow street and the fact that many people stop at the post office for mailing. Many also drive up to the curb mail box on the north side of the post-office and this makes it dangerous. The councilmen were thinking in terms of the fire trucks getting out and voted to eliminate that section of the old safety ordinance.

The Sugar Creek Creamery on Franklin street was permitted to put a sign in front of the place of business part time Saturday prohibiting parking in front of the store. This was done as a convenience to farm-delivering cream.

The council adjourned still talking about time parking, etc. Councilman Jesse Green wants meters installed down town. In all probability managers who make these gads will be brought into explain the profitable operation and terms of their installation, in places over the country, but if they are installed, police will have to patrol them, or some special representative of the city will have to, in order to see that over-time parking is not made. It would be little different from time parking and the city would be the cost of the meters, or the parking public would be out of installation costs.

Hold Lincoln Day Dinner Meet

Plans are being completed for Lincoln Day dinner meeting at the DePauw University campus on Friday, Feb. 6, at the Cafe. The meeting is sponsored by the Putnam County Republican Central Committee and Putnam County Republican Club.

V. Burch, Auditor of State, will be the principal speaker for the observance of President Abraham Lincoln's birthday. An accordion band will furnish the music. The local meeting will be one of hundreds of Lincoln Day meetings held over the state.

Dinner reservations continue. Mrs. William Boatright or Thad Jones by Tuesday, Feb. 4.

Years Ago

"Hur" starring Ramon Novarro, Betty Bronson, May Blye, Carmel Myers and James K. Bushman was playing at the DePauw.

Harry Moore and Mrs. Cooper were visitors in town. The 34; Tiger Cubs, 32. The oil truck, driven by Frazier, was damaged in an accident at the corner of Hanna and Walnut streets.

Has 1st Birthday

Viktor G. Barthel

This little boy here is Viktor G. Barthel who had his first birthday the 25th of January. He is the nephew of Miss Marcelle Diederick, 22 Letellier street, Bonnoie, Luxemburg, who is visiting Mr. and Mrs. Harry Hunter of Fillmore R. R. 1. Little Viktor's clothes are a Christmas present from America from Mrs. Harry Hunter and Miss Marcelle Diederick.

Laura Nichols Passed Away

Mrs. Laura Estep Nichols, age about 78 years, wife of Alonzo Nichols, died Wednesday morning at 4:40 o'clock at her home on state road 40, east of Mt. Meridian.

Surviving are the husband, one daughter and five sons, and other relatives.

Funeral services will be held Friday afternoon at 2 o'clock from the Stilesville Baptist Church.

Friends may call at the family residence.

N. Y. Film Editor Will Speak Here

Bosley Crowther, motion picture editor of the New York Times, will address DePauw University students and faculty Friday, Feb. 6, at the subject, "What You Don't Know About the Movies."

Mr. Crowther's address will be part of the university's annual lecture series and is open to the public. President Clyde E. Wildman announced. The editor will speak in Gobin Memorial church at 10 a. m.

A strong advocate of what he calls "genuine" films, which reflect more honestly the true aspects of life, Mr. Crowther in his newspaper reviews constantly urges upon Hollywood its public responsibilities.

Mr. Crowther's appearance on the DePauw campus is in line with the school's policy of bringing outstanding men and women from all fields to present their ideas before the student body. "The importance to our national life of the motion picture cannot be overestimated," President Wildman said.

Others who have spoken in this year's series have included David E. Lillenthal, head of the Atomic Energy Commission; Eugene C. Pulliam, publisher of the Indianapolis Star and other newspapers; Dr. Bernard Iddings Bell, distinguished clergyman and author; Kumar Goshal, Hindu authority on India, and Emily Kimbrough, author and lecturer.

Scott Heads Credit Group

The directors of the Putnam County Credit Association met Tuesday afternoon and elected the following officers for the coming year; president, Roscoe Scott; vice-president, J. J. Eitel; treasurer, Ward Mayhall. The other directors are Joe Crosby, Frank Cannon, Willard Sunkel, and O. V. Smythe of Cloverdale. Plans were formulated for the year's activities for the association.

THREE INJURED IN TWO TRAFFIC CRASHES TUES.

ONE ACCIDENT OCCURRED IN BRIDGE ON FILL- MORE ROAD

Two men suffered injuries Tuesday noon when a grain truck and bread truck crashed at the west entrance of the bridge on the Greencastle-Fillmore blacktop road near the Rudolph Voldauer farm, east of this city.

Raymond A. Pressel, 22, Indianapolis, driver of a Colonial bread truck, and Elmer Smiley, 26, of Quincy, driver of the grain truck, were treated at the Putnam county hospital for bruises, lacerations and abrasions. Ralph McCullough, also of Quincy, who was riding with Smiley, escaped injury.

State policeman Cleis Miller, who investigated the accident, reported that the left front part of each truck hit the other. The grain truck was the worst damaged in the crash.

Another accident occurred Tuesday, when two autos crashed on east Washington street road at the city limits at 6 p. m.

City police report that Jesse H. Kendall, driver of a 1933 Chevrolet coach, suffered a cut on the neck in this mishap. Robert C. Thompson was the driver of the other machine involved, a 1941 Chevrolet sedan.

Miami Airline Pilots Strike

MIAMI, Fla., Feb. 4.—(UP)—A strike of 145 AFL airline pilots grounded all 22 planes of National Airlines today. The pilots charged the aircraft were not maintained with proper regard to safety.

The airline's mechanics walked out three weeks ago in support of a strike by clerical and station employes who struck Jan. 24.

The last scheduled flight of the company arrived at Newark, N. J., airport at 11:15 p. m. yesterday and the pilots said they wouldn't take up any more planes until grievances were settled.

In Chicago, David L. Behncke, president of the Air Lines Pilot Association (AFL), said the walkout was called after two "almost unanimous strike votes." He said the votes climaxed two years of poor pilot-management relations.

A spokesman for the airline, which operates between New York, New Orleans and the Florida rest area, said the strike "was calculated to do as much damage to the company as possible by intimidating the planes are not safe. Behncke well knows this is an untruth. The CAA inspects and approves for flight every craft that goes on the line."

Behncke said the strike stemmed from two principal causes: "Increasing apprehension on the part of the pilots about flying planes whose safety aspects, from a standpoint of maintenance, were open to serious and alarming doubt," and an unsettled grievance over the discharge of a pilot more than two years ago.

The union and the company have been operating under a truce since Nov. 12, 1947, in order to give the National Mediation Board a chance to settle the latter grievance.

The pilots said no wage dispute was involved in the strike. National Airlines spokesman said it was "the foulest strike the pilots ever pulled." They described it as "a smokescreen for the real motives."

MRS. FITZSIMMONS DIES AT HOSPITAL

Mrs. Alice Fitzsimmons, age 81, of Greencastle R. 2, passed away at the Putnam County Hospital at 1 p. m. Wednesday. Further details and funeral arrangements will be announced Thursday.

TAX BILL PASSES WITH VETO MARGIN

HOUSE SPEAKER Joseph Martin (right) congratulates Rep. Harold Knutson (R), Minn., after House passed his income tax reduction bill with sufficient votes to override a presidential veto.

Lions Sponsor Safety Slogans

The Greencastle Lions Club is sponsoring a Safety Drive this week in Greencastle to make people more safety minded. Safety cannot be stressed too much in this community. The children of the three grade schools are writing safety slogans in the schools. This is to bring safety into the minds of the children as well as the parents. The ten best slogans will be selected by the mayor, fire chief and police chief. The children writing the best ten slogans will receive certificates of award from the National Safety Council and the three best slogans will also receive ribbons of merit. Posters are being distributed in the schools and business places.

Invitation To Live, a safety book in cartoon form, will be distributed in the schools, libraries, business places and homes. This book has cartoons on safety in every phase of life and a chapter on fire prevention and first aid. If an accident cannot be prevented one should know what to do until a doctor can see the patient.

Proceeds from this drive will be used in this community on safety. Remember, safety cannot be stressed too much. Think twice, it might save a life.

2 Believed Lost In Illinois Fire

ALEDO, Ill., Feb. 4 (UP)—A man and wife were believed to have perished early today when fire destroyed two buildings and threatened to envelope the entire business district of Aledo.

Mr. and Mrs. Kermit Bergstrom, residents of one of the wrecked buildings, were missing after the fire was brought under control. Officials were attempting to determine whether they died in the flames or managed to escape.

The fire broke out about 5 a. m. in Slim and Corky's tavern on the main street of town. It was discovered by Gladys Anderson, a waitress in a nearby restaurant, who turned in an alarm.

Miss Anderson said she saw Mrs. Bergstrom at a window, screaming for help. A moment later she was gone.

REMODELING STARTS ON BUSINESS ROOM

Remodeling of the front of the business room on the south side of the square, formerly occupied by the Owl drug store, is progressing. Charles Bridges, owner of the Sportsman Shop which will move into the room stated Wednesday that the work should be completed within the month.

The modernist front planned by Mr. Bridges will add to general appearance of the business district.

The Owl, which moved one door west into the former Fashion Shop room, expects to re-open for business by the end of the week.

5-INCH SNOW BLANKETS CITY DURING NIGHT

MILDER TEMPERATURE ALSO RECORDED HERE PAST TWO DAYS

Greencastle and Putnam county were blanketed in nearly five inches of snow Tuesday night, the heaviest of the winter. According to The Daily Banner figures, the snowfall was the 18th of the season.

Indications that a big snow was probable came Tuesday afternoon with overcast skies and frozen mist. There was a very light snowfall before dark but this was only a prelude to the thick blanket of white that covered the community during the night.

The state police post at Putnamville reported no serious accidents Tuesday night despite the snow storm. Two traffic mishaps occurred in this vicinity Tuesday but they happened before the snow.

Greencastle also experienced milder temperatures Tuesday and Wednesday than has prevailed in this section for several days. Tuesday's maximum was 36 degrees above zero and the mercury only dropped 5 degrees during the night for a minimum of 31. At 9 o'clock Wednesday morning it was 34.

Weather conditions were expected to remain about the same until Thursday when much colder temperature is forecast.

Another paralyzing cold wave moved slowly southward from northern Canada today, bringing with it what may be the most severe weather of the winter.

H. L. Jacobson, forecaster at the Chicago weather bureau, said the new cold wave will move into Minnesota and the Dakotas tonight. It will spread eastward as far as Indiana and Michigan by tomorrow night.

Jacobson said the weather bureau could not predict how long the new cold wave would last, but that the middlewestern states probably would remain cold at least for the rest of the week.

Lille Reports Labor Violence

PARIS, Feb. 4.—(UP)—Reports from the northern industrial center of Lille said today that renewed fighting between Communist and anti-Communist labor groups has broken out there, with 16 injured in a clash for possession of union headquarters.

The battle broke out last night when 300 members of the Communist-controlled General Confederation of Labor (CGT) stormed the central labor headquarters where members of the opposing "workers' force" had set up offices.

The Workers' Force members locked the doors and barricaded themselves within. Communists battered at the doors for more than an hour and finally broke in. A fist fight raged, and members of the Workers' Force were thrown out.

Police immediately cordoned off the building and waited for an hour and a half while the Communists held a meeting in the offices. What was discussed was not disclosed. Finally the Communists left. Police moved in and occupied the building.

First reports said 16 persons were injured. One, Jean Van Noten, secretary of the Municipal Workers Union, was reported in a serious condition in a Lille hospital.

Meanwhile, another controversy developed in Marseille as a result of the government's action in declaring 5,000-franc notes invalid. Four unions representing municipal employes went on strike, demanding that the city repay them for 5,000-franc notes given them in pay envelopes three days before they were declared invalid.

The Marseille city council offered to permit the employes to draw on the February salary, but this was rejected. Later the council offered to redeem the notes.

Fire Destroys Lizton Church

Fire which started in the church basement, presumably from defective wiring, completely destroyed the Methodist church in Lizton Tuesday morning. The loss was conservatively estimated at \$25,000.

When discovered shortly after nine o'clock, the fire had gained such headway that the Lizton firemen who hurried to the church were unable to check it.

The interior of the church structure was destroyed and the walls collapsed, leaving the beautiful church edifice in complete ruins.

The church was built in 1903.

CLOVERDALE LIONS TO PRESENT PLAY

Cloverdale Lions Club is giving a hilarious play, Friday night at the school. "The Big Baby Revue." It has an all male cast of all local business men and their friends, and will be something to see. Glen Allender is putting out a call for all Lions or anyone in Cloverdale who would like to have a part in the play, to report at the school house tonight at 8 p. m. We have a part for everyone and need help badly.

BULLETINS

WASHINGTON, Feb. 4.—(INS)—Secretary of the Treasury Snyder announced today that the Internal Revenue Bureau has revoked the "double barreled" tax exemptions of eight alleged Communist organizations.

Snyder explained that the order will strip the organizations of privileges which had exempted them from paying any kind of income tax and allowed persons contributing to the groups to deduct donations from their tax.

INDIANAPOLIS, Feb. 4.—(INS)—The Indiana Gas and Water Company announced today that all restrictions on gas use for industrial purposes have been removed because of higher temperatures recently.

Some 15,000 workers have been made idle by the restriction of use of industrial gas to 90 percent of the state's industries.

WASHINGTON, Feb. 4.—(INS)—Defense Secretary Forrestal today merged the Air Transport Command and the Naval Air Transport Service.

Maj. Gen. Laurence S. Kuter, of the Air Force, was named commander of the consolidated service.

WASHINGTON, Feb. 4.—(INS)—Secretary of State Marshall said today that he has received information that between 150 and 200 Communist agents have attempted to slip into Palestine on refugee ships sailing from ports behind the "iron curtain."

The secretary said he could not disclose the source of the information at this time. Similar reports have come out of London but the State Department hitherto has remained silent on them.

PARIS, Feb. 4 (INS)—Gen. Lucius D. Clay reaffirmed today that United States policy in Germany is designed only for an economic recovery that will benefit Europeans as a whole.

Gen. Clay flew to Paris from Stuttgart to address the Anglo-American Press Association.

The remarks of the United States military Governor for Germany were designed clearly to answer French charges that the new Anglo-American bizonal economic administration favors Germany over her former enemies.

LONDON, Feb. 4 (INS)—The British government issued a formal statement today advocating a "freeze" in all incomes to combat "development of a dangerous inflationary situation."

Woman Kills Former Mate

INDIANAPOLIS, Feb. 4.—(UP)—Harvey Samuel Broglin, 35, was shot to death early today and a well-to-do east side divorcee was arrested shortly afterward to face a charge of murder.

Mrs. Jeannette Weaver Oeder, 46, told police that "I shot him." Her former husband's body was found in a blood-covered snow bank in a neighbor's front yard.

A bullet had severed his jugular vein.

The woman said she and Broglin had several drinks in bars in Indianapolis and suburban Beech Grove yesterday.

"Then he called me on the telephone about one o'clock this morning, she said in a statement to police. "I told him I would not see him but he insisted and said he was coming out anyway. I was afraid of him by the sound of his voice."

The divorcee said that she then called her brother, Windsor Weaver, and told him her former husband was coming over. Weaver quoted Mrs. Oeder as saying she was going to kill the man.

He said he told her not to do anything drastic, but to call the police.

"It will be too late when the police get here," he quoted his sister as saying before she hung up.

Held Prisoner On Boat For 12 Days

TAMPA, Fla., Feb. 4.—(UP)—An executive of a frozen foods firm was back home today after spending 12 unwilling days at sea aboard a motorship, and his company charged he had been shanghaied by the former president of the firm, disgruntled because he had been ousted from control.

Elmer Freuhauf, vice-president of Sea Horse Frozen Foods, Inc., of St. Petersburg, Fla., was put ashore in a small boat near Bradenton, Fla., Monday night. He arrived home yesterday.

Last night federal officers recovered the 75-foot motorship Sea Horse, apparently abandoned and hidden in the marshes of lower Pinellas county.

One crewman was aboard, but federal authorities searched for the captain, Marvin Jack Miller, and six other crewmen who were missing.

The company charged that Miller, a former president of the firm, had absconded with the vessel while Freuhauf was aboard. Freuhauf was reportedly held prisoner for 12 days.

The company told this story: Freuhauf and Ben Brown, secretary of the firm, went aboard the Sea Horse in Key West, Fla., on Jan. 22 to fire Miller from the company.

Miller became angry and ordered the crew to cast off while the officials were still aboard. Brown leaped ashore but Freuhauf stayed on the ship.

When Freuhauf's wife learned of the incident she made repeated radio calls to the ship which Miller refused to answer, the company said. Freuhauf was also prevented from calling home.

Finally Mrs. Freuhauf chartered a plane and began searching for the ship. She spotted it at anchor, almost hidden, and notified the U. S. marshal who put out in a small boat and went aboard.

The company charged that Miller had a "ruthless dislike for corporation officials" and planned to "scuttle, plunder or cast away" the vessel owned by the company.

The captain was also charged with mistreating the crew. G. Benton Henson, attorney for the firm, said Miller was

president of the frozen foods firm when it was chartered last year. On Jan. 6, he said, the directors met on the front porch of Miller's home and voted him out of control.

After that, Henson said, Miller set sail in the company craft and Freuhauf and Brown went in pursuit, catching up with the boat at Key West.

BANNER RECEIVES ASCAP DICTIONARY

The Daily Banner is in receipt of a newly published book, "The ASCAP Biographical Dictionary of Composers, Authors, and Publishers." Thomas Y. Crowell Company published the book which was edited by Daniel J. McNamara. This reference book contains the biographies of virtually every important American composer and lyric writer of today.

Included in this book are 1870 composers and writers of lyrics; 303 publishers of music. The biographies are designed to give the maximum of information in the minimum of space.

Listed as from Greencastle is Clay Smith which the book said was a "composer, author, trombonist; b. Greencastle, Ind., Aug. 6, 1877; d. Chicago, Ill., July 18, 1930. The article said he was presented at the World's Fair in Chicago as a prodigy on the guitar, turned to the violin and then the trombone. He was, it says, a pioneer in radio in the use of the saxophone. The article tells of his education, of his writings and of his music.

The book will be used as a reference book in the Public Library in Greencastle.

GETS LIFE TERM

COLUMBUS, Ind., Feb. 4.—(UP)—James DeSpain, 25, Taylorsville, faced a life behind bars today, after his sentencing by Judge George W. Long when the judge said he did not feel he could be "personally responsible for taking the prisoner's life."

DeSpain pleaded guilty to a charge of murder while perpetrating the robbery of a filling station here Dec. 30. James Pelly, 70, was the victim of the murder. The robbery netted \$400.

Long said, DeSpain, who was arrested in Tampa, Fla., for the crime, should "never be paroled." DeSpain, who "just spent" up the \$400, was returned here a week ago to stand trial.

Truman Target Of Blasts From Southern Demos

ATLANTA, Ga., Feb. 4.—(UP)—Southern fire against so-called "northern interference," heretofore confined to scattered bursts, became a steady barrage today with President Truman's civil rights program the chief target.

Blasts at the President's 10-point program calling for anti-lynch laws, abolition of the poll tax and an end of Jim Crowism came from all sections of Dixie. Some Democratic party leaders in the South predicted that the Truman message would provide the spark necessary to inflame open revolt in the traditionally "solid South" against the national Democratic party.

A meeting of the southern governors conference was scheduled at Tallahassee, Fla., this weekend and many believed that the chief executives might frame a definite stand against the program.

Gov. Ben Laney of Arkansas was among the first to say he might go along with a "Dixie convention" to choose a southern presidential candidate to block the election of either the Republican or Democratic nominee.

Laney called Mr. Truman's program a "direct thrust" at the South. He predicted "extreme steps" would be taken to defeat it.

Former Gov. Chauncey Sparks of Alabama protested Mr. Truman's message in a telegram to the President in which he charged that the chief executive had shifted his views on the poll tax and other racial questions since the 1944 Democratic convention.

Sparks said the President's proposals were "thrashed out" at the convention and that Mr. Truman agreed then that "the poll tax should be handled by the states."

Fillmore Ladies In All Day Meeting The first all day meeting of the ladies of the Fillmore Christian Church was held January 29th with thirty-three in attendance.

A pot luck dinner was served in the church dining room at 12:30.

Many important items were discussed at the afternoon business meeting.

It was voted to establish a new name, to have free will offering instead of dues, thus, all lady members of the church automatically becoming members of the organization.

Ways and means, helping hand and new name committees were appointed.

Devotions were in charge of Mrs. Anna Snodgrass and were very ably given, her theme being "Talents."

The project of the afternoon was a "silent auction," from which a neat little sum was netted.

The next all day meeting will be Feb. 26th at the church.

Golden Rod Club To Meet Thursday The Golden Rod Club will meet at the home of Mrs. Mary Sutton, February 5th. A pitch-in supper will be held. Also bring something for auction sale.

Bainbridge Birthday Bridge To Meet Saturday The Bainbridge Birthday Bridge Club will meet Saturday, February 7th, at 7:30 p. m. at the home of Mrs. Ruth Steele.

TWO BELIEVED LOST (Continued from Page One) later, she said, the window was obscured by smoke and flame and Mrs. Bergstrom disappeared.

In addition to the Aledo volunteer fire department, five trucks of volunteers came from the nearby communities of Viola, Joy and Reynolds to help extinguish the fire.

The blaze was brought under control about 6:30 a. m., after it had destroyed the tavern and the Quinn Brothers grocery building and damaged adjoining buildings.

Damage was estimated at \$100,000.

Irish Leader's Rule Challenged

DUBLIN, Feb. 4 (UP)—Eamon De Valera's 16-year-old rule as Prime Minister of Eire was challenged at the ballot box today by Sean MacBride, Dublin attorney who has rocketed into political prominence within the past year.

An expected 80 per cent of Eire's 1,808,376 voters began balloting at 9 a. m. (4 a. m. EST) in the hottest general election in 26 years.

At stake are 147 seats in the Dail Eireann, Eire's National Assembly. De Valera's Fianna Fail (government party) will have to win 74 seats if he is to remain as Prime Minister. The prediction is that he will win only 65 to 68.

MacBride, the 42-year-old Chalmers, is expected to take 53 seats. Should De Valera fail to win a parliamentary majority, the choice of a new Prime Minister would depend upon political deals to produce a coalition leader.

Should De Valera fail, the betting is he would be replaced by

MacBride, the new political star who has led his Klann Na Poblachta (Republican party) out of political oblivion in the past year.

MacBride's party, which did not exist in the last election on May 30, 1944, pressed De Valera so hard in two by-elections that De Valera called a general election 16 months ahead of schedule to head off his young challenger before he gained more strength.

Kuhn was awaiting trial before a German Denazification court in Bavaria on the basis of documents that were sent to Germany from the United States.

Kuhn was deported to Germany from the U. S. in September, 1945, and worked for a while at a Munich chemical plant. He was scheduled to be tried on a charge of having been a ward chief in the Nazi party.

Boys Returned Home TERRE HAUTE, Ind., Feb. 4.—(UP)—Three Terre Haute boy scouts were agreed today that there's no place like home.

The lads, who wanted to see what the wide-open spaces of Canada looked like, started off Monday night on a hike to the Canadian border. They got five miles out of Terre Haute along the Wabash, when they bedded down for the night.

It was cold—too cold for even a fire, one said—and today they agreed there was nothing so nice as a warm bed at home and breakfast prepared by their mother.

James Gentry and Joen E. Ralston, both 14, and Clarence Shaddock, 13, say they might try it again in 1950, but they're not going to start in February, they say.

FRITZ KUHN ESCAPES FROM GERMAN CAMP

Butler Player Offered Bribe

INDIANAPOLIS, Feb. 4.—(UP)—Mayor Al Feeny today asked New York investigators to help track down a gambler who offered a Butler University basketball player a \$500 bribe to "fix" a game.

Charley Maas, guard on the Butler team, was asked to "go easy" in the Butler-Ohio University game here Saturday night so that his squad would defeat Ohio by "fewer than nine points."

Angered by the bribe offer, Maas led his team to a 59-35 victory, scoring 24 points himself as his answer to the gambler's request to hold the win margin down to "about six points."

Police said they were asking that a Brooklyn address on a letter believed connected with the bribe attempt be "looked up" to see if it was frequented by known gamblers.

The letter received by Maas Jan. 20 offered him a "business proposition" but gave no further details. At the time he had assumed it was an offer to play professional basketball and showed it to his coach.

He answered the letter and said he was open to offers to play professionally. He received no reply.

Maas said that Friday night a voice with a Brooklyn accent called from New York and urged him to "fix" the Saturday game. "Your team was either way. What's the difference?" the gambler told Maas.

The youth immediately told his coach of the call and Mayor Al Feeny of Indianapolis ordered Chief of Police Edward B. Rous to "get to the bottom of this."

Weather Slows Winter Olympics

ST. MORITZ, Feb. 4.—(UP)—Warm weather, accompanied by wet snow and sleet, forced postponement today of women's figure skating, bobsledding events and America's hockey game with Canada at the winter Olympics.

It appeared likely that the free skating events of the men's figure skating competition, in which Dick Button of Englewood, N. J., was expected to win for the U. S. its first Olympic championship, also would be postponed.

A meeting of Olympic officials was scheduled for 5 p. m. (11 a. m. EST) to decide about transferring both figure skating competitions to an indoor rink.

STANDARD

Now... a new sign of top service!

You see a new sign on today's highways... an oval sign with the flaming torch of service, and the single word "STANDARD". It is replacing the familiar "Standard Service" sign. It is being adopted for your convenience because it's easier to see and identify.

This new sign is symbolic of great post-war improvement program, aimed at bringing you even better products and service facilities along the road.

Meanwhile—under both new sign and old—you'll find top-notch products and courteous, thorough, personalized service to assure you of safer, more pleasant driving and longer life for your car.
