

ADMITMENT HIT 1700 UNIVERSITY

SCHOOL YEAR TO WITH ORIENTA- TION PROGRAM

Following the registration of 1700 students for the semester, DePauw University will open its 115th year with an orientation program on Sept. 9. Dr. Russell J. Humbert, newly appointed president of the school, will make his first official appearance at an address of welcome to students at 4 p. m. on Monday.

DePauw's new Air Force ROTC unit, activated on July 1, will immediately go into high gear, completing the admissions program for some 250 cadets. Lt. Col. F. A. Sanders, the commanding officer, has indicated that the unit will be directed by William E. Umbreit, director of admissions, plans for nearly 50 new students to enter DePauw this fall, most of them freshmen. Total enrollment is expected to be near the 1750 figure of the spring semester of the last school year.

"A general reduction in the number of students entering college this fall is the result of the year's smallest high school graduating class in 15 years," Mr. Umbreit said. "This is a reflection of the low birth rate of the 1933-34 years. Another factor limiting enrollments is that the number of G. I. students has dwindled rapidly."

President Humbert will open orientation activities Sunday with an address of welcome to new students. The remainder of the day will be given over to orientation meetings and a tour of the campus.

For the next three days students will be occupied with placement tests, conferences with faculty advisors, health examinations, orchestra and band tryouts, and other preliminaries to the opening of the school year. The traditional College Night program for new students will be held in Meharry Hall on Monday.

Registration for the new term will be held on Thursday, Sept. 13, for advanced students and on Friday morning for freshmen. Regular meetings of classes will begin Monday morning, Sept. 17.

DePauw's sports program will open Sept. 29 when the football team travels to Hanover College. Ball State will visit Greencastle on Oct. 6 for the Tigers' first home game. Old Gold Day, DePauw's homecoming, is scheduled for Oct. 13 with Oberlin College as the opponent, and Dad's Day honoring fathers of DePauw students, is set for Nov. 10, when the Tigers will be hosts to Lake Forest.

WINS SCHOLARSHIP

He H. Strain, R. R. 4, Greencastle, is among 434 Indiana University students today named winners of scholarships at I. U. for the 1951-52 academic year beginning Sept. 17.

20 Years Ago IN GREENCASTLE

A total of 16 cases of typhoid fever was reported in Cloverdale Supt. Ralph Howard reported that business was "poor" at the state penal farm as inmates totaled only 1,160. This figure was a drop of nearly 200 from the average roster.

GET SPEEDING TICKETS

Two young men, who local police said, were racing on Bloomington street at 9:10 p. m. Saturday, received tickets to appear in J. P. Court on charges of speeding.

Police reported that they clocked the two autos at about 50 miles an hour. The drivers were Wilbur C. Pierce, Greencastle, Route 4, and Jimmie H. O'Neal, a sailor, whose home address is Spencer.

DEPAUW GETS ROBERT HARVEY AS NET COACH

Robert R. Harvey, formerly director of athletics at Franklin College, has been named head basketball coach and associate professor of physical education at DePauw University, President Russell J. Humbert has announced.

Harvey will also be track coach and coach of the reserve football team. He replaces Jay McCreary, who resigned to coach the Muncie Central High basketball team.

A graduate of Earlham College, Harvey has the master's degree from Columbia University and is completing work on the doctorate at Indiana University. He has been athletic director and professor of physical education at Franklin for the past five years.

Dr. Louis W. Norris dean of the university, announced that Harvey will come to the campus in time to help with pre-season football practice.

PLENTY OF SNAKES

MARTINSVILLE, Ind., Sept. 3 (INS)—Copperheads are getting so common around the Carl Pogue farm that he might not have mentioned his latest catch, had it not been for its size. Pogue told the Martinsville Reporter that the "granddaddy" of the den was uncovered as he dug a cistern. The snake measured 38 inches long, and was the sixth the farmer has killed on his farm this year. He killed three in one day, when the snakes crawled into an outbuilding near his house, but none of the other five was as long as 38 inches.

MRS. BUEL HORN FUNERAL TO BE HELD WEDNESDAY

WIFE OF FORMER DISTRICT SUPERINTENDENT DIED SUNDAY

Friends here were shocked early Sunday to learn of the death of Mrs. Ruby Bigler Horn in a Crawfordsville hospital. Her death was due to an attack of heart trouble from which she had suffered some time.

Born in Kansas, Mrs. Horn lived in Indiana most of her life and was active in settlement work with her husband in Gary. The Rev. Mr. Horn was pastor of Methodist churches in Terre Haute and Greencastle before going to Crawfordsville following the last Conference which was held here in June.

Survivors besides her husband include two daughters, Mrs. Alice White of Philadelphia, Pa., and Mrs. Frances Shelby, Speedway City; two brothers, Roy Bigler of East Wanatchee, Wash., and the Rev. C. V. Bigler of Buchanan, Mich., and two sisters, Mrs. T. A. Biggerstaff of Kiewa, Ia., and Mrs. J. C. Hearst of Kansas City.

Funeral services will be at 10 a. m. Wednesday in the First Methodist church in Crawfordsville. Burial will be in Oak Hill cemetery, Gary.

Mrs. Branson's Rites Tuesday

Mrs. Helen Fern Branson passed away Sunday morning at the Culver hospital in Crawfordsville, following an illness of five weeks.

She was born May 31, 1900, in Indiana, the daughter of Frank and Mattie Boswell Hinkle.

Survivors are the husband, Arlie; one sister, Mrs. Lillie Reeves, Bainbridge, and one brother, Harold Hinkle of Butlerville.

Funeral services will be held Tuesday afternoon at 2 o'clock, DST, from the Chastain Funeral Home in Roachdale. The Rev. Ray Britton will be in charge. Burial will be in the Roachdale cemetery.

Friends may call at the funeral home.

CONDITION CRITICAL

Mrs. Ralph Etter is reported as critically ill at the Methodist hospital in Indianapolis.

PURDUE HOST FOR 10TH ANNUAL SCHOOL

The tenth annual School of the Prophets will be held at Purdue University in West Lafayette the week of September 3-7. More than 525 Methodist ministers of the state have registered for the refresher course in applied Christianity. The pastors will be divided into seven classes taught by outstanding church leaders from across the country. Dr. Glenn Clark will teach a class entitled "The Devotional Problems of New Testament Study" will be led by Dr. Clarence Tucker Craig, Dean of Drew Theological Seminary. Dr. Stanley Hopper, professor of Christian Ethics at Drew will lead a discussion of "Issues in Contemporary Theology." "The Evangelistic Meeting" will be taught by Dr. Lawrence Dacour. "The World of Books" will be presented by Dr. Arnold Hilmar Lowe, minister of the Westminster Presbyterian church in Minneapolis, Minn. Bishop A. Frank Smith will present the course "Pulpit and Parish." Dr. Harold Bosley, minister of the First Methodist church in Evanston, Ill., will preach each morning at noon worship service, using the theme, "The Prophet and the People."

The Rev. Joyce Bailey, superintendent of the Greencastle District of the Methodist church and the Rev. Elmer L. Harvey, pastor of Goben Memorial Methodist church, will attend the sessions. Dr. Russell J. Humbert, president of the university, will attend one of the day's sessions.

TRAFFIC ACCIDENT

City police reported that a minor traffic accident occurred Saturday on Washington street near the Indiana street intersection.

Police said a 1947 Ford truck driven by Lemuel T. Butts, of Center Point, while waiting for the traffic signal to change, rolled back into a 1951 Plymouth driven by James Herbert Pickett. Some damage resulted.

Putnam Horses Win At Fair

Two Putnam county horses participated in the annual horse show of the Indiana State Fair opened Sunday night. Both were in the Indiana owned five gaited class, which was won by Gloria Girl, entered by Mr. and Mrs. Gerald Hartman of Bainbridge and ridden by Bob Whitney of Muncie. Knobby Hill's Fancy, owned by Elizabeth Rariden placed fourth in the same class of fifteen of the best horses in Indiana.

TWO ARRESTED

John R. Ash and Harold Harlan were arrested on public intoxication charges by Sheriff Joe Rollings Saturday night.

The sheriff said he took the two in custody as they were walking on state road 43 just north of the city, near the Pingleton saw mill.

ASSIGNED TO STAFF

FORT MEADE, Md., Aug. 31—Sergt. 1st Class Charles D. Chadd, of Route 3, Greencastle, Ind., has been assigned to the cadre staff of a Leadership School which recently opened at the Medical Replacement Training Center here.

Previous to his current assignment, Sergeant Chadd served with the 98th Machine Records Unit here. He was inducted into the Army Nov. 21, 1945, served with the Government Affairs Branch, Headquarters European Command. He was promoted to Sergeant 1st Class, Aug. 26, 1949.

Goodman was jailed by city police at 1 A. M. Saturday when they took him into custody on North Jackson street.

Labor Day Is Observed Here

About the only business activity Monday in Greencastle due to the Labor Day holiday was the monthly meeting of the Putnam county commissioners at the court house. Claims and other routine items were taken up by the board at this session.

All other business was practically suspended over the city and many residents took advantage of the Sunday and Monday recess to visit friends and relatives, the state fair, and enjoy other forms of recreation.

City school teachers met Monday noon at the Miller school cafeteria for an organization meeting as local boys and girls will trudge back to their respective buildings at 8:30 a. m. DST time Tuesday for the opening of another academic year.

The Putnam County Council is also scheduled to convene Tuesday morning to take up the proposed 1952 county budget. This session, in all probability will require at least two days.

Automobile traffic was heavy during the weekend on state road 43 through the city with other Hoosiers and out-of-state motorists also enjoying the final holiday of the summer season. Traffic on U. S. 40, south of Greencastle, and on U. S. 36, north of the city, was reported heavier than usual.

LATE NEWS

INDIANAPOLIS, Sept. 3—(INS)—Indiana's Labor Day week end traffic toll stood at 10 today, a figure somewhat lower than in the past years. The three-day total last year was 21.

State police, however warned drivers to use extreme care when the homework rush from holiday spots begins late this afternoon.

Cool, cloudy and comfortable weather prevailed over the state today.

SAN JUAN, P. R. Sept. 3—A tropical hurricane which developed early Sunday continued its westward movement through the open Caribbean seas today as it grows in size and intensity.

The San Juan weather bureau reported at 5 a. m. EST, that winds are estimated at 100 miles per hour near the center, with the storm pushing forward at about 18 miles per hour.

No land areas lie in the howler's path at present, but ships were advised to avoid the hurricane.

CENTRAL FRONT, Korea, Sept. 3—United Nations troops near Chorwon on the Central Korean front were bombed and strafed by aircraft today.

This was the first attack on Allied troops from the air in many weeks.

One of the attacking planes was identified as a Yak-9 propeller-driven Russian type craft but the others were not identified.

Six attacks in all were made on Allied troops and truck convoys southeast of Chorwon.

SAN FRANCISCO, Sept. 3—(INS)—The United States and Britain moved today to assure speedy signing of the Japanese peace treaty and to block Russian obstruction by drafting a non-filibuster program for the 52-nation conference.

An informal number of Anglo-American "suggestions" made to "sympathetic" non-Russian delegations include the controversial proposal that debate on the floor of the San Francisco Opera House be restricted to one hour per delegate.

Soviet Deputy Foreign Minister Andrei Gromyko and his Czech and Polish team-mates are certain to voice loud opposition to any "gag" on discussion, which they insist must be open to drastic revision possibilities.

NEW YORK, Sept. 3—Welterweight fighter George Flores died today at the end of a four-day battle for his life following an eighth-round knockout at New York's Madison Square Garden.

"Start early, take it easy and be patient."

This message of caution was issued to homebound motorists today by the National Safety Council, which stood appalled by soaring highway deaths during the Labor Day week end.

Traffic accidents alone already had taken 268 lives by Sunday midnight and an estimated 40 million persons were preparing to hit the highways for the return trip on the nation's last big holiday fling of the summer.

Cross-country forecasts of scattered showers and thunderstorms added to the grim picture. It appeared likely a safety council prediction of 390 traffic fatalities would be fulfilled all too soon.

All told, 357 persons have lost their lives so far in holiday accidents. Forty-seven were drowned and 42 died in miscellaneous violent accidents.

The two largest states in the nation—Texas and California—headed the traffic fatality list. In the West Coast state 27 holiday deaths were reported. The Lone Star State had 29 fatalities. The Empire State of New York, however, tops all others in the overall listing. A 50-foot fishing boat capsized in a squall off Long Island and 37 are believed drowned. Coast guard search planes flew out over Montauk point today seeking the 18 persons still missing and presumed drowned. Nineteen bodies had been recovered this morning.

Only 19 of the 56 persons aboard the 45-foot craft were saved.

STATE FAIR GIRLS HEAR MRS. HARDEN

SIXTH DISTRICT CONGRESS- WOMAN IS LABOR DAY SPEAKER

INDIANAPOLIS, Sept. 3—Indiana Congresswoman Cecil M. Harden (Republican—Sixth District) today told an audience of 276 girls attending the Indiana State Fair Girls' School they have a personal responsibility to make the American system of government work.

Mrs. Harden, Indiana's only woman member of Congress, outlined the progress of women in national politics since passage of the suffrage amendment 30 years ago and predicted the female sex will play an increasingly important role in national affairs.

"The more politically acute of the soothsayers can foresee the day when women might exercise their great voting power to obtain a majority of seats in the Congress and elect a woman president," Congresswoman Harden told her audience.

"E. L.," she added, "while this is not an undesirable end, it reflects an undesirable situation. Women do not wish to be regarded as a minority. They do not wish to vote for women merely as women, but as competent politicians who have something to offer in the field of government."

As a political force, the goal of women is to organize for the betterment of the nation—not solely for their own sex. They are doing this in countless ways, through their contacts as elected representatives, voters, party members, taxpayers, consumers and so forth.

"It is not always easy for a woman to achieve her goal. Very often she has to combine her political bent with her natural desire for a home and family. No matter how far advanced our culture becomes, it never seems to progress to the point where it completely frees a woman from the kitchen. But, as the numerous examples I have cited indicate, nothing can stop a woman of ability from attaining her rightful place.

"The many women who are rising to positions of prominence in Washington reflect only in small measure the many millions more whose prominence rests with their activities in their families and home towns. I cannot stress too much the value of your individual opinions, and how you can promote your national interest through educational activities, letters to your congressmen and organized campaigns.

"The most important thing to remember is that the United States is your government. Whether you are employed by it, legislating for it, or simply vote in its elections, you have a personal responsibility to make it work."

A KINDLY ACT

ELWOOD, Ind. Sept. 3—(INS)—Residents of the Hoover farm, two miles east of Tipton, really owe a Nickel Plate railroad engineer an explanation today as well as a hearty thank-you.

The engineer noticed a cow caught in a fork of a tree near his railroad track. He wrote a note, which he tossed off at Elwood, asking the telegraph operator at Elwood to contact Tipton and notify the farmer of his animal's predicament.

The telegraph operator did just that, and the cow was rescued just how did a cow come to get caught in a tree fork, in the first place?

WASHINGTON, Sept. 3—(INS)—President Truman left (Continued on Page Two)

EXTRA!

Washington for San Francisco today to set in motion the machinery for bringing Japan back into the community of free nations as a new bulwark for defense of the Pacific against Communist aggression.

The Presidential plane "Independence" left Washington's National airport at 8:29 A. M. EDT for a non-stop flight to the conference scene.

The chief executive will ad-

dress the opening session of the Japanese peace treaty conference Tuesday night at the San Francisco opera house.

The scene of the President's conference address is the same as that of another historic event which he attended six years ago when he spoke at the signing ceremonies which brought the United Nations into being.

TODAY'S BIBLE THOUGHT

He was so angry that he slew his brother. Jealousy and envy are sorry grounds for wrath. We should strive to perfect our deeds rather than envy those whose lives are fruitful.—Cain was very wrath.—Gen. 4:6.

Personal And Local News BRIEFS

Mr. and Mrs. Herbert Blocker spent the weekend in Chicago.

Mr. and Mrs. Larry Hedge were visitors in the city Sunday from Brazil.

Pfc. Jack Baldwin left Saturday night for San Deigo, Calif., after a visit with his parents.

Word has been received of the birth of a daughter, August 30, to Mr. and Mrs. Barney McClure of Polo Alto, Calif. Mrs. McClure is the daughter of Mr. and Mrs. L. L. Porter. The baby weighed 7 pounds and 13 ounces and has been named Elizabeth. The McClures have two other girls, Mary Ann and Margaret, four and five years old.

Considerable comment has been made concerning a soft ball game played at Robe-Ann park recently in which Felix Knauer, home on furlough, from the Marines was not permitted to play with Bainbridge, because of objections from a VFW team as well as from other teams in the league. Street comment said Knauer was barred because of officials on the grounds that he was not a resident of Putnam county. Officials have told us he was not eligible to play because his name was not certified as a player by deadline time, several weeks ago. It seems that the objections to Knauer came after he had batted and started a rally which tied the score, but did come after he started to pitch and had retired the opposing batters in one, two three order.

Miss Delores Thomas and Pvt. James Ash were the couple's attendants. Miss Thomas wore a suit of light shaded gray. The bride wore a street length white dress, and a white hat with a short veil. Her corsage was of red roses.

The bride is employed at the local telephone company and the bridegroom is stationed at Fort Worden, Washington.

who has served several years as a medical missionary in China is now representative from the Fifth District of Minnesota and is considered an authority on Oriental affairs.

Other headline speakers include Bishop A. Frank Smith of Houston, Texas, Bishop Richard Raines of the Indiana area, and Dr. Henry Denman, General Secretary of the Board of Christianism, of the Methodist church.

The men will live in the university dormitories and will meet in the Union Building. The first meeting will be held at 7:30 p. m. Friday evening in the "Hall." Dr. Russell Humber, president of the university, will welcome the laymen to the campus. Dr. Edward Garrison, administrative assistant to Bishop Raines, is general director of the conference, assisted by John Hoadley of Bloomington, Harold Roose and Harold Phelan, lay leaders of the three annual Methodist conferences of the state.

Morris-Boardman Reunion August 26

The 31st annual Morris-Boardman reunion was held in the park at Greencastle on August 26, 1951. At noon, Lawrence Morris returned thanks for the bountiful dinner. In the afternoon a short business session was held. The minutes of the 1950 reunion, which was held in Goshorn Park in Clay City, were read and approved. The same officers were chosen to serve another year. They are Elsie Brenton, president; Norman Brenton, vice-president; and Anna Mae Swearingner sec-treas. The program committee is composed of Mrs. James Snyder, Mrs. Richard Baker, and Mrs. Leverett Craig. It was decided to hold next year's reunion at the same place, the Greencastle park, on the fourth Sunday in August. The afternoon was spent socially, the children enjoying the playground equipment, and the men and boys played a game of softball with another reunion group. The Morris-Boardman won 11-10. There were 63 present, an increase of 22 over last year. Those present were. Mr. and Mrs. W. A. Patterson, Charlotte and Mary Maye, Mr. and Mrs. Paul Grimes, Mr. and Mrs. Firman Grimes, John, Ronnie and Diana, all of Greencastle. Mr. and Mrs. James Snyder, Jimmie and Stevie, of Brideport; Mr. and Mrs. Lawrence Morris and Wanda, Harry Middleton,

Hot Water when you want it! It's Safer!

the flame makes the difference!

★ School days bring greater demands for hot water . . . that means you need plenty of hot water always ready at the turn of the faucet. An automatic GAS water heater will supply that demand by heating more hot water, in less time and at less cost than any other automatic means. According to national safety figures, GAS offers you maximum protection. Gas fulfills the need, too, for an ample supply of really hot water for automatic dish and clothes washers. Before you buy, get the facts—GAS costs less to buy, less to install and much less to operate.

Should you live outside the area served by our gas mains, you can receive all of the advantages of GAS by using LP (bottled) gas.
